What are tobacco products?
Tobacco products means any product made with or derived from tobacco that is intended for human consumption, including any component, part, or accessory of a tobacco product. This includes, but is not limited to, cigars, cigarettes, pipe tobacco, chewing tobacco, snuff, and other tobacco products.

Tobacco products do not include:
- E-cigarettes.
- Tobacco cessation aids approved by the Food and Drug Administration, such as:
  1. All over-the-counter nicotine replacement products if recommended by a doctor, such as:
     - Skin patches — generic (nicotine film), private label, or brand name (Habitrol or Nicoderm).
     - Chewing gum (also called nicotine gum) — generic (nicotine polacrilex or Thrive), private label, or brand name (Nicorette).
     - Lozenges — generic (nicotine polacrilex), private label, or brand name (Nicorette or Commit).
  2. Prescription nicotine replacement products:
     - Nasal spray or oral inhaler — brand name (Nicotrol)
     - Products not containing nicotine, such as pills — generic (bupropion hydrochloride) or brand name (Chantix or Zyban).

What is tobacco use?
Tobacco use is defined as any use of tobacco products within the past two months. It does not include the religious or ceremonial use of tobacco.

Enrolled dependents age 12 and younger are automatically defaulted to No (non-tobacco users). You do not have to attest for them. When the dependent turns age 13, you do not need to attest unless the dependent uses, or starts using, tobacco products.

If a provider finds that ending tobacco use or participating in your medical plan’s tobacco cessation program will negatively affect your or your dependent’s health, see more information in PEBB Program Administrative Policy 91-1 on HCA’s website at [hca.wa.gov/pebb-rules](http://hca.wa.gov/pebb-rules).

Does this mean tobacco use within the past two months from today?
Tobacco products used within the two months before the date you submit your attestation count as tobacco use.

What if my tobacco use changes?
You must change your attestation when:
- Any enrolled dependent age 13 and older starts using tobacco products.
- All enrolled dependents age 13 and older have stopped using tobacco products for two months or have enrolled in or accessed one of the tobacco cessation resources noted to the left.

You can change your tobacco use attestation online using PEBB My Account at [hca.wa.gov/my-account](http://hca.wa.gov/my-account) or you can submit a 2022 PEBB Premium Surcharge Attestation Change form. Changes that result in a premium surcharge will begin the first day of the month after the status change (the date you or a dependent started using tobacco products). If that day is the first of the month, the change begins on that day. Changes that result in removing a premium surcharge will begin the first day of the month after your attestation is received. If that day is the first of the month, the change begins on that day.
Spouse or state-registered domestic partner coverage premium surcharge

If you are not enrolling a spouse or state-registered domestic partner (SRDP) on your PEBB medical plan, you don’t need to complete this questionnaire or attest — this premium surcharge doesn’t apply to you. If you have one enrolled, or you will enroll them on your 2022 PEBB medical plan, you must complete this questionnaire.

Answer Yes or No to Questions 2 through 6 below. You must also check the corresponding boxes on your enrollment form, in PEBB My Account, or on the 2022 PEBB Premium Surcharge Attestation Change form.

1. Are you covering your spouse or SRDP in a PEBB medical plan in 2022?  
   - Yes  
   - No

2. Will they be eligible for medical coverage through their employer in 2022? (If they will not be employed in 2022, answer No.)  
   - Yes  
   - No

3. Will their employer offer at least one medical plan that serves their county of residence in 2022?  
   - Yes  
   - No

4. Have they chosen not to enroll in their employer’s medical (including SEBB) coverage in 2022?  
   - Yes  
   - No

5. Will the coverage offered by their employer in 2022 not be through the PEBB Program or a TRICARE plan?  
   - Yes  
   - No
   - Answer Yes if their employer does not offer PEBB coverage or a TRICARE plan.  
   - Answer No if their employer offers PEBB coverage or a TRICARE plan.

6. Will their share of the medical premium through their employer be less than $114.01 per month in 2022?  
   - Yes  
   - No

If you answered No to any of these questions, check No on your 2022 PEBB enrollment form or 2022 PEBB Premium Surcharge Attestation Change form, and check which questions you answered No to. You will not be charged the premium surcharge.

If you answered Yes to all of these questions, you must complete steps 1 and 2 below to find out whether you will be charged the premium surcharge.

1. Your spouse or SRDP should ask their employer for a 2022 Summary of Benefits and Coverage (SBC) for all medical plans that:
   - Serve their county of residence.  
   - Have a monthly premium of less than $114.01 per month for the employee.

2. Use the 2022 SBC information to answer the questions in the 2022 PEBB Spousal Plan Calculator online tool on HCA’s website at hca.wa.gov/erb. Or you can download a paper version and submit it with your enrollment form or your 2022 PEBB Premium Surcharge Attestation Change form.

• Include a copy of the 2022 PEBB Spousal Plan Calculator (not this help sheet) when you submit your form.  
• Your payroll or benefits office (for employees) or the PEBB Program (for retirees and PEBB Continuation Coverage subscribers) will use these to help determine whether your spouse’s or SRDP’s employer-based group medical is comparable to PEBB’s Uniform Medical Plan Classic, and if the premium surcharge will apply.
