### Note:

Internal staff use the charted dollar amounts that reflect net income after deductions allowed under each program. For MAGI programs (N groups), gross income limits are 5% more and maybe higher after allowed deductions. For non-MAGI (classic) programs, gross income is reduced by $20, in addition to other allowed deductions. For example, after adding the $20 to be deducted for MSP, gross income limits are for QMB: $1,094 and $1,472; for SLMB: $1,308 and $1,762; for QI-1: $1,469 and $1,980; and for QDWI: $2,167 and $2,924.
