Tobacco use premium surcharge

A Skip this section if you are not reporting a change to tobacco use for you or a dependent.

A \$25-per-account premium surcharge is required in addition to your monthly medical premium if you or a dependent (age 13 and older) enrolled on your PEBB medical plan uses a tobacco product. Tobacco use is defined as any use of tobacco products within the past two months. It does not include the religious or ceremonial use of tobacco.

What are tobacco products?

1

Tobacco products means any product made with or derived from tobacco that is intended for human consumption, including any component, part, or accessory of a tobacco product. This includes, but is not limited to, cigars, cigarettes, pipe tobacco, chewing tobacco, snuff, and other tobacco products.

Tobacco products do not include e-cigarettes or United States Food and Drug Administration (FDA) approved quit aids, such as over-the-counter nicotine replacement products, and prescription nicotine replacement products.

Events that require a change:

You must change your tobacco use attestation when you or a dependent's tobacco use status changes, such as quitting or starting smoking.

The premium surcharge will not apply if:

- You and all enrolled dependents ages 18 and older who use tobacco products are currently enrolled in the free tobacco cessation program through your medical plan (visit HCA's website at **hca.wa.gov/tobacco-free**).
- All enrolled dependents ages 13 to 17 who use tobacco products have accessed resources at teen.smokefree.gov.

Does this premium surcharge apply to you?

List yourself and each dependent age 13 and older enrolled on your PEBB medical coverage. You **do not** have to attest for dependents ages 12 and younger. You do not need to attest when the dependent turns age 13 unless the dependent uses, or starts using, tobacco products.

Answer **No** for you and each enrolled dependent who has never used tobacco products, has stopped using them for the past two months, is currently enrolled in their medical plan's tobacco cessation program (if age 18 or older), or has accessed information at **teen.smokefree.gov** (if age 13 to 17). If you or your dependents have never used tobacco products, you do not need to provide a date.

If you check **Yes** or leave the checkboxes blank for yourself or any enrolled dependent age 13 or older, you will be charged the \$25 tobacco use premium surcharge in addition to your monthly medical premium.

Spouse or state-registered domestic partner (SRDP) coverage premium surcharge

\rm A Skip this section if you do not have a spouse or SRDP enrolled on your PEBB medical plan.

A \$50 premium surcharge will be required in addition to your monthly medical premium if you enroll a spouse or SRDP and they have chosen not to enroll in another employer-based group medical that is comparable to Uniform Medical Plan (UMP) Classic. The comparison must be to UMP Classic, even if you are not enrolled in that plan.

Events that require a change:

You must attest to this premium surcharge:

- If you get a letter from the PEBB Program notifying you to attest during the PEBB Program's annual open enrollment.
- No later than 60 days after the date your spouse's or SRDP's employer-based group medical status changes.

See "Surcharges" on HCA's website at **hca.wa.gov/erb** to learn about these situations.

Answer Yes or No to Questions 2 through 6: Question 1 does not apply.

- 1. Are you covering your spouse or SRDP in a PEBB medical plan under your account in 2024?
- 2. Will they be eligible for medical coverage through their employer in 2024? (If they will not be employed in 2024, answer No.)
- **3.** Will their employer offer at least one medical plan that serves their county of residence in 2024?
- 4. Have they chosen not to enroll in their employer's medical (including SEBB) coverage in 2024?
- 5. Will the coverage offered by their employer in 2024 not be through the PEBB Program or a TRICARE plan?
 - a. Answer Yes if their employer does not offer PEBB coverage or a TRICARE plan.
 - b. Answer No if their employer offers PEBB coverage or a TRICARE plan.
- 6. Will their share of the medical premium through their employer be less than \$117.81 per month in 2024?

If you answered **No** to any of these questions, check No and indicate which questions you answered No to below. You will not be charged the surcharge.

If you answered **Yes** to **all** these questions, you must complete the steps below to find out if you will be charged the premium surcharge.

- 1. Your spouse or SRDP should ask their employer for a 2024 Summary of Benefits and Coverage (SBC) for all medical plans that:
 - a. Serve their county of residence.
 - b. Have a monthly premium of less than \$117.81 per month for the employee.
- 2. Use the SBC information to answer the questions in the *PEBB Spousal Plan Calculator* online tool on HCA's website at **hca.wa.gov/erb**. Or you can download a paper version and submit it with your enrollment form or with this form.
