Medicaid Provider Guide

Vision Hardware for Clients 20 Years of Age and Younger
[Chapter 182-544 WAC]

Washington State
Health Care Authority

A Billing Instruction

Copyright Disclosure

Current Procedural Terminology (CPT™) five digit codes, descriptions, and other data only are copyright 2010 American Medical Association (AMA). All Rights Reserved. No fee schedules, basic units, relative values or related listings are included in CPT. AMA does not directly or indirectly practice medicine or dispense services. AMA assumes no liability for data contained or not contained herein.

About this publication

This publication supersedes all previous *Agency Vision Care Billing Instructions* and Numbered Memos published by the Washington State Health Care Authority.

The Agency encourages Vision Care Providers to also refer to the current *Physician-Related Services/Healthcare Professional Services Billing Instructions* for further billing codes.

Note: The Agency now reissues the entire billing manual when making updates, rather than just a page or section. The effective date and revision history are now at the front of the manual. This makes it easier to find the effective date and version history of the manual.

Effective Date

The effective date of this publication is: **07/01/2011**.

Revision History

This publication has been revised by:

Effective Date/Reason for Change	Section/ Page No.	Subject	Change
7/1/11 Legislative change in benefits.	C.3	Coverage Section	Add a limitation (for flexible and safe frames only) for EPA #611 Miraflex frames.
	D.4	EPA Criteria Coding List	Add a limitation (for flexible and safe frames only) for EPA #611 Miraflex frames.
	E.2	Where and How Do I Order?	Delete references to adult client eyewear under the heading "General Ordering Information".

How Can I Get Agency Provider Documents?

To download and print Agency provider numbered memos and billing instructions, go to the Agency website at <http://hrsa.dshs.wa.gov> (click the *Billing Instructions and Numbered Memorandum* link).

See the <i>Agency Resources Available</i> web page at: http://hrsa.dshs.wa.gov/Download/Resources_Available.html</p>

Definitions & Abbreviations

This section defines terms and abbreviations, including acronyms, used in these billing instructions. Please refer to the Agency *Glossary* at: http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide/Glossary.pdf for a more complete list of definitions.

Authorization number - A 9-digit number assigned by the Agency that identifies individual requests for services or equipment. The same authorization number is used throughout the history of the request, whether it is approved, pending, or denied.

Blindness - A diagnosis of visual acuity for distance vision of 20/200 or worse in the better eye with best correction or a limitation of the client's visual field (widest diameter) subtending an angle of less than 20 degrees from central. [WAC 388-544-0050]

Conventional soft contact lenses or rigid gas permeable contact lenses - Federal Drug Administration (FDA)-approved contact lenses that do not have a scheduled replacement (discard and replace with new contacts) plan. The soft lenses usually last one year, and the rigid gas permeable lenses usually last two years. Although some of these lenses are designed for extended wear, the Agency generally approves only those lenses that are designed to be worn as daily wear (remove at night). [WAC 388-544-0050]

Disposable contact lenses - FDA-approved contact lenses that have a planned replacement schedule (e.g., daily, every two weeks, monthly, quarterly). The contacts are then discarded and replaced with new ones as scheduled. Although many of these lenses are designed for extended wear, the Agency generally approves only those lenses that are designed to be worn as daily wear (remove at night). [WAC 388-544-0050]

Expedited prior authorization (EPA) - A form of authorization used by the provider to certify that the Agency-published clinical criteria for a specific vision care service(s) have been met. [WAC 388-544-0050]

Expedited prior authorization number - A 9-digit number created by the provider to bill the Agency for diagnoses, procedures, and services that meet the Agency's EPA criteria.

- The first 6 digits of the EPA number must be **870000**;
- The last 3 digits must be the code number of the diagnostic condition, procedure, or service that meets the EPA criteria.

Vision Hardware for Clients 20 Years of Age and Younger

Extended wear soft contacts - Contact lenses that are designed to be worn for longer periods than daily wear (remove at night) lenses. These can be conventional soft or disposable lenses designed to be worn for several days and nights before removal.

Hardware - Eyeglass frames and lenses and contact lenses. [WAC 388-544-0050]

ICD-9 CM Diagnosis Codes – Classifies morbidity and mortality information for statistical purposes, indexing of hospital records by disease and operations, data storage, and retrieval. The disease classification has been expanded to include health-related conditions and to provide greater specificity at the fifth-digit level of detail. These fifth digits are not optional; they are intended for use in recording the information substantiated in the clinical record.

Limitation extension - A process for requesting and approving reimbursement for covered services whose proposed quantity, frequency, or intensity exceeds that which the Agency routinely reimburses. Limitation extensions require prior authorization.

Medically necessary – See WAC 388-500-0005.

Prior authorization - A form of authorization used by the provider to obtain the Agency's written approval for a specific vision care service(s). The Agency's approval is based on medical necessity and must be received before the service(s) are provided to clients as a precondition for payment. [WAC 388-544-0050]

Specialty contact lens design - Custom contact lenses that have a more complex design than a standard spherical lens. These specialty contact lenses (e.g., lenticular, aspheric, or myodisc) are designed for the treatment of specific disease processes, such as keratoconus, or are required due to high refractive errors. This definition of specialty contact lens does not include lenses used for surgical implantation. [WAC 388-544-0050]

Stable visual condition - A client's eye condition has no acute disease or injury; or the client has reached a point after any acute disease or injury where the variation in need for refractive correction has diminished or steadied. The client's vision condition has stabilized to the extent that eyeglasses or contact lenses are appropriate and that any prescription for refractive correction is likely to be sufficient for one year or more. [WAC 388-544-0050]

Usual and customary fee - The rate that may be billed to the Agency for a certain service or equipment. This rate may not exceed:

- 1) The usual and customary charge billed to the general public for the same services; or
- 2) If the general public is not served, the rate normally offered to other contractors for the same services.

Visual field exam or testing - A process to determine defects in the field of vision and test the function of the retina, optic nerve and optic pathways. The process may include simple confrontation to increasingly complex studies with sophisticated equipment. [WAC 388-544-0050]

About the Program

Scope of Program [Chapter 388-544 WAC]

These billing instructions apply to eligible clients who are 20 years of age and younger.

What Is the Purpose of the Program?

The purpose of the program is to provide the following hardware to eligible Agency clients 20 Years of age and younger:

- Ocular prosthetics;
- Prescription eyeglasses (frames and lenses); and
- Contact lenses.

General Guidelines [Refer to WAC 388-544-0010 (1)]

The Agency covers the vision hardware listed in these billing instructions, according to Agency rules and subject to the limitations and requirements found in Section C of these billing instructions. The Agency pays for vision hardware when it is:

- Covered;
- Within the scope of the eligible client's medical care program;
- Medically necessary (see *Definitions & Abbreviations*);
- Authorized, as required within these billing instructions, any applicable numbered memos, and Chapters 388-501 and 388-502 WAC; and
- Billed according to these billing instructions, any applicable numbered memos, and Chapters 388-501 and 388-502 WAC.

Prior Authorization [Refer to WAC 388-544-0010 (2) and (3)]

- Prior authorization (PA) is a form of authorization used by the provider to obtain the Agency's written approval for a specific vision hardware. The Agency's approval is based on medical necessity and must be received before the service(s) are provided to clients as a precondition for payment.
- The Agency does *not* require PA for covered vision hardware that meet the clinical criteria found in Section C of these billing instructions.
- The Agency requires PA for covered vision hardware when the clinical criteria found in Section C of these billing instructions are not met, including the criteria associated with the expedited prior authorization (EPA) process. Please note that authorization requirements are not a denial of service.
- For PA, a provider must submit a written request to the Agency (see Section D). The Agency evaluates these requests on a case-by-case basis to determine whether they are medically necessary, according to the process found in WAC 388-501-0165.

Provider Requirements [WAC 388-544-0150 (1)]

Enrolled/contracted eye care providers must:

- Meet the requirements in Chapter 388-502 WAC;
- Provide only those services that are within the scope of the provider's license;
- Obtain all hardware, including the tinting of eyeglass lenses, and contact lenses for Agency clients from the Agency's designated supplier. See Section E for more information; and
- Return all unclaimed hardware and contact lenses to the Agency's designated supplier using a postage-paid envelope furnished by the supplier.

Note: Please check the accuracy of all prescriptions and order forms submitted to the Agency's contracted provider.

Who May Provide Vision Hardware to Agency Clients?

[WAC 388-544-0150 (2)]

The following providers are eligible to enroll/contract with the Agency to provide and bill for vision hardware furnished to eligible clients:

- Ophthalmologists;
- Optometrists;
- Opticians; and
- Ocularists.

Client Eligibility

Who Is Eligible? [Refer to WAC 388-544-0100 (1)]

Eligible clients may receive the vision hardware described in these billing instructions depending on their Benefit Service Package.

Note: Refer to the *Scope of Healthcare Services Table* webpage at: <http://hrsa.dshs.wa.gov/Download/ScopeofHealthcareSvcsTable.html> for an up-to-date listing of Benefit Service Packages.

Please see the *Agency ProviderOne Billing and Resource Guide* at: http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide.html for instructions on how to verify a client's eligibility.

Limited Coverage:

- The Agency covers vision hardware under the Alien Emergency Medical (AEM) program as described in WAC 388-438-0110, when the hardware is necessary to treat a qualifying emergency medical condition only.
- For Qualified Medicare Beneficiary only (QMB Medicare Only) clients, the Agency pays for vision hardware only when Medicare allows the service and has made a payment or applied the payment to the client's deductible.

Agency Managed Care Clients [Refer to WAC 388-544-0100 (2)]

When verifying eligibility using ProviderOne, if the client is enrolled in a Agency –contracted managed care organization (MCO), managed care enrollment will be displayed on the Client Benefit Inquiry screen. Eligible clients enrolled in Agency managed care are covered for vision hardware as follows:

- **Eye exams, refractions, and/or visual fields** must be requested and provided directly through the client's managed care plan.
- **Eyeglass frames, lenses, and contact lenses** must be ordered from the Agency's contractor. These items are paid through fee-for-service. Refer to Section E – *Where and How do I Order?* Use the guidelines found in this billing instruction for clients enrolled in a Agency managed care plan.

Vision Hardware for Clients 20 Years of Age and Younger

Note: To prevent billing denials, please check the client's eligibility **prior** to scheduling services and at the **time of the service** and make sure proper authorization or referral is obtained from the plan. See the Agency *ProviderOne Billing and Resource Guide* at http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide.html for instructions on how to verify a client's eligibility.

Primary Care Case Management (PCCM)

For the client who has chosen to obtain care with a PCCM provider, this information will be displayed on the Client Benefit Inquiry screen in ProviderOne. These clients must obtain or be referred for services via a PCCM provider. The PCCM provider is responsible for coordination of care just like the PCP would be in a plan setting. The referral number is required in field **17a** on the CMS-1500 claim form.

Note: To prevent billing denials, please check the client's eligibility **prior** to scheduling services and at the **time of the service** and make sure proper authorization or referral is obtained from the PCCM provider. Please see the Agency *ProviderOne Billing and Resource Guide* at http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide.html for instructions on how to verify a client's eligibility.

Note: For further information on the Agency's managed care plans, see the Agency's website: <http://hrsa.dshs.wa.gov/HealthyOptions>.

Coverage

Services and Prosthetics

Examinations, Refractions, Visual Field Testing, Vision Therapy, and Surgeries

Please refer to the current Agency [Physician-Related Services/Healthcare Professional Services Billing Instructions](#) for more information.

Ocular Prosthetics [Refer to WAC 388-544-0500]

The Agency covers ocular prosthetics for eligible clients when provided by any of the following:

- An ophthalmologist;
- An ocularist; or
- An optometrist who specializes in prosthetics.

Please refer to the current Agency [Prosthetic and Orthotic Devices Billing Instructions](#) for more information on coverage for ocular prosthetics.

Coverage

Eyeglasses (Frames and/or Lenses) and Repairs

Eyeglasses (Frames and/or Lenses) [Refer to WAC 388-544-0300 (1)]

The Agency covers eyeglasses, without PA, once every 12 months for eligible clients when the following clinical criteria are met:

- The eligible client has a stable visual condition;
- The eligible client's treatment is stabilized;
- The prescription is less than 18 months old; and
- One of the following minimum correction needs in at least one eye is documented in the client's file:
 - ✓ Sphere power equal to, or greater than, plus or minus 0.50 diopter;
 - ✓ Astigmatism power equal to, or greater than, plus or minus 0.50 diopter; or
 - ✓ Add power equal to, or greater than, 1.0 diopter for bifocals and trifocals.

Accommodative Esotropia or Strabismus [WAC 388-544-0300 (2)]

The Agency covers eyeglasses (frame/lenses), for eligible clients with a diagnosis of accommodative esotropia or any strabismus correction, without PA. In this case, the limitations listed in “Eyeglasses (Frames and/or Lenses)” do not apply.

Back-up Eyeglasses [Refer to WAC 388-544-0300 (3)]

The Agency covers one pair of back-up eyeglasses for eligible clients who wear contact lenses as their primary visual correction aid (see *Contact Lenses*, page C.9) limited to once every two years for eligible clients.

Durable or Flexible Frames [Refer to WAC 388-544-0325 (1)]

The Agency covers durable or flexible frames, without PA, when the eligible client has a diagnosed medical condition that has contributed to two or more broken eyeglass frames in a 12-month period. To receive payment, the provider must:

- Follow the Agency's expedited prior authorization (EPA) process. See **EPA # 619 and EPA #620** in Section D – *Authorization*; and
- Order the "durable" or "flexible" frames through the Agency's designated supplier.

The Agency will cover Miraflex frames (**flexible and safe only**) for eligible clients when all of the following clinical criteria are met:

- The client is younger than 5 years of age; and
- The provider has documented the reason(s) that the standard Airway Optical frame is not suitable for the client.

In order to receive payment, providers must follow the Agency's expedited prior authorization (EPA) process. See **EPA #611** in Section D - *Authorization*.

Coating of Frames, Incidental Repairs, and Replacement Frames [Refer to WAC 388-544-0325 (2)]

The Agency covers all of the following for eligible clients, without PA:

- Coating contact eyeglass frames to make the frames nonallergenic. Eligible clients must have a medically diagnosed and documented allergy to the materials in the available eyeglass frames.
- Incidental repairs to a client's eyeglass frames. To receive payment, all of the following must be met:
 - ✓ The provider typically charges the general public for the repair or adjustment;
 - ✓ The contractor's one-year warranty period has expired; and
 - ✓ The cost of the repair does not exceed the Agency's cost for replacement frames and a fitting fee.
- Replacement eyeglass frames that have been lost or broken.

Coverage

Eyeglass Lenses

Eyeglass Lenses [Refer to WAC 388-544-0350 (1)(2)]

The Agency covers the following plastic scratch-resistant eyeglass lenses without prior authorization (PA):

- Single vision lenses;
- Round or flat top D-style bifocals;
- Flat top trifocals; and
- Slab-off and prism lenses (including Fresnel lenses).

Note: The Agency's contractor supplies all plastic eyeglass lenses with a scratch-resistant coating.

Eyeglass lenses must be placed into a frame that is, or was, purchased by the Agency.

High Index Eyeglass Lenses [Refer to WAC 388-544-0350 (3)(a)]

The Agency covers, without PA, high index lenses when the eligible client's medical need in at least one eye is diagnosed and documented as:

- A spherical refractive correction of plus or minus 6.0 diopters or greater; or
- A cylinder correction of plus or minus 3.0 diopters or greater.

To receive payment, providers must follow the Expedited Prior Authorization (EPA) process. See **EPA # 625** in Section D- *Authorization*.

Plastic Photochromatic Lenses [Refer to WAC 388-544-0350 (3)(b)]

The Agency covers, without PA, plastic photochromatic lenses when the eligible client’s medical need is diagnosed and documented as either of the following:

Medical Problems	ICD-9-CM Diagnosis Codes
Ocular Albinism	270.2
Retinitis pigmentosa	362.74

Polycarbonate Eyeglass Lenses [Refer to WAC 388-544-0350 (3)(c)]

The Agency covers, without PA, polycarbonate lenses. The eligible client’s medical need must be diagnosed and documented as one of the following:

Medical Problems	ICD-9-CM Diagnosis Codes
Blind in one eye and needs protections for the other eye, regardless of whether a vision correction is required.	369.60 - 369.69 369.70 - 369.76
Infants and toddlers with motor ataxia	331.89, 781.2 334.0-334.3, 334.8-334.9, 781.3
Strabismus	378.00 - 378.9
Amblyopia	368.01 - 368.03

Replacing Bifocal or Trifocal Lenses

[Refer to WAC 388-544-0350 (3)(d)]

The Agency covers, without PA, bifocal lenses to be replaced with single vision or trifocal lenses, or trifocal lenses to be replaced with bifocal or single vision lenses when:

- The eligible client has attempted to adjust to the bifocals or trifocals for at least 60 days;
- The eligible client is unable to make the adjustment; and
- The bifocal or trifocal lenses being replaced are returned to the provider.

Tinting [Refer to WAC 388-544-0350 (4)]

The Agency covers, without PA, the tinting of plastic lenses as follows:

- The eligible client’s medical need must be diagnosed and documented as one or more of the following chronic (expected to last longer than 3 months) eye conditions causing photophobia:

Medical Problems	ICD-9-CM Diagnosis Codes
Blindness	369.00 - 369.9
Chronic corneal keratitis	370.00 - 370.07
Chronic iritis, iridocyclitis (uveitis)	364.10 - 364.11 364.51 - 364.59
Diabetic retinopathy	362.01 - 362.06
Fixed pupil	379.42 -379.43, 379.45-379.46, 379.49
Glare from cataracts	366.00 - 366.9
Macular degeneration	362.50 - 362.66
Migraine disorder	346.00 - 346.91
Ocular albinism	270.2
Optic atrophy and/or optic neuritis	377.10 - 377.63
Rare photo-induced epilepsy conditions	345.00 - 345.91
Retinitis pigmentosa	362.74

- The tinting must be performed by the Agency’s designated lens supplier.

Replacements Due to Lost or Broken Lenses

[Refer to WAC 388-544-0350 (5)]

The Agency covers replacement lenses for eligible clients without PA when the lenses are lost or broken.

Replacements Due to Refractive Changes [WAC 388-544-0350 (6)]

The Agency covers replacements lenses, without PA, when the eligible client meets one of the following clinical criteria:

- **Eye surgery, the effect(s) of prescribed medication, or one or more diseases affecting vision:**
 - ✓ The client has a stable visual condition. See Definitions section for a definition of *stable visual condition*;
 - ✓ The client's treatment is stabilized;
 - ✓ The lens correction must have a 1.0 or greater diopter change between the sphere or cylinder correction in at least one eye; **and**
 - ✓ The previous and new refractions are documented in the client's record.

To receive payment, providers must follow the EPA process (see Section D – *Authorization EPA# 622*).

- **Headaches, blurred vision, or visual difficulty in school or at work.** In this case, all of the following must be documented in the client's file:
 - ✓ Copy of the current prescription (less than 18 months old);
 - ✓ Date of last dispensing, if known;
 - ✓ Absence of a medical condition that is known to cause temporary visual acuity changes (e.g., diabetes, pregnancy, etc.); **and**
 - ✓ A refractive change of at least .75 diopter or greater between the sphere or cylinder correction in at least one eye.

To receive payment, providers must follow the EPA process. See **EPA# 624** in Section D- *Authorization*.

Coverage

Contact Lenses

Contact Lenses [Refer to WAC 388-544-0400 (1) (2)]

The Agency covers contact lenses, without prior authorization (PA), as the eligible client's primary refractive correction method when the client has a spherical correction of plus or minus 6.0 diopters or greater in at least one eye. **See next page for exceptions to the plus or minus 6.0 diopters criteria.** The spherical correction may be from the prescription for the glasses or the contact lenses and may be written in either "minus cyl" or "plus cyl" form.

The Agency covers the following contact lenses with limitations:

- **Conventional soft** or **rigid gas permeable** contact lenses that are prescribed for daily wear; or
- **Disposable** contact lenses that are prescribed for daily wear and have a monthly or quarterly planned replacement schedule, as follows:
 - ✓ 12 pairs of monthly replacement contact lenses; or
 - ✓ 4 pairs of 3-month replacement contact lenses.

Medical Problems	ICD-9-CM Diagnosis Code
Hypermetropia	367.0
Myopia	367.1

Note: The Agency's opinion is that the prolonged use of overnight wear may increase the risk of corneal swelling and ulceration. Therefore, the Agency approves their use in limited situations where they are used as a therapeutic contact bandage lens or for aphakic clients. [Refer to WAC 388-544-0050]

Soft Toric Contact Lenses [Refer to WAC 388-544-0400 (3)]

The Agency covers soft toric contact lenses, without PA, for clients with astigmatism when the following clinical criteria are met:

- The eligible client's cylinder correction is plus or minus 1.0 diopter in at least one eye; and
- The eligible client has a spherical correction of plus or minus 6.0 diopters or greater in at least one eye.

Medical Problems	ICD-9-CM Diagnosis Code
Astigmatism	367.20 - 367.22

Exceptions to the Plus or Minus 6.0 Diopters Criteria

The Agency covers contact lenses, without PA, when the following clinical criteria are met. In these cases, the limitations (spherical correction of +/- 6.0 diopters or greater in at least one eye) do not apply:

- For eligible clients diagnosed with high anisometropia.
 - ✓ The eligible client's refractive error difference between the two eyes is at least plus or minus 3.0 diopters between the sphere or cylinder correction; and
 - ✓ Eyeglasses cannot reasonably correct the refractive errors.

Medical Problems	ICD-9-CM Diagnosis Code
High anisometropia	367.31

- Specialty contact lens designs for eligible clients who are diagnosed with one or more of the following:

Medical Problems	ICD-9-CM Diagnosis Code
Aphakia	379.31 743.35
Keratoconus	371.60-371.62 743.41
Corneal softening	371.23

- Therapeutic contact bandage lenses only when needed immediately after eye injury or eye surgery.

Replacement Contact Lenses – Lost or Damaged

[Refer to WAC 388-544-0400 (5)]

The Agency covers replacement contact lenses for eligible clients, limited to once every 12 months, when lost or damaged.

Replacement Contact Lenses – Surgery/Medication/Disease

[Refer to WAC 388-544-0400 (6)]

The Agency covers replacement contact lenses for eligible clients, without PA, when all of the following clinical criteria is met:

- One of the following caused the vision change:
 - ✓ Eye surgery;
 - ✓ The effect(s) of prescribed medication; or
 - ✓ One or more diseases affecting vision.
- The client has a stable visual condition (see Definitions section – *stable visual condition*);
- The client’s treatment is stabilized; **and**
- The lens correction has a 1.0 or greater diopter change in at least one eye between the sphere or cylinder correction. The previous and new refraction must be documented in the client’s record.

Noncovered Hardware

What Is Not Covered? [WAC 388-544-0575]

The Agency does not cover the following:

- Executive style eyeglass lenses;
- Bifocal contact lenses;
- Daily and two week disposable contact lenses;
- Extended wear soft contact lenses, except when used as therapeutic contact bandage lenses or for aphakic clients;
- Custom colored contact lenses;
- Glass lenses;
- Nonglare or anti-reflective lenses;
- Progressive lenses;
- Sunglasses and accessories that function as sunglasses (e.g., "clip-ons"); and
- Upgrades at private expense to avoid the Agency's contract limitations. For example:
 - ✓ Frames that are not available through the Agency's contract; or
 - ✓ Noncontract frames or lenses for which the client or other person pays the difference between the Agency's payment and the total cost.

Note: A provider may request an exception to rule (ETR) for noncovered hardware as described in WAC 388-501-0160. Refer to WAC 388-502-0160 for rules on billing a client.

Coverage Table

Due to its licensing agreement with the American Medical Association, the Agency publishes only the official, brief CPT® procedure code descriptions. To view the entire description, please refer to your current CPT book.

Procedure Code	Modifier	Brief Description	PA?	Policy/Comments	Maximum Allowable Fee
Contact Lens Services					
92070		Fitting of contact lens	No	(Does not include any follow-up days)	On-line Fee Schedules*
Spectacle Fitting fees, monofocal

Authorization

Note: Please see the Agency *ProviderOne Billing and Resource Guide* at [http://hrsa.dshs.wa.gov/download/ProviderOne Billing and Resource Guide.html](http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide.html) for more information on requesting authorization.

General Guidelines [Refer to WAC 388-544-0560]

- The Agency requires providers to obtain authorization for covered vision hardware as required in Chapters 388-501 and 388-502 WAC, these billing instructions and numbered memos, or when the required clinical criteria are not met. [WAC 388-544-0560 (1)]
- Please note that authorization requirements are not a denial of service.
- When a service requires authorization, the provider **must properly request** written authorization in accordance with the Agency's rules, these billing instructions, and applicable numbered memos.
- When the provider does not properly request authorization, the Agency returns the request to the provider for proper completion and resubmission. The Agency does not consider the returned request to be a denial of service.
- Upon request, a provider must provide documentation to the Agency showing how the client's condition met the criteria for PA and EPA.
- The Agency's authorization of service(s) does not necessarily guarantee payment.

Prior Authorization

Prior authorization (PA) is a form of authorization used by the provider to obtain the Agency's written approval for a specific vision hardware. The Agency's approval is based on medical necessity and must be received before the service(s) are provided to clients as a precondition for payment.

Limitation Extensions [Refer to WAC 388-544-0560 (6)]

The Agency evaluates requests for authorization of covered vision hardware that exceed limitations in these billing instructions on a case-by-case basis in accordance with WAC 388-501-0169.

The provider must justify that the request is medically necessary for that client.

Note: Requests for limitation extensions must be appropriate to the client's eligibility and/or program limitations. Not all eligibility programs cover all services.

For example: Eyeglasses are not covered under the Family Planning Only Program.

Requesting a Limitation Extension

There are two ways to request a limitation extension:

- 1) **Complete** the **Vision Care Authorization Request form, DSHS 13-739**. This form is required for any vision hardware authorization request; or
- 2) Follow the EPA process for certain limitation extensions by using an EPA number. These EPA numbers will be subject to post payment review as in any other authorization process.

The written request must state the following:

1. The client's name and ProviderOne Client ID;
2. The provider's full name, NPI and fax number;
3. Additional service(s) requested;
4. Date of last dispensing and copy of last two prescriptions;
5. The primary diagnosis code and applicable procedure code; and
6. Client-specific clinical justification for additional services.

Send your written request to the Agency (see *Important Contacts* section).

Note: To **view and download** a Vision Care Authorization Request form, DSHS 13-739, or ProviderOne Request form, DSHS 13-835, visit the Agency Forms and Records Management Service web site:
<http://www.dshs.wa.gov/msa/forms/eforms.html>.

Expedited Prior Authorization (EPA)

[Refer to WAC 388-544-0560]

The Expedited Prior Authorization (EPA) process allows providers to apply the Agency's clinical criteria and certify medical necessity. The Agency establishes clinical criteria and identifies the criteria with specific codes. Providers then create an EPA number using those authorization codes.

To bill the Agency for diagnoses, procedures and services that meet the EPA criteria on the following pages, the provider must **create a 9-digit EPA number**. The first six digits of the EPA number must be **870000**. The last 3 digits must be the code assigned to the diagnostic condition, procedure, or service that meets the EPA criteria in this section. Enter the EPA number in field **23** on the hard copy billing form, or in the *Authorization* or *Comments* field when billing electronically.

Example: The 9-digit authorization number for an exam for a client, who has had an exam 20 months ago but just had eye surgery, would be **870000622**.

870000 = first six digits of all expedited prior authorization numbers

622 = last three digits of an EPA number indicating the service and which criteria the case meets

- The Agency denies payment for vision hardware claims submitted without the required EPA number, or the appropriate diagnosis, procedure code, or service as indicated by the last three digits of the EPA number.
- The Agency may recoup any payment made to a provider if the Agency later determines that the service was not properly authorized or did not meet the EPA criteria. Refer to WAC 388-502-0100(1)(c) and WAC 388-544-0560(7).
- When a client's situation does not meet the EPA criteria for vision hardware a provider must request prior authorization.

See Expedited Prior Authorization Criteria Coding List on next page...

Vision Hardware for Clients 20 Years of Age and Younger

Washington State

Expedited Prior Authorization Criteria Coding List

Use these codes on claims forwarded to the Agency and the Agency's contractor

Code Criteria

Code Criteria

Specialty Frames

611 Miraflex Frames (flexible and safe only) when all of the following clinical criteria are met:

- The client is less than 5 years of age; and
- The provider has documented the reason(s) that the standard Airway Optical frame is not suitable for the client.

619 Durable Frames - when the provider documents in the client's record that the client has a diagnosed medical condition that has contributed to two or more broken eyeglass frames in a 12-month period.

620 Flexible Frames - when the provider documents in the client's record that the client has a diagnosed medical condition that has contributed to two or more broken eyeglass frames in a 12-month period.

Replacement Eyeglass Lenses

622 Replacement eyeglass lenses - Due to eye surgery/effects of prescribed medication/diseases affecting vision – within one year of last dispensing when:

- 1) The client has a stable visual condition (see the *Definitions & Abbreviations* section); **and**
- 2) The client's treatment is stabilized; **and**
- 3) The lens correction must have a 1.0 or greater diopter change between the sphere or cylinder correction in at least one eye; **and**
- 4) The provider documents the previous and new refractions in the client record.

Expedited Prior Authorization Criteria Coding List

Use these codes on claims forwarded to the Agency and the Agency's contractor

Code	Criteria	Code	Criteria
Eyeglass Lenses (cont.)			
624	<p>Replacement eyeglass lenses – Due to headaches/blurred vision/difficulty with school or work - within one year of last dispensing, for refractive changes (provider error is the responsibility of the provider to warranty their work and replace the lens at no charge) when the provider documents all of the following in the client's record:</p> <ol style="list-style-type: none">1) The client has symptoms e.g., headaches, blurred vision, difficulty with school or work; and2) Copy of current prescription; and3) Date of last dispensing, if known; and4) Absence of a medical condition that is known to cause temporary visual acuity changes (e.g. diabetes, pregnancy); and5) A refractive change of at least .75 diopter or greater between the sphere or cylinder correction in at least one eye.		
625	<p>High index eyeglass lenses - when the provider documents one of the following in the client's record:</p> <ol style="list-style-type: none">1) A spherical refractive correction of +\ - 6.0 diopters or greater; or2) A cylinder correction of +\ - 3.0 diopters or greater.		
<p>Note: See the current Agency <i>Physician-Related Services Billing Instructions</i>, Section I for EPA numbers for blepharoplasties and strabismus surgery.</p>			

Where and How Do I Order?

Who Is the Agency's Eyeglass Contractor?

The Agency's vision hardware contractor is Airway Optical, which is part of the Washington State Department of Correctional Industries.

Providers must obtain all hardware through Airway Optical. The Agency does **not** pay any other optical manufacturer or provider for frames, lens, or contact lenses.

[Refer to WAC 388-544-0150]

Send or fax completed prescriptions and/or purchase orders for sample kits, eyeglass frames, eyeglass lenses, and contact lenses to:

Airway Optical

11919 West Sprague Avenue

PO Box 1959

Airway Heights, WA 99001-1959

Customer Service: 1-888-606-7788 (toll free)

Fax: 1-888-606-7789 (toll free)

Send order to:

General Ordering Information

- **Call Airway Optical for prescription order forms, toll-free–**
Phone: 1-888-606-7788 or Fax: 1-888-606-7789.
- **For timely processing, all information on the prescription must be complete and legible.**
- Mail or fax eyeglass orders, along with a copy of the medical eligibility verification (MEV), to the contractor. Airway Optical requires that each fax page be legible. Keep a copy of the order on file, along with the fax transmittal.
- Include the appropriate ICD-9-CM diagnosis code (and EPA number, if applicable) on all order forms for eyeglasses and contact lenses. If this information is not included on the form, the contractor is required to reject and return the order.
- Airway Optical rejects and returns orders for clients for whom the Agency has already purchased a pair of lenses and/or complete frames or contact lenses within the applicable benefit period **(12 months)**.
- The Agency requires Airway Optical to process prescriptions within 15 working days, including shipping and handling time, after receipt of a **properly** completed order. The Agency allows up to 20 working days for completing orders for specialty eyeglass lenses or contact lenses. Airway Optical must notify the provider when a prescription cannot be processed within either of these specified delivery timeframes.
- To obtain general information, or to inquire about overdue prescriptions, call Airway Optical at 1-888-606-7788 or fax the request to Airway optical at 1-888-606-7789. Please have the medical record number ready when you call. **The phone number for Airway Optical is for provider use only.** Airway Optical cannot check a client's eligibility. For questions regarding client eligibility, call the Agency at 1-800-562-3022.
- Airway Optical ships the eyeglasses to the provider.
- Airway Optical bills the Agency directly for all hardware for medical assistance clients.

Note: If a client does not return to the provider's office to pick up eyeglasses, then the provider should do the following:

- Keep the completed pair of eyeglasses for three months;
- Make a good faith effort (a minimum of three attempts) to contact the client; and
- After the above conditions are met, the provider may keep the glasses to use for repair parts.

Billing and Claim Forms

What Are the General Billing Requirements?

Providers must follow the Agency *ProviderOne Billing and Resource Guide* at http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide.html. These billing requirements include, but are not limited to:

- Time limits for submitting and resubmitting claims and adjustments;
- What fee to bill the Agency for eligible clients;
- When providers may bill a client;
- How to bill for services provided to primary care case management (PCCM) clients;
- Billing for clients eligible for both Medicare and Medicaid;
- Third-party liability; and
- Record keeping requirements.

Special Instructions for Vision Hardware

Special Ophthalmological Services - Bilateral Indicator: The Agency considers special ophthalmological services to be bilateral if they are routinely provided on both eyes. This includes CPT code 92015, determination of refractive state. Do not use bilateral modifier 50 or modifiers LT and RT for these services since payment is based on a bilateral procedure.

Billing for Ocular Prosthetics: Refer to the Agency's Physician-Related Services Fee Schedule for a complete list of CPT codes and maximum allowable fees. Refer to the Agency Vision Hardware for Clients 20 Years of age and Younger Fee Schedule for HCPCS procedure codes and maximum allowable fees.

Reporting Diagnoses: The Agency requires a diagnosis for a medical condition. The diagnosis assigned to a procedure is the first-level justification for that procedure.

Note: Use ICD-9-CM diagnosis code V72.0 (Examination of eyes and vision) only for eye exams in which no problems were found.

E & M Procedure Codes: Use evaluation and management (E&M) codes for eye examinations for a medical problem, **not** for the prescription of eyeglasses or contact lenses. ICD-9-CM diagnosis codes 367.0-367.9 and "V" codes are **not** appropriate when billing E&M services.

Vision Hardware for Clients 20 Years of Age and Younger

The Agency does not pay for:

- E&M codes and an eye exam on the same day;
- Nursing home visits and an eye exam on the same day; or
- Any services with prescriptions over two years old.

Modifier 55 for Optometrists: When billing follow-up for surgery procedures, use the surgery code and modifier 55 to bill the Agency.

- **Billing:** Since payment for the surgical procedure codes with modifier 55 is a one-time payment covering the postoperative period, the Agency denies any claims submitted for related services provided during that period. You must bill any other specific problems treated during that period using modifier 25.
- **Payment:** The amount allowed for postoperative management is based on the Physician-Related Services Fee Schedule.

Billing for Vision Hardware Provided to Clients Eligible for Both Medicare Part B and Medicaid

- Bill the Agency for refractions and fitting fees. Medicare does not currently cover these services.
- Refer to the Agency ProviderOne Billing and Resource Guide at http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide.html for up-to-date information on billing for clients eligible for Medicare and Medicaid.

Completing the CMS-1500 Claim Form

Note: Refer to the Agency *ProviderOne Billing and Resource Guide* at: http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide.html for instructions on completing the CMS-1500 Claim Form.

Payment

[Refer to WAC 388-544-0600]

Payment Information

- To receive payment, vision care providers must bill the Agency according to the conditions of payment found in these billing instructions. See *Billing and Claim Forms*, Section F, for more information.
- The Agency pays 100% of the Agency contract price for covered eyeglass frames, lenses, and contact lenses when these items are obtained through the Agency's approved contractor. See *Where and How Do I Order?*, Section E, for more information.

Fee Schedule

You may access the Agency Vision Hardware for Clients 20 Years of Age and Younger Fee Schedule at: <http://hrsa.dshs.wa.gov/RBRVS/Index.html>.
