SUBJECT: Extension for 120 Day Contract Deadline for MAC Invoices

The Health Care Authority (HCA) is extending the deadline for the April-June 2015 (Q2 2015) invoice. The final date for submission is December 31, 2015.

HCA and the Washington State Association of Local Public Health Officials (WSALPHO) must enter into a contractual agreement in order for HCA to share the client data needed for the modified county-wide Medicaid Eligibility Rate (MER). This agreement is still under negotiation. As of now, the modified county-wide MER is not available and you are unable to complete your invoices by the 120 day deadline described in your MAC contract. In response, HCA is extending the invoice deadline for Q2 2015 invoices. This extension also applies to subcontractor invoices. If you have subcontractors, you are responsible for ensuring their invoices are submitted in a timely manner. LHJs must submit their Q2 2015 invoices to HCA no later than December 31, 2015.
