The PEBB Program requires a $25-per-account surcharge in addition to your monthly medical premium if you or an enrolled dependent (age 13 or older) uses a tobacco product. Tobacco use is defined as any use of tobacco products within the past two months except for religious or ceremonial use. Tobacco products are any product made with or derived from tobacco that is intended for human consumption, including any component, part, or accessory of a tobacco product. This includes, but is not limited to, cigars, cigarettes, pipe tobacco, chewing tobacco, snuff, and other tobacco products. Tobacco products do not include e-cigarettes, or United States Food and Drug Administration (FDA) approved quit aids, such as over-the-counter nicotine replacement products recommended by a doctor, and prescription nicotine replacement products.

If a provider finds that ending tobacco use or participating in your medical plan's tobacco cessation program will negatively affect your or your dependent's health, see more information in the PEBB Program Administrative Policy 91-1 on HCA's website at **hca.wa.gov/pebb-rules**.

The premium surcharge will not apply if you or any enrolled dependents who use tobacco meet these requirements:

7 Subscriber agreement

By submitting this form, I declare that the information I have provided is true, complete, and correct. If it isn't, or if I do not update this information within the timelines in PEBB Program rules, to the extent permitted by federal and state law, I must repay any claims paid by my health plans or premiums paid on my behalf. My dependents and I may also lose PEBB health plan coverage as of the last day of the month we were eligible. To the extent permitted by law, the PEBB Program may retroactively terminate coverage for me and my dependents if I intentionally misrepresent eligibility, or do not fully pay premiums when due. In addition, I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of PEBB insurance benefits.

If I send payment, this does not mean I will be automatically enrolled in PEBB retiree insurance coverage. The PEBB Program will verify eligibility for me and my dependents. If we do not qualify, I will receive a refund of premium payments.

I understand I am responsible for paying the applicable tobacco use premium surcharge and spouse or state-registered domestic partner coverage premium surcharge in addition to my monthly premium (if I am not enrolled in Medicare Part A and Part B).

I understand if I enroll in PEBB retiree dental, it is my responsibility to call the plan (not my provider) to verify my dentist is covered by the dental plan network I selected.

I understand if I or any enrolled dependent is eligible for Medicare Part A and Part B, we must enroll and stay enrolled in Part A and Part B.

If I choose to defer medical/dental for myself, I cannot enroll my eligible dependents. I understand in most cases, enrollment will be deferred effective January 1, 2023. I understand I can enroll or reenroll **no later than 60 days** after losing qualifying medical coverage or during the PEBB Program's annual open enrollment, as long as I maintain and provide proof of continuous enrollment in one or more qualifying coverages. A gap in coverage of 31 days or less is allowed between the date PEBB retiree insurance coverage is deferred and the start date of a qualifying coverage, and between each enrollment in qualifying coverages during the deferral period. The PEBB Program must receive my enrollment form **no later than 60 days** after other qualifying coverage ends, or no later than the last day of the PEBB Program's annual open enrollment.

If I am enrolling in a consumer-directed health plan with a health savings account (HSA), I must meet HSA eligibility conditions. I understand that the PEBB Program will direct a portion of my monthly premium to an HSA based on the information I have provided, and that there are limits to these contributions and my HSA contributions, if any, under federal tax law.

If I die, my eligible surviving dependents must complete the *PEBB Retiree Election Form (form A)* to enroll or defer enrollment in PEBB retiree insurance coverage. The PEBB Program must receive the form **no later than 60 days** after my death.

If I am electing to enroll in a Medicare Advantage (MA) or Medicare Advantage-Prescription Drug (MAPD) plan, I certify that I have read and understand the Statement of Understanding in Section 10. I know that I must refer to the plan's certificate of coverage for rules I must follow to receive coverage under a PEBB Medicare Advantage contract. I understand that enrollment in a MA/MAPD plan may not be retroactive. If I elect to enroll in a Kaiser Permanente MA plan, and the required forms are received by the PEBB Program after the date PEBB retiree insurance coverage is to begin, my enrolled dependents and I will be enrolled in another Kaiser Permanente plan during the gap month(s) prior to when Kaiser Permanente MA coverage begins. If I elect to enroll in a UnitedHealthcare MAPD plan, and the required forms are received by the PEBB Program after the date PEBB retiree insurance coverage is to begin, my enrolled dependents and I will be enrolled in UMP Classic during the gap month(s) prior to when the UnitedHealthcare MAPD plan begins.

This form cannot be signed more than 90 days before the effective date of this coverage. (See Statement of Understanding at the end of this form for coverage effective date.)

This form replaces all retiree coverage election/change forms previously submitted to the PEBB Program. All changes noted on this form become effective January 1, 2024.

If I am a retiree receiving benefits from the Department of Retirement Systems (DRS), the PEBB Program may share my information with DRS.

I understand that my enrollment and my dependents' enrollment are subject to my adherence to all applicable deadlines and PEBB Program rules and policies. Failure to comply with applicable deadlines and PEBB Program rules and policies may result in my insurance coverage selections being rejected or defaulted.

Statement of Understanding

I understand that beginning on my effective date with the Medicare Advantage plan I have selected in Section 3 of this form, as long as this form is signed prior to the effective date, all medical services, with the exception of emergency or out of area urgently needed services, must be provided or arranged for by the plan. Services rendered without prior authorization from my Medicare Advantage plan when required will not be reimbursed by the plan or Medicare, except for emergency services anywhere in the world or urgently needed services outside the plan's service area (or services provided under unusual and extraordinary circumstances when I am in the service area but my contracting medical group is temporarily unavailable or inaccessible).

I understand that the Medicare Advantage plan will release my information to Medicare, and Medicare may release it for research and other purposes that follow all applicable federal statutes and regulations.

I understand that I can be a member of only one Medicare Advantage plan at any time. By enrolling in the Medicare Advantage plan I have selected, I will automatically be disenrolled by the Centers for Medicare & Medicaid Services (CMS) from any other Medicare health or prescription drug plan of which I may be a member.

By enrolling in the Medicare Advantage plan, I authorize CMS to provide information to the Medicare Advantage plan I select confirming my entitlement for Medicare Hospital Insurance Benefits (Part A) and Supplementary Medical Insurance Benefits (Part B) under Title XVIII (the Medicare Program) of the Social Security Act. I understand that I must maintain my Medicare Part A and Part B insurance by continuing to pay the Part B premiums and the Part A premiums, if applicable. I also authorize the Medicare Advantage plan's provider or any other holder of medical or other relevant information about me to release to CMS or CMS's agents any information needed to administer Title XVIII of the Social Security Act.

I HEREBY AUTHORIZE any person including — but not limited to — physicians, hospitals, insurance companies and other organizations to release any information acquired by such person in the course of examination or treatment of myself, which is relevant to the provision or coordination of benefits or to professional review activities.

I understand that it is my responsibility to inform the Medicare Advantage plan I have selected before either permanently moving out of the service area or leaving the service area for more than six months in a row, and that my absence means the plan must disenroll me and return me to the Original Medicare coverage.

I understand that I may disenroll from this Medicare Advantage plan by sending a written request to the PEBB Program with form D. Until confirmation of the effective date of disenrollment, I must continue to receive health care from the Medicare Advantage plan providers.

I understand that as a member of the Medicare Advantage plan, I have the right to appeal service and payment denials made by the plan.

I understand that my enrollment in the Medicare Advantage plan I have selected is effective the day PEBB insurance begins, or the first of the month after the PEBB Program receives my completed enrollment request, or effective as of my enrollment in both Medicare Parts A and B, whichever event occurs later, and may not be the same as my date of retirement. If I submit this form during the PEBB Program's annual open enrollment (November 1–30), then my enrollment is effective January 1 of the following year.

I understand that upon confirmation from CMS, the PEBB Program will send me written notice of my effective date of enrollment. I understand that when my coverage begins I must get all of my medical (and prescription drug, if applicable) benefits from the plan. Note: Until you have received written notification of your effective date, you should not drop any supplemental insurance you have in effect now.
