

2023 PEBB Dental Benefits Comparison

The chart below shows what you pay for dental services. Before you select a plan or provider, compare dental plans to find out what services are covered, which providers are in-network, and your costs for care. For information on specific benefits and exclusions, refer to the plan's certificate of coverage (COC) or contact the plan directly. If anything in these charts conflict with the plan's COC, the COC takes precedence and prevails.

DeltaCare and Willamette Dental Group are managed-care plans. You must select and receive care from a primary care dental provider in that plan's network.

Uniform Dental Plan is a preferred-provider organization (PPO) plan. You can choose any dental provider and change providers at any time. You must meet the deductible before the plan pays for most services under this plan.

All dental plans include a nonduplication of benefits clause, which applies when you have dental coverage under more than one account.
