SUBJECT: Extension for July-September 2015 MAC Invoices

The Health Care Authority (HCA) is extending the deadline for the July-September 2015 (Q3 2015) invoice. The final date for submission is February 29, 2016.

HCA and the Washington State Association of Local Public Health Officials (WSALPHO) must enter into a contractual agreement in order for HCA to share the client data needed for the modified county-wide Medicaid Eligibility Rate (MER). This agreement was recently executed and the modified county-wide MER is still under testing which may inhibit your ability to complete your invoices by the 120 day deadline described in your MAC contract. In response, HCA is extending the invoice deadline for Q3 2015 invoices. This extension also applies to subcontractor invoices. If you have subcontractors, you are responsible for ensuring their invoices are submitted in a timely manner. LHJs must submit their Q3 2015 invoices to HCA no later than February 29, 2016.
