

2019 Premium Surcharge Change Form

Use this form to report a change that affects your surcharge for tobacco use and/or spouse or state-registered domestic partner (as defined by Washington Administrative Code 182-12-260 (2)) coverage. **Note:** University of Washington (UW) employees must use Workday.

Changes that result in a premium surcharge will begin the first day of the month following the status change. If that day is the first of the month, the change to the surcharge begins on that day. Changes that result in removing a premium surcharge will begin the first day of the month following receipt of the attestation. If that day is the first of the month, the change to the surcharge begins on that day.

Type or print clearly in dark ink.

Section 1: Tobacco use premium surcharge

A monthly \$25 surcharge per account is required in addition to your monthly premium if you or a dependent (age 13 and older) enrolled on your PEBB medical plan uses a tobacco product.

See details on the *2019 Premium Surcharge Help Sheet* at www.hca.wa.gov/erb.

Events that require a change: You must change your tobacco use surcharge attestation when you or any of your enrolled dependents' (ages 13 and older) tobacco use status changes. For example, if you quit or start smoking, this is considered a status change.

The surcharge will not apply if you and all enrolled dependents ages 18 and older who use tobacco products are currently enrolled in the free tobacco cessation program through your PEBB medical plan, or if enrolled dependents ages 13–17 who use tobacco products have accessed information and resources for teens at <https://teen.smokefree.gov>.

Enrolled dependents ages 12 and younger are automatically defaulted to NO (non-tobacco users); this means you do not have to attest for dependents ages 12 and younger on this form or online. You do not need to reattest when the dependent turns age 13 unless the dependent uses, or begins using, tobacco products.

Tobacco use is defined as any use of tobacco products within the past two months. It does not include the religious or ceremonial use of tobacco.

List yourself and each dependent age 13 and older enrolled on your PEBB medical coverage. Select the YES or NO checkbox to attest to each dependent. If you check YES or leave the check boxes blank for yourself or any dependent age 13 or older, you will pay the monthly \$25 tobacco use surcharge in addition to your monthly premium. (To list more dependents, attach additional copies of this form.)					Has this person used tobacco products in the past two months?

Section 2: Spouse or state-registered domestic partner coverage premium surcharge

See if this surcharge applies to you by reviewing the *2019 Premium Surcharge Help Sheet* and, if directed, complete the *2019 Spousal Plan Calculator*. Find both at www.hca.wa.gov/erb.

If you do not have a spouse or state-registered domestic partner enrolled on your PEBB medical plan, skip this section. A monthly \$50 surcharge will be required in addition to your monthly premium if you have a spouse or state-registered domestic partner enrolled on your PEBB medical, and your spouse or state-registered domestic partner has elected not to enroll in another employer-based group medical that is comparable to Uniform Medical Plan (UMP) Classic. (Comparison must be to UMP Classic, even if you are not enrolled in that plan.)

Events that require a change: You may have to reattest to the spouse or state-registered domestic partner coverage premium surcharge during the PEBB Program's annual open enrollment (November 1–30). See www.hca.wa.gov/erb for situations in which you must reattest. Outside of the annual open enrollment, you must also change your attestation no later than 60 days after the date your spouse's or state-registered domestic partner's employer-based group medical status changes.
