

## How to find or order Apple Health (Medicaid) client forms and publications

Apple Health form and publications: [hca.wa.gov/apple-health-client-forms](https://hca.wa.gov/apple-health-client-forms)

### Find a form/publication

Search for forms and publications using the search option by entering either the form number or key words and click “Filter”.

Click on the  button to view the English versions. Click on the  button to display other supported languages available for download and local printing.

### Order a form/publication

Click on the [Order publication](#)  button on the right. This will take you to the online ordering site that shares forms and publications that are available for ordering in limited quantities.

Publications (brochures, flyers, etc.) are only available to order in English. Forms (applications, renewals, etc.) are typically available for order in all supported languages. Ordering translated forms may affect the request limit.
