About this publication

This publication supersedes all previous DSHS Vision Care Billing Instructions and Numbered Memos published by the Washington State Department of Social and Health Services, Health and Recovery Services Administration.

DSHS encourages Vision Care Providers to also refer to the current version of the Physician-Related Services (RBRVS) Billing Instructions for further billing codes.

Note: The effective date and publication date for any particular page of this document may be found at the bottom of the page.

# Important Contacts

A provider may use DSHS’s toll-free lines for questions regarding its program. However, DSHS’s response is based solely on the information provided to DSHS’s representative at the time of inquiry, and in no way exempts a provider from following the laws and rules that govern DSHS’s programs. [WAC 388-502-0020 (2)].

## How can I use the Internet to…

### Find information on becoming a DSHS provider?

Visit Provider Enrollment at: [http://maa.dshs.wa.gov/provrel](http://maa.dshs.wa.gov/provrel)

Click *Sign up to be a DSHS WA state Medicaid provider* and follow the on-screen instructions.

### Ask questions about the status of my provider application?

Visit Provider Enrollment at: [http://maa.dshs.wa.gov/provrel](http://maa.dshs.wa.gov/provrel)

- Click *Sign up to be a DSHS WA state Medicaid provider*
- Click *I want to sign up as a DSHS Washington State Medical provider*
- Click *What happens once I return my application?*

### Submit a change of address or ownership?

Visit Provider Enrollment at: [http://maa.dshs.wa.gov/provrel](http://maa.dshs.wa.gov/provrel)

- Click *I’m already a current Provider*
- Click *I want to make a change to my provider information*

## Find out about payments, denials, claims processing, or DSHS managed care organizations?

Visit the Customer Service Center for Providers at: [http://maa.dshs.wa.gov/provrel](http://maa.dshs.wa.gov/provrel)

- Click *I’m already a current Provider*
- Click *Frequently Asked Questions*

or call/fax:

Where do I send paper claims?

Claims Processing
PO Box 9248
Olympia, WA  98507-9248
Definitions & Abbreviations

This section defines terms and abbreviations, including acronyms, used in these billing instructions. Please refer to DSHS’s General Information Booklet (http://maa.dshs.wa.gov/download/BillingInstructions/General_Information_BI.pdf) for a more complete list of definitions.

**Authorization** - DSHS official approval for action taken for, or on behalf of, an eligible Medical Assistance client. This approval is only valid if the client is eligible on the date of service.

**Authorization number** - A 9-digit number assigned by DSHS that identifies individual requests for services or equipment. The same authorization number is used throughout the history of the request, whether it is approved, pended, or denied.

**Blindness** - A diagnosis of visual acuity for distance vision of 20/200 or worse in the better eye with best correction or a limitation of the client’s visual field (widest diameter) subtending an angle of less than 20 degrees from central. [WAC 388-544-0050]

**Client** - An applicant for, or recipient of, DSHS medical care programs.

**Conventional soft contact lenses or rigid gas permeable contact lenses** - Federal Drug Administration (FDA)-approved contact lenses that do not have a scheduled replacement (discard and replace with new contacts) plan. The soft lenses usually last one year, and the rigid gas permeable lenses usually last two years. Although some of these lenses are designed for extended wear, DSHS generally approves only those lenses that are designed to be worn as daily wear (remove at night). [WAC 388-544-0050]

**Department** - The state Department of Social and Health Services (DSHS).

**Disposable contact lenses** - FDA-approved contact lenses that have a planned replacement schedule (e.g., daily, every two weeks, monthly, quarterly). The contacts are then discarded and replaced with new ones as scheduled. Although many of these lenses are designed for extended wear, DSHS generally approves only those lenses that are designed to be worn as daily wear (remove at night). [WAC 388-544-0050]

**Expedited prior authorization (EPA)** - A form of authorization used by the provider to certify that the DSHS-published clinical criteria for a specific vision care service(s) have been met. [WAC 388-544-0050]

**Expedited prior authorization number** - A 9-digit number created by the provider to bill DSHS for diagnoses, procedures, and services that meet DSHS’s EPA criteria.

- The first 6 digits of the EPA number must be 870000;
- The last 3 digits must be the code number of the diagnostic condition, procedure, or service that meets the EPA criteria.
Extended wear soft contacts - Contact lenses that are designed to be worn for longer periods than daily wear (remove at night) lenses. These can be conventional soft or disposable lenses designed to be worn for several days and nights before removal.

Hardware - Eyeglass frames and lenses and contact lenses. [WAC 388-544-0050]

Health and Recovery Services Administration (HRSA) - The administration within DSHS authorized by the secretary to administer the acute care portion of Title XIX Medicaid, Title XXI State Children's Health Insurance Program (SCHIP), Title XVI Supplemental Security Income for the Aged, Blind, and Disabled (SSI), and the state-funded medical care programs, with the exception of certain nonmedical services for persons with chronic disabilities.

ICD-9 CM Diagnosis Codes – Classifies morbidity and mortality information for statistical purposes, indexing of hospital records by disease and operations, data storage, and retrieval. The disease classification has been expanded to include health-related conditions and to provide greater specificity at the fifth-digit level of detail. These fifth digits are not optional; they are intended for use in recording the information substantiated in the clinical record.

Limitation extension - A process for requesting and approving reimbursement for covered services whose proposed quantity, frequency, or intensity exceeds that which DSHS routinely reimburses. Limitation extensions require prior authorization.

Managed care - A comprehensive health care delivery system that includes preventive, primary, specialty, and ancillary services. These services are provided through either a managed care organization (MCO) or primary care case management (PCCM) provider. [WAC 388-538-050]

Medicaid - The state and federally funded aid program that covers the Categorically Needy (CNP) and Medically Needy (MNP) programs.

Medically necessary - A term for describing a requested service which is reasonably calculated to prevent, diagnose, correct, cure, alleviate or prevent worsening of conditions in the client that endanger life, or cause suffering or pain, or result in an illness or infirmity, or threaten to cause or aggravate a handicap, or cause physical deformity or malfunction. There is no other equally effective, more conservative or substantially less costly course of treatment available or suitable for the client requesting the service. For the purpose of this section, "course of treatment" may include mere observation or, where appropriate, no treatment at all.

Prior authorization - A form of authorization used by the provider to obtain DSHS’s written approval for a specific vision care service(s). DSHS’s approval is based on medical necessity and must be received before the service(s) are provided to clients as a precondition for payment. [WAC 388-544-0050]
Provider or provider of service - An institution, agency, or person:

- Who has a signed Core Provider Agreement with the department to furnish medical care, goods, and/or services to clients; and
- Is eligible to receive payment from the department.

Specialty contact lens design - Custom contact lenses that have a more complex design than a standard spherical lens. These specialty contact lenses (e.g., lenticular, aspheric, or myodisc) are designed for the treatment of specific disease processes, such as keratoconus, or are required due to high refractive errors. This definition of specialty contact lens does not include lenses used for surgical implantation. [WAC 388-544-0050]

Stable visual condition - A client's eye condition has no acute disease or injury; or the client has reached a point after any acute disease or injury where the variation in need for refractive correction has diminished or steadied. The client's vision condition has stabilized to the extent that eyeglasses or contact lenses are appropriate and that any prescription for refractive correction is likely to be sufficient for one year or more. [WAC 388-544-0050]

Usual and customary fee - The rate that may be billed to DSHS for a certain service or equipment. This rate may not exceed:

1) The usual and customary charge billed to the general public for the same services; or
2) If the general public is not served, the rate normally offered to other contractors for the same services.

Visual field exam or testing - A process to determine defects in the field of vision and test the function of the retina, optic nerve and optic pathways. The process may include simple confrontation to increasingly complex studies with sophisticated equipment. [WAC 388-544-0050]

This page intentionally left blank.
About the Program

What Is the Purpose of the Vision Care Program?

The purpose of DSHS’s Vision Care program is to provide the following vision care services and hardware to eligible DSHS clients:

- Eye care services (eye examinations, refractions, etc.);
- Prescription eyeglasses (frames and lenses);
- Contact lenses;
- Ocular prosthetics; and
- Eye surgery.

General Guidelines [Refer to WAC 388-544-0010 (1)]

DSHS covers the vision care services listed in these billing instructions, according to DSHS rules and subject to the limitations and requirements found in Section C of these billing instructions. DSHS pays for vision care when it is:

- Covered;
- Within the scope of the eligible client's medical care program;
- Medically necessary (see Definitions);
- Authorized, as required within these billing instructions, any applicable numbered memos, and Chapters 388-501 and 388-502 WAC; and
- Billed according to these billing instructions, any applicable numbered memos, and Chapters 388-501 and 388-502 WAC.
Prior Authorization [Refer to WAC 388-544-0010 (2) and (3)]

- Prior authorization (PA) is a form of authorization used by the provider to obtain DSHS’s written approval for a specific vision care service(s). DSHS’s approval is based on medical necessity and must be received before the service(s) are provided to clients as a precondition for payment.

- DSHS does not require PA for covered vision care services that meet the clinical criteria found in Section C of these billing instructions.

- DSHS requires PA for covered vision care services when the clinical criteria found in Section C of these billing instructions are not met, including the criteria associated with the expedited prior authorization (EPA) process. Please note that authorization requirements are not a denial of service.

- For PA, a provider must submit a written request to DSHS (see Section D). DSHS evaluates these requests on a case-by-case basis to determine whether they are medically necessary, according to the process found in WAC 388-501-0165.

Provider Requirements [WAC 388-544-0150 (1)]

Enrolled/contracted eye care providers must:

- Meet the requirements in Chapter 388-502 WAC;

- Provide only those services that are within the scope of the provider’s license;

- Obtain all hardware, including the tinting of eyeglass lenses, and contact lenses for DSHS clients from DSHS’s designated supplier. See Section E for more information; and

- Return all unclaimed hardware and contact lenses to DSHS’s designated supplier using a postage-paid envelope furnished by the supplier.

Note: Please check the accuracy of all prescriptions and order forms submitted to DSHS’s contracted provider.
Who Is Eligible to Provide Vision Care Services to DSHS Clients? [WAC 388-544-0150 (2)]

The following providers are eligible to enroll/contract with DSHS to provide and bill for vision care services furnished to eligible clients:

- Ophthalmologists;
- Optometrists;
- Opticians; and
- Ocularists.
This page intentionally left blank.
Client Eligibility

Who Is Eligible for Vision Care? [Refer to WAC 388-544-0100 (1)]

Clients with one of the following medical program identifiers on their DSHS Medical Identification cards are eligible for vision care:

<table>
<thead>
<tr>
<th>Medical Program Identifier</th>
<th>Medical Program Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>CNP</td>
<td>Categorically Needy Program</td>
</tr>
<tr>
<td>CNP</td>
<td>Children’s Health Program</td>
</tr>
<tr>
<td>CNP CHIP</td>
<td>Categorically Needy Program – State Children’s Health Insurance Program</td>
</tr>
<tr>
<td>LCP – MNP</td>
<td>Limited Casualty Program – Medically Needy Program</td>
</tr>
<tr>
<td>GA-U No Out of State Care</td>
<td>General Assistance-Unemployable – No Out-of-State Care, except in designated bordering cities</td>
</tr>
<tr>
<td>General Assistance</td>
<td>ADATSA No Out-of-State Care, except in designated bordering cities</td>
</tr>
<tr>
<td>QMB-Medicare Only</td>
<td>Qualified Medicare Beneficiary – Medicare Only</td>
</tr>
</tbody>
</table>

Limited Coverage:

- DSHS covers vision care under the Emergency Medical Only program [may also be referred to as the Alien Emergency Medical (AEM) program] only when the services are directly related to an emergency medical condition, and prior authorization is obtained.

- For Qualified Medicare Beneficiary only (QMB Medicare Only) clients, DSHS pays for vision care only when Medicare allows the service and has made a payment or applied the payment to the client’s deductible.
DSHS Managed Care Clients [Refer to WAC 388-544-0100 (2)]

Clients with an identifier in the HMO column on their DSHS Medical ID cards are enrolled in one of DSHS’s managed care plans and are covered for vision care services as follows:

- **Eye exams, refractions, and/or visual fields** must be requested and provided directly through the client’s managed care plan. Clients can contact their plans by calling the telephone number listed on their Medical ID card;

- **Eyeglass frames, lenses, and contact lenses** must be ordered from DSHS’s contractor. These items are paid through fee-for-service. Refer to Section E – *Where and How do I Order?* Use the guidelines found in this billing instruction for clients enrolled in a DSHS managed care plan.

Primary Care Case Management (PCCM) clients will have the PCCM identifier in the HMO column on their Medical ID Cards. Please make sure these clients have been referred by their PCCM prior to receiving services. The referral number is required in field 17a on the CMS-1500 claim form.

**Note:** For further information on DSHS’s managed care plans, see DSHS’s website: [http://maa.dshs.wa.gov/HealthyOptions](http://maa.dshs.wa.gov/HealthyOptions).
Coverage
Examinations, Refractions, Visual Field Testing, and Vision Therapy

Eye Examinations and Refraction Services
[Refer to WAC 388-544-0250 (1)]

DSHS covers, without prior authorization (PA), eye examinations and refraction services with the following limitations:

• Once every 24 months for asymptomatic clients 21 years of age or older;

• Once every 12 months for asymptomatic clients 20 years of age or younger; or

• Once every 12 months, regardless of age, for asymptomatic clients of the Division of Developmental Disabilities.

Does DSHS Cover Additional Examinations and Refraction Services? [Refer to WAC 388-544-0250 (2)]

Yes! DSHS covers additional examinations and refraction services outside the limitations described above when:

• The provider is diagnosing or treating the client for a medical condition that has symptoms of vision problems or disease;

• The client is on medication that affects vision; or

• The service is necessary due to lost or broken eyeglasses/contacts. In this case:

✓ Authorization is not required for clients 20 years of age or younger or for clients of the Division of Developmental Disabilities, regardless of age.

✓ Providers must follow DSHS’s expedited prior authorization (EPA) process to receive payment for clients 21 years of age or older. See EPA # 610 in Section D – Authorization. Providers must also document the following in the client's file:

➢ The eyeglasses or contacts are lost or broken; and
➢ The last examination was at least 18 months ago.
Visual Field Exams [Refer to WAC 388-544-0250 (3)]

DSHS covers visual field exams for the diagnosis and treatment of abnormal signs, symptoms, or injuries. Providers must document all of the following in the client's record:

- The extent of the testing;
- Why the testing was reasonable and necessary for the client; and
- The medical basis for the frequency of testing.

Vision Therapy [Refer to WAC 388-544-0250 (4)]

DSHS covers vision therapy which involves a range of treatment modalities including:

- Lenses;
- Prisms;
- Filters;
- Occlusion or patching; and
- Eye exercises/vision training/orthoptics/pleoptics, which are used for eye movement and fixation training.

DSHS requires PA for eye exercises/vision training/orthoptics/pleoptics.
Coverage

Eyeglasses (Frames and/or Lenses) [Refer to WAC 388-544-0300 (1)]

DSHS covers eyeglasses, without prior authorization (PA), as follows:

- When the following clinical criteria are met:
  - The client has a stable visual condition;
  - The client's treatment is stabilized;
  - The prescription is less than 18 months old; and
  - One of the following minimum correction needs in at least one eye is documented in the client's file:
    - Sphere power equal to, or greater than, plus or minus 0.50 diopter;
    - Astigmatism power equal to, or greater than, plus or minus 0.50 diopter; or
    - Add power equal to, or greater than, 1.0 diopter for bifocals and trifocals.

- With the following limitations:
  - Once every 24 months for clients 21 years of age or older;
  - Once every 12 months for clients 20 years of age or younger; or
  - Once every 12 months, regardless of age, for clients of the Division of Developmental Disabilities.

Accommodative Esotropia or Strabismus [WAC 388-544-0300 (2)]

DSHS covers eyeglasses (frame/lenses), without PA, for clients who are 20 years of age or younger with a diagnosis of accommodative esotropia or any strabismus correction. In this situation, the client is not subject to the clinical criteria listed in “Eyeglasses (Frames and/or Lenses).”
Back-up Eyeglasses [Refer to WAC 388-544-0300 (3)]

DSHS covers one pair of back-up eyeglasses for clients who wear contact lenses as their primary visual correction aid (see Contact Lenses, page C.11) with the following limitations:

- Once every 6 years for clients 20 years of age or older;
- Once every 2 years for clients 20 years of age or younger or regardless of age for clients of the Division of Developmental Disabilities.

Durable or Flexible Frames [Refer to WAC 388-544-0325 (1)]

DSHS covers durable or flexible frames, without PA, when the client has a diagnosed medical condition that has contributed to two or more broken eyeglass frames in a 12-month period. To receive payment, the provider must:

- Follow DSHS’s expedited prior authorization (EPA) process. See EPA # 619 and EPA #620 in Section D – Authorization; and
- Order the "durable" or "flexible" frames through DSHS’s designated supplier.

Coating of Frames and Incidental Repairs
[Refer to WAC 388-544-0325 (2)]

DSHS covers all of the following, without PA:

- Coating contract eyeglass frames to make the frames nonallergenic. Clients must have a medically diagnosed and documented allergy to the materials in the available eyeglass frames.
- Incidental repairs to a client's eyeglass frames. To receive payment, all of the following must be met:
  - The provider typically charges the general public for the repair or adjustment;
  - The contractor's one-year warranty period has expired;
  - The cost of the repair does not exceed DSHS’s cost for replacement frames and a fitting fee; and
  - The frequency of the repair does not exceed two per client in a six-month period. This limit does not apply to clients 20 years of age or younger or to clients of the Division of Developmental Disabilities, regardless of age.
Replacement Frames [Refer to WAC 388-544-0325 (3)]

DSHS covers replacement eyeglass frames that have been lost or broken as follows:

- Authorization is not required for clients 20 years of age or younger or for clients of the Division of Developmental Disabilities.

- To receive payment for clients 21 years of age or older, excluding clients of the Division of Developmental Disabilities, providers must follow DSHS’s EPA process. See EPA # 618 in Section D – Authorization.
Coverage
Eyeglass Lenses and Services

Eyeglass Lenses and Services [Refer to WAC 388-544-0350 (1)(2)]

DSHS covers the following plastic scratch-resistant eyeglass lenses without prior authorization (PA):

- Single vision lenses;
- Round or flat top D-style bifocals;
- Flat top trifocals; and
- Slab-off and prism lenses (including Fresnel lenses).

Note: DSHS’s contractor supplies all plastic eyeglass lenses with a scratch-resistant coating.

High Index Eyeglass Lenses [Refer to WAC 388-544-0350 (3)(a)]

DSHS covers, without PA, high index lenses when the client’s medical need in at least one eye is diagnosed and documented as:

- A spherical refractive correction of plus or minus 6.0 diopters or greater; or
- A cylinder correction of plus or minus 3.0 diopters or greater.

To receive payment, providers must follow the Expedited Prior Authorization (EPA) process. See EPA # 625 in Section D- Authorization.
Plastic Photochromatic Lenses [Refer to WAC 388-544-0350 (3)(b)]

DSHS covers, without PA, plastic photochromatic lenses when the client’s medical need is diagnosed and documented as either of the following:

<table>
<thead>
<tr>
<th>Medical Problems</th>
<th>ICD-9-CM Diagnosis Codes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ocular Albinism</td>
<td>270.2</td>
</tr>
<tr>
<td>Retinitis pigmentosa</td>
<td>362.74</td>
</tr>
</tbody>
</table>

Polycarbonate Lenses [Refer to WAC 388-544-0350 (3)(c)]

DSHS covers, without PA, polycarbonate lenses for:

- Clients of the Division of Developmental Disabilities.
- Clients not of the Division of Developmental Disabilities as follows:

<table>
<thead>
<tr>
<th>Medical Problems</th>
<th>ICD-9-CM Diagnosis Codes</th>
</tr>
</thead>
<tbody>
<tr>
<td>For clients who are blind in one eye and need protection for the other eye, regardless of whether a vision correction is required</td>
<td>369.60 - 369.69</td>
</tr>
<tr>
<td></td>
<td>369.70 - 369.76</td>
</tr>
<tr>
<td>For infants and toddlers with motor ataxia</td>
<td>331.89, 781.2</td>
</tr>
<tr>
<td></td>
<td>334.0-334.3, 334.8-334.9, 781.3</td>
</tr>
<tr>
<td>For clients 20 years of age or younger who are diagnosed with strabismus</td>
<td>378.00 - 378.9</td>
</tr>
<tr>
<td>For clients 20 years of age or younger who are diagnosed with amblyopia</td>
<td>368.01 - 368.03</td>

</tbody>
</table>
Replacing Bifocal or Trifocal Lenses
[Refer to WAC 388-544-0350 (3)(d)]

DSHS covers, without prior authorization, bifocal lenses to be replaced with single vision or trifocal lenses, or trifocal lenses to be replaced with bifocal or single vision lenses when:

- The client has attempted to adjust to the bifocals or trifocals for at least 60 days;
- The client is unable to make the adjustment; and
- The bifocal or trifocal lenses being replaced are returned to the provider.

Tinting [Refer to WAC 388-544-0350 (4)]

DSHS covers, without PA, the tinting of plastic lenses as follows:

- The client’s medical need must be diagnosed and documented as one or more of the following chronic (expected to last longer than 3 months) eye conditions causing photophobia:

<table>
<thead>
<tr>
<th>Medical Problems</th>
<th>ICD-9-CM Diagnosis Codes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Blindness</td>
<td>369.00 - 369.9</td>
</tr>
<tr>
<td>Chronic corneal keratitis</td>
<td>370.00 - 370.07</td>
</tr>
<tr>
<td>Chronic iritis, iridocyclitis (uveitis)</td>
<td>364.10 - 364.11 364.51 - 364.59</td>
</tr>
<tr>
<td>Diabetic retinopathy</td>
<td>362.01 - 362.06</td>
</tr>
<tr>
<td>Fixed pupil</td>
<td>379.42 -379.43, 379.45-379.46, 379.49</td>
</tr>
<tr>
<td>Glare from cataracts</td>
<td>366.00 - 366.9</td>
</tr>
<tr>
<td>Macular degeneration</td>
<td>362.50 - 362.66</td>
</tr>
<tr>
<td>Migraine disorder</td>
<td>346.00 - 346.91</td>
</tr>
<tr>
<td>Ocular albinism</td>
<td>270.2</td>
</tr>
<tr>
<td>Optic atrophy and/or optic neuritis</td>
<td>377.10 - 377.63</td>
</tr>
<tr>
<td>Rare photo-induced epilepsy conditions</td>
<td>345.00 - 345.91</td>
</tr>
<tr>
<td>Retinitis pigmentosa</td>
<td>362.74</td>
</tr>
</tbody>
</table>

- The tinting must be performed by DSHS’s designated lens supplier.
Replacements Due to Lost or Broken Lenses  
[Refer to WAC 388-544-0350 (5)]

DSHS covers replacement lenses when the lenses are lost or broken as follows:

<table>
<thead>
<tr>
<th>Clients . . .</th>
<th>Prior Authorization?</th>
</tr>
</thead>
<tbody>
<tr>
<td>20 years of age or younger</td>
<td>No.</td>
</tr>
<tr>
<td>of the Division of Developmental Disabilities, regardless of age</td>
<td>No.</td>
</tr>
<tr>
<td>21 years of age or older</td>
<td>No. Providers must follow the expedited prior authorization process. See EPA# 623 in Section D.</td>
</tr>
</tbody>
</table>

Replacements Due to Refractive Changes  [WAC 388-544-0350 (6)]

DSHS covers replacements lenses, without PA, when the client meets one of the following clinical criteria:

- **Eye surgery**, the **effect(s) of prescribed medication**, or **one or more diseases affecting vision**:
  - The client has a stable visual condition. See Definitions section for a definition of *stable visual condition*;
  - The client’s treatment is stabilized;
  - The lens correction must have a 1.0 or greater dioptr change between the sphere or cylinder correction in at least one eye; **and**
  - The previous and new refractions are documented in the client’s record.

To receive payment, providers must follow the EPA process (see Section D – *Authorization EPA# 622*).
• **Headaches, blurred vision, or visual difficulty in school or at work.** In this case, all of the following must be documented in the client’s file:

  ✓ Copy of the current prescription (less than 18 months old);
  ✓ Date of last dispensing, if known;
  ✓ Absence of a medical condition that is known to cause temporary visual acuity changes (e.g., diabetes, pregnancy, etc.); **and**
  ✓ A refractive change of at least .75 diopter or greater between the sphere or cylinder correction in at least one eye.

To receive payment, providers must follow the EPA process. See **EPA# 624** in Section D- *Authorization*. 
Coverage
Contact Lenses and Services

Contact Lenses and Services [Refer to WAC 388-544-0400 (1) (2)]

DSHS covers contact lenses, without prior authorization (PA), as the client’s primary refractive correction method when the client has a spherical correction of plus or minus 6.0 diopters or greater in at least one eye. See next page for exceptions to the plus or minus 6.0 diopters criteria. The spherical correction may be from the prescription for the glasses or the contact lenses and may be written in either “minus cyl” or “plus cyl” form.

DSHS covers the following contact lenses with limitations:

- **Conventional soft or rigid gas permeable** contact lenses that are prescribed for daily wear; or

- **Disposable** contact lenses that are prescribed for daily wear and have a monthly or quarterly planned replacement schedule, as follows:
  - 12 pairs of monthly replacement contact lenses; or
  - 4 pairs of 3-month replacement contact lenses.

<table>
<thead>
<tr>
<th>Medical Problems</th>
<th>ICD-9-CM Diagnosis Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hypermetropia</td>
<td>367.0</td>
</tr>
<tr>
<td>Myopia</td>
<td>367.1</td>
</tr>
</tbody>
</table>

**Note:** HRSA’s opinion is that the prolonged use of overnight wear may increase the risk of corneal swelling and ulceration. Therefore, HRSA approves their use in limited situations where they are used as a therapeutic contact bandage lens or for aphakic clients. [Refer to WAC 388-544-0050]
Soft Toric Contact Lenses [Refer to WAC 388-544-0400 (3)]

DSHS covers soft toric contact lenses, without PA, for clients with astigmatism when the following clinical criteria are met:

- The client's cylinder correction is plus or minus 1.0 diopter in at least one eye; and
- The client has a spherical correction of plus or minus 6.0 diopters or greater in at least one eye.

<table>
<thead>
<tr>
<th>Medical Problems</th>
<th>ICD-9-CM Diagnosis Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>Astigmatism</td>
<td>367.20 - 367.22</td>
</tr>
</tbody>
</table>

Exceptions

DSHS covers contact lenses, without PA, when the following clinical criteria are met. In these cases, the limitations (spherical correction of +/- 6.0 diopters or greater in at least one eye) do not apply:

- For clients diagnosed with high anisometropia.
  - The client's refractive error difference between the two eyes is at least plus or minus 3.0 diopters; and
  - Eyeglasses cannot reasonably correct the refractive errors.

<table>
<thead>
<tr>
<th>Medical Problems</th>
<th>ICD-9-CM Diagnosis Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>High anisometropia</td>
<td>367.31</td>
</tr>
</tbody>
</table>

- Specialty contact lens designs for clients who are diagnosed with one or more of the following:

<table>
<thead>
<tr>
<th>Medical Problems</th>
<th>ICD-9-CM Diagnosis Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>Aphakia</td>
<td>379.31</td>
</tr>
<tr>
<td>743.35</td>
<td></td>
</tr>
<tr>
<td>Keratoconus</td>
<td>371.60-371.62</td>
</tr>
<tr>
<td>743.41</td>
<td></td>
</tr>
<tr>
<td>Corneal softening</td>
<td>371.23</td>
</tr>
</tbody>
</table>

- Therapeutic contact bandage lenses only when needed immediately after eye injury or eye surgery.
Replacement Contact Lenses – Lost or Damaged
[Refer to WAC 388-544-0400 (5)]

DSHS covers replacement contact lenses, limited to once every 12 months, when lost or damaged as follows:

<table>
<thead>
<tr>
<th>Clients. . .</th>
<th>Prior Authorization?</th>
</tr>
</thead>
<tbody>
<tr>
<td>20 years of age or younger</td>
<td>No.</td>
</tr>
<tr>
<td>of the Division of Developmental Disabilities, regardless of age</td>
<td>No.</td>
</tr>
<tr>
<td>21 years of age or older</td>
<td>No. Providers must follow the expedited prior authorization process. See EPA# 627 in Section D.</td>
</tr>
</tbody>
</table>

Replacement Contact Lenses – Surgery/Medication/Disease
[Refer to WAC 388-544-0400 (6)]

DSHS covers replacement contact lenses when all of the clinical criteria are met. DSHS requires authorization as follows:

<table>
<thead>
<tr>
<th>Clients. . .</th>
<th>Prior Authorization?</th>
</tr>
</thead>
<tbody>
<tr>
<td>20 years of age or younger</td>
<td>No.</td>
</tr>
<tr>
<td>of the Division of Developmental Disabilities, regardless of age</td>
<td>No.</td>
</tr>
<tr>
<td>21 years of age or older</td>
<td>No. Providers must follow the expedited prior authorization process. See EPA# 621 in Section D.</td>
</tr>
</tbody>
</table>

The clinical criteria are:

- One of the following caused the vision change:
  - Eye surgery;
  - The effect(s) of prescribed medication; or
  - One or more diseases affecting vision.

(continued on next page.)
• The client has a stable visual condition (see Definitions section – *stable visual condition*);

• The client’s treatment is stabilized; **and**

• The lens correction has a 1.0 or greater diopter change in at least one eye between the sphere or cylinder correction. The previous and new refraction must be documented in the client’s record.
Coverage

Ocular Prosthetics and Surgeries

Ocular Prosthetics [Refer to WAC 388-544-0500]

DSHS covers ocular prosthetics when provided by any of the following:

- An ophthalmologist;
- An ocularist; or
- An optometrist who specializes in prosthetics.

Cataract Surgery [Refer to WAC 388-544-0550 (1)]

DSHS covers cataract surgery, without PA, when the following clinical criteria are met:

- Correctable visual acuity in the affected eye at 20/50 or worse, as measured on the Snellen test chart; or

- One or more of the following conditions:
  - Dislocated or subluxated lens;
  - Intraocular foreign body;
  - Ocular trauma;
  - Phacogenic glaucoma;
  - Phacogenic uveitis;
  - Phacoanaphylactic endophthalmitis; or
  - Increased ocular pressure in a person who is blind and is experiencing ocular pain.
**Surgery for Strabismus** [WAC 388-544-0550 (2)]

DSHS covers strabismus surgery as follows:

<table>
<thead>
<tr>
<th>Clients. . .</th>
<th>Policy</th>
</tr>
</thead>
<tbody>
<tr>
<td>17 years of age or younger</td>
<td>The provider must clearly document the need in the client's record. DSHS does not require authorization.</td>
</tr>
<tr>
<td>18 years of age or older</td>
<td>Covered when the clinical criteria are met. To receive payment, providers must follow the expedited prior authorization (EPA) process. The clinical criteria are:</td>
</tr>
<tr>
<td></td>
<td>• The client has double vision; and</td>
</tr>
<tr>
<td></td>
<td>• The surgery is not being performed for cosmetic reasons.</td>
</tr>
<tr>
<td></td>
<td>To receive payment for clients 18 years of age or older, providers must use DSHS’s EPA process (see DSHS’s Physician-Related Services Billing Instructions, Section I).</td>
</tr>
</tbody>
</table>

**Surgery for Blepharoplasty or Blepharoptosis** [WAC 388-544-0550 (3)]

DSHS covers blepharoplasty or blepharoptosis surgery when all of the clinical criteria are met. To receive payment, providers must follow DSHS’s EPA process. The clinical criteria are:

- The client's excess upper eyelid skin is blocking the superior visual field; and
- The blocked vision is within 10 degrees of central fixation using a central visual field test.
Noncovered Services

What Is Not Covered? [WAC 388-544-0575]

DSHS does not cover the following:

- Executive style eyeglass lenses;
- Bifocal contact lenses;
- Daily and two week disposable contact lenses;
- Extended wear soft contact lenses, except when used as therapeutic contact bandage lenses or for aphakic clients;
- Custom colored contact lenses;
- Services for cosmetic purposes only;
- Glass lenses;
- Group vision screening for eyeglasses;
- Nonglare or anti-reflective lenses;
- Progressive lenses;
- Refractive surgery of any type that changes the eye's refractive error. The intent of the refractive surgery procedure is to reduce or eliminate the need for eyeglass or contact lens corrections; Exception: Intraocular lens implantation following cataract surgery.
- Sunglasses and accessories that function as sunglasses (e.g., "clip-ons"); and
- Upgrades at private expense to avoid DSHS’s contract limitations. For example:
  ✓ Frames that are not available through DSHS’s contract; or
  ✓ Noncontract frames or lenses for which the client or other person pays the difference between DSHS’s payment and the total cost.

Note: A provider may request an exception to rule (ETR) for a noncovered service as described in WAC 388-501-0160. Refer to WAC 388-502-0160 for rules on billing a client.
This page intentionally left blank.
Coverage Table

Due to its licensing agreement with the American Medical Association, DSHS publishes only the official, brief CPT® procedure code descriptions. To view the entire description, please refer to your current CPT book.

Authorization

General Guidelines  [Refer to WAC 388-544-0560]

- DSHS requires providers to obtain authorization for covered vision care services as required in Chapters 388-501 and 388-502 WAC, these billing instructions and numbered memos, or when the required clinical criteria are not met. [WAC 388-544-0560 (1)]

- Please note that authorization requirements are not a denial of service.

- When a service requires authorization, the provider must properly request written authorization in accordance with DSHS’s rules, these billing instructions, and applicable numbered memos.

- When the provider does not properly request authorization, DSHS returns the request to the provider for proper completion and resubmission. DSHS does not consider the returned request to be a denial of service.

- Upon request, a provider must provide documentation to DSHS showing how the client’s condition met the criteria for PA and EPA.

- DSHS’s authorization of service(s) does not necessarily guarantee payment.

Prior Authorization

Prior authorization (PA) is a form of authorization used by the provider to obtain DSHS’s written approval for a specific vision care service(s). DSHS’s approval is based on medical necessity and must be received before the service(s) are provided to clients as a precondition for payment.
Limitation Extensions [Refer to WAC 388-544-0560 (6)]

DSHS evaluates requests for authorization of covered vision care services that exceed limitations in these billing instructions on a case-by-case basis in accordance with WAC 388-501-0169.

The provider must justify that the request is medically necessary for that client.

<table>
<thead>
<tr>
<th>Note:</th>
<th>Requests for limitation extensions must be appropriate to the client’s eligibility and/or program limitations. Not all eligibility programs cover all services.</th>
</tr>
</thead>
<tbody>
<tr>
<td>For example:</td>
<td>Eyeglasses are not covered under the Family Planning Only Program.</td>
</tr>
</tbody>
</table>

Requesting a Limitation Extension

There are two ways to request a limitation extension:

1) **Complete** the Vision Care Authorization Request form, DSHS 13-739. This form is required for any Vision Care authorization request; or

2) Follow the EPA process for certain limitation extensions by using an EPA number. These EPA numbers will be subject to post payment review as in any other authorization process.

**The written request must state the following:**

1. The name and PIC number of the client;
2. The provider’s name, provider number and fax number;
3. Additional service(s) requested;
4. Date of last dispensing and copy of last two prescriptions;
5. The primary diagnosis code and applicable procedure code; and
6. Client-specific clinical justification for additional services.

**Send your written request to:**

Medical Request Coordinator
PO Box 45506
Olympia, WA 98504-5506
Fax: 1-360-586-1471
Note: To view and download a Vision Care Authorization Request form, DSHS 13-739, visit the DSHS Forms and Records Management Service web site: http://www1.dshs.wa.gov/msa/forms/eforms.html.

To have a paper copy sent to you, contact DSHS Forms and Records Management Service at:

- Phone: 1-360-664-6047; or
- Fax: 1-360-664-6186

Include in your request:

- Form number and name (Vision Care Authorization Request form, DSHS 13-739);
- Quantity you want;
- Your name;
- Your office/organization name; and
- Your complete mailing address.
Expedited Prior Authorization (EPA)
[Refer to WAC 388-544-0560]

The Expedited Prior Authorization (EPA) process allows providers to apply DSHS’s clinical criteria and certify medical necessity. DSHS establishes clinical criteria and identifies the criteria with specific codes. Providers then create an EPA number using those authorization codes.

To bill DSHS for diagnoses, procedures and services that meet the EPA criteria on the following pages, the provider must create a 9-digit EPA number. The first six digits of the EPA number must be **870000**. The last 3 digits must be the code assigned to the diagnostic condition, procedure, or service that meets the EPA criteria in this section. Enter the EPA number in field **23** on the hard copy billing form, or in the Authorization or Comments field when billing electronically.

**Example:** The 9-digit authorization number for an exam for an adult client, who has had an exam 20 months ago but now has lost his or her glasses, would be **870000610**.

- **870000** = first six digits of all expedited prior authorization numbers
- **610** = last three digits of an EPA number indicating the service and which criteria the case meets

- DSHS denies payment for vision care claims submitted without the required EPA number, or the appropriate diagnosis, procedure code, or service as indicated by the last three digits of the EPA number.

- DSHS may recoup any payment made to a provider if DSHS later determines that the service was not properly authorized or did not meet the EPA criteria. Refer to WAC 388-502-0100(1)(c) and WAC 388-544-0560(7).

- When a client’s situation does not meet the EPA criteria for vision care a provider must request prior authorization.

See Expedited Prior Authorization Criteria Coding List on next page…

Where and How Do I Order?

Who is DSHS’s eyeglass contractor?

DSHS’s vision hardware contractor is Airway Optical, which is part of the Washington State Department of Correctional Industries.

Providers must obtain all hardware through Airway Optical. DSHS does not pay any other optical manufacturer or provider for frames, lens, or contact lenses.

[Refer to WAC 388-544-0150]

Send or fax completed prescriptions and/or purchase orders for sample kits, eyeglass frames, eyeglass lenses, and contact lenses to:

Airway Optical
11919 West Sprague Avenue
PO Box 1959
Airway Heights, WA  99001-1959
Customer Service:  1-888-606-7788 (toll free)
Fax:  1-888-606-7789 (toll free)
General Ordering Information

- **Call Airway Optical for prescription order forms**, toll-free numbers –
  Phone: 1-888-606-7788 or Fax: 1-888-606-7789.

- All prescriptions must be legible. Include the provider's number, name, and return address. **For timely processing, all information on the prescription must be completed.**

- Airway Optical does not accept Medical ID cards that have been altered in any way other than the removal or blacking out of personal information (e.g., SSN, address, client phone number). Hardware order date must fall within the eligibility dates on the Medical ID card. **Example:** If the provider orders contacts for a client on September 26, the attached Medical ID card must be for the month of September.

- Airway Optical ships the eyeglasses to the provider.

- Mail eyeglass orders, along with a copy of the client's Medical ID card, to the contractor. You may also fax orders and copies of DSHS Medical ID cards. Airway Optical must receive a legible fax of the Medical ID card. Keep a copy of the order on file, along with the verification of the fax order.

- Include the appropriate ICD-9-CM diagnosis code (and EPA number, if applicable) on all order forms for eyeglasses and contact lenses. If this information is not included on the form, the contractor is required to reject and return the order.

- Airway Optical rejects and returns orders for clients for whom DSHS has already purchased a pair of lenses and/or complete frames or contact lenses within the applicable benefit period (12 or 24 months, as appropriate).

- DSHS requires Airway Optical to process prescriptions within 10 working days, including shipping and handling time, after receipt of a **properly** completed order. DSHS allows up to 20 working days for completing orders for specialty eyeglass lenses or contact lenses. Airway Optical must notify the provider when a prescription cannot be processed within either of these specified delivery timeframes.

- To obtain general information, or to inquire about overdue prescriptions, call Airway Optical at 1-888-606-7788 or fax the request to Airway at 1-888-606.7789. Please have the medical record number ready when you call. **Airway Optical's phone number is for provider use only.** Airway Optical cannot check a client’s eligibility. For questions regarding client eligibility, call DSHS at 1-800-562-3022.

- Airway Optical bills DSHS directly for all hardware for DSHS clients.
Billing

What Are the General Billing Requirements?

Providers must follow the general billing requirement in DSHS’s [General Information Booklet](http://maa.dshs.wa.gov/download/BillingInstructions/General_Information_BI.pdf). These billing requirements include, but are not limited to:

- Time limits for submitting and resubmitting claims;
- What fee to bill DSHS for eligible clients;
- When providers may bill a client;
- How to bill for services provided to primary care case management (PCPM) clients;
- Billing for clients eligible for both Medicare and Medicaid;
- Third-party liability; and
- Record keeping requirements.

Special Instructions for Vision Care Services

**Special Ophthalmological Services - Bilateral Indicator:** DSHS considers special ophthalmological services to be bilateral if they are routinely provided on both eyes. This includes CPT code 92015, determination of refractive state. Do not use bilateral modifier 50 or modifiers LT and RT for these services since payment is based on a bilateral procedure.

**Billing for Ocular Prosthetics:** Refer to DSHS’s Physician-Related Services Fee Schedule for a complete list of CPT codes and maximum allowable fees. Refer to DSHS’s Vision Care Fee Schedule for HCPCS procedure codes and maximum allowable fees.

**Reporting Diagnoses:** DSHS requires a diagnosis for a medical condition. The diagnosis assigned to a procedure is the first-level justification for that procedure.

**Note:** Use ICD-9-CM diagnosis code V72.0 (Examination of eyes and vision) only for eye exams in which no problems were found.
**Vision Care**

**E & M Procedure Codes:** Use evaluation and management (E&M) codes for eye examinations for a medical problem, **not** for the prescription of eyeglasses or contact lenses. ICD-9-CM diagnosis codes 367.0-367.9 and "V" codes are **not** appropriate when billing E&M services.

**DSHS does not pay for:**

- E&M codes and an eye exam on the same day;
- Nursing home visits and an eye exam on the same day; or
- Any services with prescriptions over two years old;

**Modifier 55 for Optometrists:** When billing follow-up for surgery procedures, use the surgery code and modifier 55 to bill DSHS.

- **Billing:** Since payment for the surgical procedure codes with modifier 55 is a one-time payment covering the postoperative period, DSHS denies any claims submitted for related services provided during that period. You must bill any other specific problems treated during that period using modifier 25.

- **Payment:** The amount allowed for postoperative management is based on the Physician-Related Services Fee Schedule.

**Billing for Vision Care Services Provided to Clients Eligible for Both Medicare Part B and Medicaid**

- Bill Medicare first for eye examinations and services that Medicare covers.
- Bill DSHS for refractions and fitting fees. Medicare does not cover these services.
- If Medicare denies a service, submit the claim to DSHS on the CMS-1500 Claim Form with the Medicare denial (EOMB) attached. DSHS will review the Medicare denial on a case-by-case basis and determine payment.

Refer to DSHS’s [General Information Booklet, Section H](http://maa.dshs.wa.gov/download/BillingInstructions/General_Information_BI.pdf), for further instructions on how to bill for clients eligible for both Medicare Part B and Medicaid.
Completing the CMS-1500 Claim Form

Note: DSHS encourages providers to make use of electronic billing options. For information about electronic billing, refer to the Important Contacts section.

Refer to DSHS's General Information Booklet (http://maa.dshs.wa.gov/download/BillingInstructions/General_Information_BI.pdf) for instructions on completing the CMS-1500 claim form.

For questions regarding claims information, contact DSHS at:
http://maa.dshs.wa.gov/provrel
call DSHS toll-free:

1-800-562-3022
Payment

[Refer to WAC 388-544-0600]

Payment Information

- To receive payment, vision care providers must bill DSHS according to the conditions of payment found in these billing instructions. See Billing - Section F for more information.

- DSHS pays 100% of the DSHS contract price for covered eyeglass frames, lenses, and contact lenses when these items are obtained through DSHS’s approved contractor. See Where and How Do I Order? – Section E for more information.

Fee Schedule

You may access DSHS’s Vision Care Fee Schedule at: http://maa.dshs.wa.gov/RBRVS/Index.html.
