Use the 2021 *Summary of Benefits and Coverage* from your spouse's or state-registered domestic partner's employer-based group medical plans to answer the questions below. Do not return the *Summary of Benefits and Coverage* with this calculator. The plans must:

- Serve your spouse's or state-registered domestic partner's county of residence.
- Cost less than \$109.26 for the employee's share of the monthly medical premium.

Complete a 2021 *SEBB Spousal Plan Calculator* for each medical plan that meets the criteria above. If you are completing a form for more than one plan, and at least one results in "You will have to pay the Surcharge," then you will be charged the surcharge in addition to your monthly medical premium.
