Recertification instructions

If your child with a disability is enrolled and is being recertified

Your medical plan or the PEBB Program periodically requests review of your currently enrolled child's disability status following a previous certification. Your medical plan (or the PEBB Program if you are enrolled in a Medicare Advantage-Prescription Drug (MA-PD)

plan or the child is enrolled only in dental coverage) must receive this completed certification form **by the child's scheduled PEBB health plan coverage termination date**. This date is listed in the letter mailed to you about the recertification.

Signature

By submitting this form, I declare that the information I have provided is true, complete, and correct. If it isn't, or if I do not update this information within the PEBB Program's required timelines, I must repay any claims paid by my health plan(s) or premiums paid on my child's behalf to the extent permitted by federal and state laws. My child may also lose PEBB health plan coverage as of the last day of the month they were eligible. To the extent permitted by law, the PEBB Program may retroactively terminate coverage for me and my dependents if I intentionally misrepresent eligibility, or do not fully pay premiums and applicable premium surcharges when due. I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of benefits.

The PEBB Program will verify eligibility for my dependent. I understand that the PEBB Program may ask for this verification at any time. However, the PEBB Program will verify the disability and dependency for a child with a disability periodically, but not more than annually after the two-year period following the dependent's 26th birthday. My health plan may provide input; however, the PEBB Program performs the certification of eligibility.

This form replaces all previous *Certification of a Child with a Disability* forms I have submitted for PEBB benefits. I understand I must notify the PEBB Program in writing **no later than 60 days** after the last day of the month my child is no longer eligible as a child with a disability.
