Purpose:

This policy clarifies which documents the PEBB Program considers valid for dependent verification and identifies which accounts are automatically included in the dependent verification process. Although some subscriber accounts are not included in the automated process, the PEBB Program will request documents from any subscriber, in order to verify a dependent's eligibility.

Policy:

1. The PEBB Program requires subscribers to provide documentation that verifies a person's relationship to the subscriber before enrolling the person as a dependent under the subscriber's PEBB insurance coverage, except as indicated in sections two and three of this policy.
2. The following subscriber accounts are excluded from the general dependent verification process except when the subscriber is requesting enrollment of a partner where eligibility is established through a domestic partner registry or a legal union:
 - a. COBRA subscriber accounts;
 - b. Leave Without Pay (LWOP) subscriber accounts; and

c. Medicare Retiree subscriber accounts.

3. Extended dependent children are certified through the process described in WAC 182-12-260, WAC 182-12-262, and Policy 37-1 for PEBB eligibility.

4. Table 31-1 shows a list of valid dependent verification documents.
