

2021 PEBB medical benefits comparison

The chart below briefly compares the medical deductibles and per-visit out-of-pocket costs of some in-network benefits for PEBB medical plans. Copays and coinsurance may apply; some copays and coinsurance do not apply until after you have paid your annual deductible. Call the plans directly for more information on specific benefits, including preauthorization requirements and exclusions. If anything in these charts conflicts with the plan's certificate of coverage (COC), the COC takes precedence and prevails. All dental plans include a non-duplication of benefits clause, which applies when you have dental coverage under more than one account.
