Provider Selection

P1 Client ID
Client ID number

Name of client	Last	First	Middle initial	Telephone number
Street address		City	State	Zip code

To Provider(s): The above name client is being assigned to the Patient Review and Coordination Program according to WAC 182-501-0135. This program requires the client to select a primary care provider (PCP), controlled substances prescriber, pharmacy, and a preferred hospital for non-emergent medical services. Your signature on this form assures the department of your willingness to be the designated PCP, controlled substances prescriber, pharmacy, and/or hospital. The PCP makes referrals to specialists as necessary.

If you have questions, please call ____________________ at (1-800-562-3022) Ext. __________
