Quarterly Invoice Review Status	Katherine	Update on review progress for 2019/2020 invoices.	HCA is currently reviewing Q120 invoices along with 2019 invoices as they become certified. Please respond to HCA review questions as soon as possible to ensure a quicker review and avoid potential backlog.
Q119 Invoice Final Due Date	Jon	Q119 invoices must be certified by: 10/16/20. HCA will not seek reimbursement past the two-year federal filing limit.	All LHJs who need to take action on their Q119 invoice have been notified they must certify by 10/16/20 in order to have sufficient review time prior to the federal cut-off for this quarter.
Q220 Invoice Due Date	Jon	Q220 invoices must be certified in URMTS by 10/29/20.	Q220 invoices must be certified in URMTS by 10/29/20. LHJs who are unable to meet this deadline should contact HCA to discuss extension options.
Q420 Participant List Certification Deadline	Carrie	Q420 participant list must be certified by 9/22/20.	Coordinators must certify their Q420 participant list by 9/22/20 so that random moments can be generated.
COVID and Client MER	Carrie	COVID cases tracked in a data base should be included in client MER. See handout: COVID and Client MER. See handout: MER Proposal Form	LHJs who use a client MER must revise their 2020 MER proposals to include any additional databases used to identify COVID clients, if these databases are not already included. Please refer to the COVID and Client MER Handout. LHJs must email their revised proposal to HCA for review and approval. The MER type listed on your proposal must match the information entered into your quarterly MAC invoice. Blank MER forms can be found on HCA's LHJ MAC website under "billing and required documents." LHJs who use a countywide only MER do not need to complete a new 2020 MER proposal.
