Overview

Purpose:	The managed care dental request for proposal (RFP) is a requirement of Senate Substitute Bill (SSB) 5883 that was passed during the 2017 legislative session, which requires the Health Care Authority to contract with licensed dental health plans or managed health care plans through a competitive procurement process to ultimately provide carved-out managed care dental services.
Main Outcome:	✓ Shared understanding of the managed care dental RFP requirements, including budget, timeline and process
