Other updates

- The *Other Insurance* section has the following corrections.
 - In the Spanish field level help several translation errors have been corrected.
 - Clarifying text has been added to the *Field Level Help* that states: “Existing health insurance may disqualify you from receiving tax credits or Children’s Health Insurance Program (CHIP)”
- *Washington Healthplanfinder* homepage/FAQS are being moved to a new platform. While the look, feel, and navigation of *Washington Healthplanfinder* remains the same, some content URLs could be different and browser bookmarks could be impacted. It is recommended that users clear their browser cache after this release.
- The *Washington Healthplanfinder* customer support center will have alternate hours in the month of May 2021 and will return to normal business hours on June 1, 2021.
- A home page banner has been added to the *Washington Healthplanfinder* webpage. The corporate website has been updated to provide information regarding the American Rescue Plan Act (ARPA).
- The Public Health Emergency – Special Enrollment Period (PHE-SEP) for Qualified Health Plans (QHP) will be extended through August 15, 2021. New and existing clients can make plan changes during this time.
- Individuals eligible for or enrolled in QHP with tax credits will see changes due to ARPA. The changes include increased tax credits for 2021 and 2022, increased income limits for tax credit eligibility, suspension of Advance Premium Tax Credit (APTC) reconciliation requirements for tax year 2020 and additional benefits for recipients of unemployment income.
 - To implement these changes, eligibility will be redetermined on application with tax credits. There should be little to no impact for Apple Health recipients.
