

Coverage options for seniors and individuals with disabilities

Individuals who are Aged, Blind, or Disabled

If you are age 65 and older, blind, or disabled and meet income and resource requirements, Washington Apple Health (Medicaid) may provide health care coverage and help pay for Medicare premiums and medical expenses.

Long-Term Services and Supports

Apple Health pays for services in your home, a community residential care facility, assisted living facility, adult family home, or nursing facility if you meet certain criteria based on an assessment.

Please note: For these programs, income and resource requirements apply.
