For an NPI Base Location, three addresses are required:

- A **Location** address
- A **Mailing** address
- A **Pay to** address
- Mailing and pay to addresses are subordinate to the location address. If a Base Location is not identified, the BPW step will be “incomplete.”
• As addresses are being added under locations, do not enter an end date in the End Date field for any of these addresses. The end date is system generated and will auto populate to 12/31/2999.

• Be sure to complete all required fields marked with an asterisk, such as Phone Number.

• Additional optional fields to complete are Fax Number, Cell Phone Number, and Communications Preference using the dropdown (if email is chosen, an email address is required).
