

2018 Introduction to PEBB Coverage for Employer Groups

What does the Public Employees Benefits Board (PEBB) Program offer?

The PEBB Program provides a comprehensive insurance package that includes:

- Medical/vision
- Dental
- Life and accidental death and dismemberment (AD&D)
- Long-term disability (LTD)
- Group discounts for auto and home insurance

Your employees may select any PEBB health plan available in their county of residence. This brochure will give you an overview of eligibility, benefits, and the application process. For details, go to www.hca.wa.gov/public-employee-benefits/groups-joining-pebb/employer-groups.

How does the PEBB Program work?

The PEBB Program, under the Washington State Health Care Authority (HCA), administers benefits and eligibility for more than 370,000 public employees, retirees, COBRA and continuation coverage members, and their dependents. The HCA purchases coverage through competitive bids from private insurance companies, and is able to negotiate competitive premiums. We do all of the purchasing and contracting so you can focus on your core services.

Eligibility

Groups

- PEBB group coverage is available only to entities and employees that perform governmental functions and are not controlled by private interests. Coverage is available to all employees, individual bargaining groups, or all nonrepresented employees of:
 - Counties, municipalities, and political subdivisions.
 - Tribal governments.
 - Employee organizations that represent state civil service employees.
 - The Health Benefit Exchange.
 - Entities with individual statutory authority.
- Your group may purchase the full-benefits package of medical/vision, dental, life and AD&D insurance, and LTD insurance, or may purchase only medical/vision. **Note:** If the group selects the full-benefits package, employees cannot waive dental, basic life and AD&D insurance, or basic LTD insurance.
- Your group may request inclusion of retirees covered under your current retiree health plan, subject to PEBB requirements outlined in Washington Administrative Code (WAC) 182-08-237.
- Employees who retire after your group joins the PEBB Program will be eligible for PEBB retiree insurance coverage based on retiree eligibility rules in WAC 182-12-171.
- Coverage for retirees only is not available through the PEBB Program.
- The HCA must approve your group's participation.
- Once approved, the HCA will charge a start-up fee based on your group's size. Failure to pay the start-up fee or return the Interlocal Agreement (or Intergovernmental Agreement for tribal governments) before the group's effective date of coverage may result in a delayed coverage date.
- Once enrolled, your group must participate in PEBB insurance coverage for at least one full year, and may end participation only at the end of the plan year (December 31), unless the HCA approves a mid-year termination.

Employees

- The PEBB Program outlines employee eligibility in WAC 182-12-114. Employee and dependent eligibility and terms of enrollment for insurance coverage are determined by the criteria outlined in the Interlocal Agreement with the PEBB Program.
- Employees may waive PEBB medical coverage for themselves if they have other employer-based group medical insurance, Medicare, or TRICARE. If an employee waives PEBB medical coverage, he or she cannot enroll dependents in PEBB medical. Employees may enroll eligible dependents as outlined in WAC 182-12-262, but are not required to enroll them.
- Employees who waive PEBB medical coverage must enroll in PEBB dental, basic life and AD&D insurance, and basic LTD insurance if your group selects the full-benefits package.
- Family members cannot be enrolled in two PEBB medical and dental accounts at the same time, even if eligible under more than one enrolled subscriber.

Retirees

- Retiree eligibility is described in WAC 182-12-171.
- Employees who enroll in PEBB insurance coverage may continue their coverage upon retirement as long as they meet PEBB requirements and your group continues to participate in the PEBB Program.
- Employees who retired before your group's effective date of PEBB insurance coverage may not enroll in PEBB retiree coverage, unless they meet the criteria outlined in WAC 182-08-237. Contact the ERB Division's Outreach and Training Unit for details.

Dependents

Under WAC 182-12-260, an employee may enroll:

- His or her lawful spouse or state-registered domestic partner.
- Children up to age 26.
- Children of any age with a developmental disability or physical handicap who are incapable of self-sustaining employment and chiefly dependent on the subscriber for support and ongoing care, as long as the condition occurred before age 26.
- Extended dependents in the legal custody or legal guardianship of the subscriber or subscriber's spouse or state-registered domestic partner.

The PEBB Program requires proof of eligibility before enrolling any dependents.
