

2021 PEBB Dental Benefits Comparison

For information on specific benefits and exclusions, refer to the dental plan's certificate of coverage or contact the plan directly. A PPO refers to a preferred-provider organization (network). Managed-care plans have a closed network. If anything in these charts conflicts with the plan's certificate of coverage (COC), the COC takes precedence and prevails. All dental plans include a non-duplication of benefits clause, which applies when you have dental coverage under more than one plan.
