

Privacy matters!

We updated the Apple Health (Medicaid) Notice of Privacy Practices.

We are committed to keeping health information safe. Updates apply to all Apple Health client and health care information.

We are required to share some personal information with other agencies. This includes those in the U.S. Department of Health and Human Services Administration.

Scan the QR code on the back or visit hca.wa.gov/apple-health-privacy to learn how we may use or share this information.

P.O. Box 11699
Tacoma, WA 98411-6699

The notice includes:

- Rights
- Choices
- How information may be used or shared
- How we keep information safe
