

2021 SEBB Medical Plans Available by County

All school employees are offered a selection of plans based on their county of residence or the county where their school district, charter school, or educational service district is based. Some school employees may have more plan options if they work in a district that crosses county lines (see the school districts by county list starting on page 3 for more information). Be sure to call the medical plan(s) you are interested in to ask about provider availability.
