

2023 SEBB employee medical plans available by county

All eligible school employees are offered a selection of plans based on their county of residence or the county where their school district, charter school, or educational service district is based. Some school employees may have more plan options if they work in a district that crosses county lines (see the school employers by county list following this for more information). Be sure to call the medical plans you are interested in to ask about provider availability. In addition to the locations in the table below, Uniform Medical Plan Achieve 1, Achieve 2, and High Deductible plans are available worldwide. If you move out of your medical plan's service area or change jobs, you may need to change your plan. You must report your new address and any request to change your medical plan to your payroll or benefits office no later than 60 days after you move.
