## Medicaid Administrative Claiming Medicaid Suspension – RAC Eligibility

### Overview

For participants in the Health Care Authority's (HCA) Medicaid Administrative Claiming (MAC) or Interpreter Services (IS) program, contractors are required to determine Medicaid eligibility for services provided to clients, during the quarter. This notification is to provide an update to the Recipient Aid Category (RAC) process, effective immediately.

### What has changed?:

Starting July 1, 2017, if an existing Apple Health client is incarcerated or committed to a state hospital, their coverage with Apple Health will be suspended and no longer terminated in ProviderOne.

### Current Eligibility Inquiry Process:

There are various methods to check client eligibility. Most of these methods involve using the ProviderOne system. Access ProviderOne to submit an enrollment inquiry using one of these methods:

- Search for eligibility information using ProviderOne at <https://www.providerone.wa.gov/>
- Submit an electronic or individual batch.
- Swipe the client services card using a magnetic card reader ([Click here](#)).
- Call the Interactive ProviderOne Voice Response (IVR) ([Click here](#)).

Other methods to verify client Medicaid enrollment:

- Use a Medical Eligibility Vendor to access information on your behalf ([Click here](#)).
- Submit a request through the [Contact Us](#) email link.
- If the client's appointment is within 48 hours, call a customer service representative at 1-800-562-3022.

### New Modifier Code "Screen Shot"

If an existing Apple Health client is incarcerated or committed to a state hospital you should see the term "suspended" when doing an eligibility check. ([Click here](#))

Note: Apple Health covers hospital inpatient services for the time frame during the suspension. All other services during the suspended timeframe would be covered by the jail or state hospital.

### Next Steps

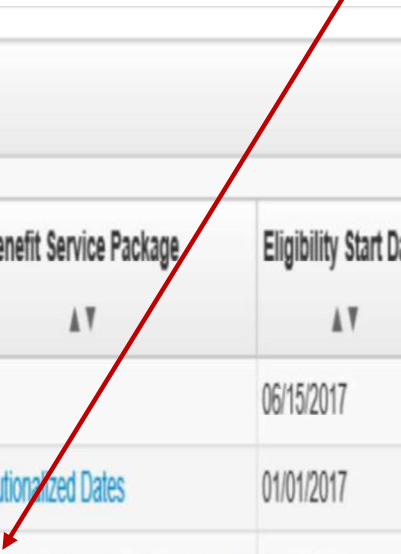

Please let us know immediately if you are using a client eligibility inquiry process that does not indicate "Suspension Eligibility". Contact your HCA representative for your program if you have additional questions.
