

**Health insurance can seem complicated, especially if you're new to the plan. Below are some tips to help you get the most out of your benefits and save money.**

## 1. Always use your UMP member ID card.

You will receive a new UMP ID card from Regence for the 2024 plan year. Your new card will have an updated nurse line number. You use the same ID card for both medical and prescription drug services. You do not use your UMP ID card for dental services.

Be sure to show your ID card whenever you see a provider or fill a prescription. Providers and pharmacies use the information on the card to make sure they bill for the service correctly.

**Note:** PPO stands for preferred provider organization. The PPO in the suitcase icon on your ID card means

you are a PPO BlueCard member and have access to Blue Cross or Blue Shield plan providers worldwide.

## 2. Use preferred providers whenever possible.

When you see a preferred provider, you'll pay much less (20 percent coinsurance for most covered services after meeting your deductible) than what you would pay if you see an out-of-network provider. Preferred providers cannot bill you more than the plan allows (called the allowed amount).

If you see an out-of-network provider, you'll pay 40 percent coinsurance for most covered services after meeting your deductible. Out-of-network providers

may also bill you for any amounts above the allowed amount (called balance billing) and your coinsurance will not count toward your deductible or out-of-pocket limit.

To find preferred providers, visit the UMP provider search at [ump.regence.com/go/pebb/UMP-Select](http://ump.regence.com/go/pebb/UMP-Select) or call UMP Customer Service at 1-888-849-3681 (TRS: 711).

### Preferred versus out-of-network provider cost comparison examples

Provider type	Provider's billed charge	Allowed amount	What you pay after deductible is met	Amount the plan pays (% of allowed amount)
<b>Preferred provider</b>	\$150	\$100	\$20 (20% of \$100) The provider cannot balance bill you.	\$80 (80% of \$100)
<b>Out-of-network provider</b>	\$150	\$100	\$90 (40% of \$100 plus \$50, the amount the provider may balance bill you for costs above the allowed amount)	\$60 (60% of \$100)

To learn more about medical benefits, you can also call UMP Customer Service. For questions about prescription drug coverage, contact Washington State Rx Services at 1-888-361-1611 (TRS: 711).

## 4. Learn about new benefits for 2024.

UMP has new benefits to help you stay healthy and reach your wellness goals. For more information about these and other benefits, read your 2024 UMP Select Certificate of Coverage, available by visiting Forms and publications at [hca.wa.gov/ump-pebb-coc](https://hca.wa.gov/ump-pebb-coc).

- **Hearing aids:** You will pay \$0 of the \$3,000 benefit limit per ear every three calendar years for prescribed hearing aids. You will be responsible for hearing aid charges exceeding the \$3,000 benefit limit. Hearing aids are not subject to your deductible. Other covered hearing-related services such as ear molds, initial batteries, and cords will be paid at the standard rate.
- **SmartHealth:** SmartHealth will have a new look and feel beginning January 2, 2024. You will need to create your account in the portal to get started towards completing your wellbeing assessment and activities customized to your needs. SmartHealth is Washington State's voluntary wellness program that supports you on your journey toward living well. It is included in your PEBB benefits at no cost to you. SmartHealth supports whole person well-being. Join activities

that support all of you, including managing stress, building resiliency, and adapting to change. As you progress on your wellness journey, you may also qualify for the SmartHealth wellness incentive. To get started, sign in to [smarthealth.hca.wa.gov](https://smarthealth.hca.wa.gov).

- **Changes to coverage for outpatient dialysis services:** Starting January 1, 2024, you pay the standard rate during your initial outpatient treatment period of three months. Once the supplemental treatment period begins, you will pay 0 percent of the allowed amount for covered outpatient dialysis services. You may also be eligible for Medicare Part B coverage and to get your Medicare Part B premiums reimbursed by the plan. If you are not enrolled in Medicare Part B and you receive outpatient dialysis from an out-of-network provider during the supplemental treatment period, you will be responsible for any amount exceeding the allowed amount (known as balance billing). Call UMP Customer Service at 1-888-849-3681 (TRS: 711) to connect with a care manager who can assist you.

## 5. Take advantage of your vision benefit.

UMP provides vision coverage in collaboration with Regence Choice Vision Plan, administered by Vision Service Plan (VSP). VSP administers benefits for routine eye exams and hardware (lenses, frames, or contact lenses) and provides claims administration for this plan. To get the most out of your vision benefit, see a provider in the VSP Choice Network. Visit the VSP

website at [vsp.com/eye-doctor](https://vsp.com/eye-doctor) to search for a VSP Choice network provider.

For more information about VSP and your vision benefit, read your plan's certificate of coverage by visiting forms and publications at [hca.wa.gov/ump-pebb-coc](https://hca.wa.gov/ump-pebb-coc) or call UMP Customer Service.

## 6. Get preventive care, including covered vaccines, at no cost to you.

Get covered vaccines, such as flu, COVID vaccines, and other preventative vaccinations that are recommended by the Centers for Disease Control and Prevention (CDC) at select network pharmacies. Find a network vaccination pharmacy by using the Pharmacy Locator tool located on the 2024 plan detail page at [ump.regence.com/pebb/plans/2024/select](https://ump.regence.com/pebb/plans/2024/select) or by calling Washington State Rx Services (WSRxS) Customer Service. You will need to call and verify that your pharmacy offers

vaccinations. You can also visit a preferred provider, participating provider, or a public health department to get vaccinated. For a list of vaccines and immunization schedules, visit the CDC website at [cdc.gov/vaccines/schedules](https://cdc.gov/vaccines/schedules) or call UMP Customer Service.

In addition to covered vaccines, you pay \$0 for some preventive care services when you see a preferred or participating provider. These include services such as wellness visits and tobacco cessation products. To see

which services are covered under the preventive benefit, call UMP Customer Service or visit the Healthcare.gov website at [healthcare.gov/preventive-care-benefits](https://healthcare.gov/preventive-care-benefits).

## 7. Use network pharmacies.

Check which pharmacies are available in our 2024 pharmacy network, by using the Pharmacy Locator tool located on the 2024 plan detail page at [ump.regence.com/pebb/plans/2024/select](https://ump.regence.com/pebb/plans/2024/select). The pharmacies listed on the 2024 Pharmacy Locator tool are subject to change.

Pharmacies are part of a different network than medical providers. That means pharmacies listed on the medical provider search on Regence BlueShield's website are **not** network pharmacies. When you use

**Note:** UMP does not cover immunizations for travel or employment.

network, retail, or mail-order pharmacies, you pay based on the prescription drug's allowed amount, a discounted price negotiated by the plan. If you use a non-network pharmacy, the pharmacy may charge more than the plan's allowed amount and you will need to submit a prescription drug claim form. You must pay the additional amount, which does not apply to your prescription drug deductible or out-of-pocket limit. Prescriptions purchased from an excluded pharmacy will not be covered.

## 8. Learn about your prescription drug benefit.

To save money, try these tips:

- Talk to your provider about prescribing generic or lower-cost brand-name drugs.
- Ask your pharmacist to substitute a brand-name drug with a generic whenever possible.
- Purchase your continuous glucose monitor (CGM) supplies at a network pharmacy. To find a network pharmacy, visit the Prescription drug

coverage webpage at [ump.regence.com/pebb/benefits/prescriptions](https://ump.regence.com/pebb/benefits/prescriptions) and use the Pharmacy Locator Tool.

- Check how much your prescription drugs will cost in 2024, by using the Drug Price Check tool located at [ump.regence.com/pebb/plans/2024/select](https://ump.regence.com/pebb/plans/2024/select) to check the cost of prescription drugs.

## 9. Find out what you pay for prescription drugs.

**Prescription drug deductible:** \$250 individual, \$750 maximum for family of three or more. The prescription drug deductible only applies to Tier 2 prescription drugs except covered insulins. Once you meet your deductible, you only pay your coinsurance.

The prescription drug deductible does not apply to covered insulins. If you have not met your deductible, coinsurance for covered insulins will be applied to

your prescription drug deductible when you fill your insulin at a network pharmacy. See the table below for more details.

**Prescription drug out-of-pocket limit:** \$2,000 per person, \$4,000 family maximum

**Note:** Most specialty drugs must be purchased through the plan's network specialty pharmacy, Ardon Health.

Tier	All network pharmacies (retail, mail-order, and specialty)	The most you'll pay per 30-day supply (network pharmacies only)
<b>Preventive</b>	No coinsurance No deductible	\$0
<b>Value Tier (Value)</b>	5% coinsurance No deductible	\$10
<b>Tier 1 (Tier 1/Tier 1 specialty) Select generic drugs</b>	10% coinsurance No deductible	\$25
<b>Tier 2 (Tier 2/Tier 2 specialty) Preferred drugs</b>	30% coinsurance Deductible applies (except for covered insulins)	\$75 \$35 for covered insulins

### How to request an exception for a noncovered drug

If you are prescribed a noncovered drug and you have tried all the alternative drugs and none are found to be effective, or if the alternatives are found to not be medically appropriate, you or your prescribing provider can request an exception by calling WSRxS Customer

Service. Excluded prescription drugs and products are not eligible for an exception.

If an exception is approved, you will pay the Tier 2 cost share. (The deductible applies, 30% coinsurance up to \$75 per 30-day supply). If an exception is not approved, UMP will not cover the drug.

## **Pharmacies outside the United States are out-of-network**
