Special open enrollment (SOE) changes

The PEBB Program only allows changes outside of an annual open enrollment when an event creates a special open enrollment (SOE). The change must be allowable under the Internal Revenue Code and Treasury regulations, and correspond to and be consistent with a special open enrollment event for the subscriber, their dependents, or both. To disenroll from a Medicare Advantage plan, the change must be allowed under 42 C.F.R. Secs. 422.62(b) and 423.38(c).

The PEBB Program must receive Form E and proof of the event that created the special open enrollment **no later than 60 days** after the event occurs. Exceptions apply for new enrollment in a PEBB Medicare Supplement plan or Medicare Advantage plan.

Changes you can make if an event creates a special open enrollment

Check the box next to each change you are requesting, and then check the box next to the corresponding event below. In most cases, the enrollment or change will be effective the first day of the month after the event date or the date the form is received, whichever is later. If that day is the first of the month, the change begins on that day.

If enrolling a state-registered domestic partner (SRDP) or their child, you must also submit a *PEBB Declaration of Tax Status* form to indicate whether they qualify as a dependent for tax purposes under IRC Section 152, as modified by IRC Section 105(b). A health plan change is not allowed when adding an SRDP or their child if they are not a tax dependent.

By submitting this form, I declare that the information I have provided is true, complete, and correct. If it isn't, or if I do not update this information within the timelines in PEBB Program rules, to the extent permitted by federal and state laws, I must repay any claims paid by my health plan(s) or premiums paid on my behalf. My dependents and I may also lose PEBB health plan coverage as of the last day of the month we were eligible. To the extent permitted by law, the PEBB Program may retroactively terminate coverage for me and my dependents if I intentionally misrepresent eligibility, or do not fully pay premiums when due. In addition, I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of PEBB benefits.

If I send payment, this does not mean my change request will be approved. The PEBB Program will verify special open enrollment eligibility for me and my dependents. If we do not qualify, I will receive a refund of premium payments. I understand I am responsible for paying the applicable tobacco use premium surcharge and spouse or state-registered domestic partner coverage premium surcharge in addition to my monthly medical premium (if I am not enrolled in Medicare Part A and Part B).

I understand if I enroll in PEBB retiree dental, it is my responsibility to call the plan (not my provider) to verify my dentist is covered by the dental plan network I selected. I understand if I or any enrolled dependent are eligible for Medicare Part A and Part B, we must enroll and stay enrolled in Part A and Part B.

If I choose to defer medical/dental, I understand I can enroll or reenroll no later than 60 days after losing other qualifying medical coverage or during the PEBB Program's annual open enrollment as long as I maintain and provide proof of continuous enrollment in one or more qualifying

coverages. A gap in coverage of 31 days or less is allowed between the date PEBB retiree insurance coverage is deferred and the start date of a qualifying coverage, as well as between each enrollment in qualifying coverages. The PEBB Program must receive my enrollment form no later than 60 days after other qualifying medical coverage ends, or no later than the last day of the PEBB Program's annual open enrollment period. If I defer enrollment for myself, I cannot enroll my eligible dependents except as allowed under PEBB Program rules. I understand in most cases, enrollment will be deferred effective the first of the month following the date this form is received by the PEBB Program unless a future date is provided.

If I am enrolling in a consumer-directed health plan with a health savings account (HSA), I must meet HSA eligibility conditions. I understand the PEBB Program will direct a portion of my monthly premium to an HSA based on the information I have provided, and that there are limits to these contributions and my HSA contributions, if any, under federal tax law.

If I die, my eligible surviving dependents must complete the *PEBB Retiree Election Form* (form A) to enroll or defer enrollment in PEBB retiree insurance coverage. The PEBB Program must receive the form no later than 60 days after my death.

This form replaces all enrollment or change forms previously submitted to the PEBB Program. If I am a retiree or survivor receiving benefits from the Department of Retirement Systems (DRS), the PEBB Program may share my information with DRS to better serve me.

I understand that my enrollment and my dependents' enrollment are subject to my adherence to all applicable deadlines and PEBB Program rules and policies. Failure to comply with applicable deadlines and PEBB Program rules and policies may result in my insurance coverage selections being rejected or defaulted.
