

WellCare (Coordinated Care) Apple Health Medicare Connect – 2026 Supplemental Benefits

This guide shares an overview of WellCare (Coordinated Care) supplemental benefits (SB) and value-added items and services (VAIS) for their Apple Health Medicare Connect, Medicare Advantage (MA) Dual Eligible Special Needs Plan (D-SNP).

WellCare is one out of six Apple Health Medicare Connect (D-SNP) plan options. View the full [Apple Health Medicare Connect supplemental benefits guide](#) for links to the other plan's guides.

Use this guide to help clients choose an Apple Health Medicare Connect MA plan that best fits their needs. Learn more about [Apple Health Medicare Connect](#).

Note: This document has not been approved for sharing with clients and should only be used as a resource to assist clients in selecting a plan. Do not share this document with clients.

Eligibility Criteria

Members must be enrolled in an eligible D-SNP to qualify for supplemental benefits.

For Special Supplemental Benefits for the Chronically Ill (SSBCI), Members must meet all 3 criteria to qualify:

1. The member must require intensive care management.
2. The member must be at high risk for unplanned hospitalization.
3. The member must have a documented and active diagnosis for a qualifying chronic condition.
 - The chronic condition must be life threatening or significantly limit the overall health or function of the member.

This allowance is the same as rolling allowances shown under other benefits but applied toward a different service. Care management: Care managers partner via phone and in community to help navigate complex health needs. They can assist with appointments, answer health questions, support post-hospital care, and more.	View eligibility criteria on page 1.

***Special populations:** See Section 1852(a)(3)(D)(ii) of the [Medicare Drug and Health Plan Contract Administration Group](#)
