

Renewing your Apple Health Coverage

Apple Health (Medicaid) coverage must be renewed each year to maintain health coverage. You are receiving this flyer because you need to take action to renew coverage for yourself or someone in your household. You may also have just missed the deadline.

How you can renew coverage

Use one of the following renewal options:

Online at www.wahealthplanfinder.org

- ◆ Under Washington Apple Health, select "Apple Health Coverage"
- ◆ Enter the Primary Applicant's information to access the dashboard
- ◆ Select "Update My Application and Renew Coverage" under Quick Links

Call Healthplanfinder Customer Support Center at 1-855-923-4633

Update the renewal document received, sign and return via:

- ◆ Mail: PO Box 946, Olympia, WA 98507
- ◆ Fax: 1-855-867-4467
- ◆ CSO: Drop off at your local CSO in the documents box in the lobby

Once your application is processed, you will be sent a notice to let you know if you or your household member still qualifies for coverage. You must complete your renewal to determine if you qualify for continued health coverage.

Missed the deadline?

If you missed the renewal deadline and you or your household member lost Apple Health coverage, you have 90 days to complete the renewal using one of the return options. If you are eligible, your coverage will continue from the date you lost coverage with no gap.

If you do not qualify for Apple Health, you may qualify for other coverage through a Qualified Health Plan, with or without help to pay the premium. You must complete your renewal to see if you qualify for one of these plans.

Questions?

If you have questions about Apple Health coverage, please contact Health Care Authority's Medical Assistance Customer Service Center at 1-800-562-3022.
