

UMP Plus (PEBB) 2020 Quick Start Guide

Health insurance can seem complicated, especially if you're new to the plan. Below are some tips to help you get the most out of your benefits and save money.

UMP Plus networks:

Puget Sound High Value Network (UMP Plus–PSHVN)

UW Medicine Accountable Care Network (UMP Plus–UW Medicine ACN)

1. Always use your UMP member ID card.

Be sure to show your ID card whenever you see a provider or fill a prescription. Providers and pharmacists use the information on the card to make sure they bill for the service correctly.

Note: The UMP Plus ID cards are different from UMP Classic and UMP CDHP ID cards and are specific to each UMP Plus network.

To find network providers, visit regence.com/ump/pebb and select "Find a doctor" or call UMP Customer Service at 1-888-849-3681 (TRS: 711). To find core providers, UMP Plus–PSHVN members can visit pugetsoundhighvaluenetwork.org, and UMP Plus–UW Medicine ACN members can visit pebb.uwmedicine.org.

2. Use providers in the core and support networks whenever possible.

The amount you pay for services will depend on which provider you choose to see from the networks below. Services are subject to the medical deductible unless otherwise noted.

- Core network—contains primary care providers (PCPs), specialty providers, ancillary providers (such as physical therapists, chiropractors, behavioral health counselors), and facilities (such as hospitals and clinics) contracted with your UMP Plus network.
 - Most covered services are paid at 100 percent when you see your PCP and 85 percent for all other providers in this network.

Note: When you see a PCP for primary care services, office visits are paid at 100 percent (not subject to the deductible). Related services, like x-rays or labs, that you receive during a primary care visit may be subject to the medical deductible and coinsurance.

- Providers will not bill you for charges that exceed the allowed amount (called balance billing).
- Support network—contains certain providers contracted with Regence BlueShield. Not all Regence providers participate in the support network. To find a support network provider, visit regence.com/ump/pebb/finding-doctors.
 - Most covered services are paid at 85 percent.
 - Providers will not balance bill you.
- Out-of-network providers—providers who are not in the core or support networks. Out-of-network providers can include providers contracted as preferred or participating providers with Regence BlueShield. If you see a preferred or participating provider with Regence BlueShield who is not in the core or support network, they are considered out-of-network providers. Your UMP Plus provider search directory lists all providers available to you under the network. All other providers who are not contracted with Regence BlueShield are out of network.
 - Most covered services are paid at 50 percent.
 - Out-of-network providers may balance bill you. Regence preferred and participating providers will not balance bill you.

For more information about provider types, visit regence.com/ump/pebb/benefits/providers/ump-plus-providers.

Network versus out-of-network provider cost comparison examples				
Provider type	Provider's billed charge	Allowed amount	Amount the plan pays (% of allowed amount)	What you pay after deductible is met
Network provider	\$150	\$100	\$85 (85% of \$100)	\$15 (15% of \$100) The provider cannot balance bill you.
Out-of-network provider	\$150	\$100	\$50 (50% of \$100)	\$100 (50% of \$100) Plus the amount the provider may balance bill you (the amount charged above the allowed amount, \$50).

3. Check out UMP's new website and helpful online tools

UMP's website has moved! Visit regence.com/ump/pebb for 2020 UMP information.

- **Looking for a provider?** Visit regence.com/ump/pebb/finding-doctors to find a new provider or see if your provider is in your plan's network.
- **Want specific information about 2020 costs and benefit limits or exclusions?** Start on the "Understanding your coverage" webpage at regence.com/ump/pebb/benefits/understanding-coverage.
- **Need UMP forms and publications?** Select the "Find forms" link at the top of any page to get to a searchable forms and publications page.
- **Want to sign in to your Regence account?** Select "Sign in" at the top-right corner of any page.
- **Need prescription drug information?** Visit regence.com/ump/pebb/benefits/prescriptions.
 - Use the Drug Price Check tool and get an estimated cost for your prescription drugs.
 - Find a UMP network pharmacy near you.
 - Review the UMP Preferred Drug List.
 - Access your online pharmacy account to view your prescription drug claims history, find member resources, and use the Drug Information and Interaction Checker.

4. Learn about new benefits for 2020

UMP has new benefits to help you stay healthy and reach your wellness goals. Visit regence.com/ump/pebb for more information about these and other benefits.

- Enjoy more comfort and support through BabyWise, a maternity program that supports expectant parents. Call 1-888-569-2229 to learn more.
- Get 24/7 medical advice through Advice24 nurse line. Advice24 provides access to registered nurses who can provide immediate support for everyday health issues and questions that otherwise might lead to

unnecessary doctor or emergency room visits. UMP Plus-PSHVN members can access the nurse line 24/7 by calling 1-800-267-6729 (TRS: 711). UMP Plus-UW Medicine ACN members should call 1-855-520-9500 (TRS: 711) for 24-hour nurse line care.

To learn more about these new benefits read your UMP Plus certificate of coverage at hca.wa.gov/umpplus-pebb-coc.

5. Take advantage of your vision benefit.

You don't need to meet your deductible before UMP pays for routine vision exams or hardware. UMP covers one routine eye exam per calendar year for each person enrolled in the plan. You can get this exam at no cost to you when you see a network provider. The plan also pays up to \$65 per year for contact lens fitting fees (you pay any amount over that). Vision hardware for adults (over age 18) is covered up to \$150 every two calendar years. Children's vision hardware is covered as follows: one set of standard frames and lenses per year paid at 100 percent of the allowed amount or an annual supply of contact lenses instead of eyeglasses. Call UMP Customer Service at 1-888-849-3681 (TRS: 711) for more information about this benefit.

6. Get preventive care, including covered vaccines, at no cost to you.

Get covered vaccines, such as flu shots, that are recommended by the Centers for Disease Control and Prevention (CDC) at select network pharmacies. No appointment needed! Find a network vaccination pharmacy at regence.com/ump/pebb/benefits/prescriptions or by calling Washington State Rx Services (WSRxS) Customer Service at 1-888-361-1611 (TRS: 711). You can also visit a network provider or a public health department to get vaccinated. For a list of vaccines, visit cdc.gov/vaccines/schedules to see the CDC immunization schedules or call UMP Customer Service at 1-888-849-3681 (TRS: 711).

In addition to covered vaccines, some preventive care services are covered 100 percent when you see a network provider. These services include things like a wellness visit and tobacco cessation products. To see which services are covered under the preventive benefit, call UMP Customer Service at 1-888-849-3681 (TRS: 711) or visit healthcare.gov/preventive-care-benefits.

Note: UMP does not cover immunizations for travel or employment, even when recommended by the CDC or required by travel regulations.

7. Use network pharmacies.

Visit regence.com/ump/pebb/benefits/prescriptions or call WSRxS Customer Service at 1-888-361-1611 (TRS: 711) to find UMP network pharmacies. Pharmacies are part of a different network than medical providers. That means pharmacies listed on the medical provider search on Regence BlueShield’s website are **not** network pharmacies. If you use a non-network pharmacy, you will pay more and may have to submit your own prescription drug claim forms for reimbursement.

8. Learn about your prescription drug benefit.

UMP Plus members have no prescription drug deductible. To save even more money, try these tips:

- Talk to your provider about prescribing generic or lower-cost brand-name drugs.
- Ask your pharmacist to substitute a brand-name drug with a generic whenever possible.
- Use the Drug Price Check tool at regence.com/ump/pebb/benefits/prescriptions or call WSRxS Customer Service at 1-888-361-1611 (TRS: 711) to find out if less expensive alternatives are available.
- Use the Washington Prescription Drug Discount Card for prescription drugs not covered by your plan. To learn more about the Washington Prescription Drug Program, visit hca.wa.gov/pdp.
- Check to see if you are able to save more money by using Postal Prescription Services (PPS) or a Choice90Rx network pharmacy to fill prescription drugs that you take regularly.
 - **PPS mail-order pharmacy:** You may save on select brand-name drugs when you order from PPS, UMP’s only mail-order pharmacy. Typically, you will receive your prescriptions within 7 to 10 days. Use of PPS mail-order pharmacy is an option, but not required if you prefer to use a retail pharmacy.
 - **Choice90Rx network pharmacies:** If you purchase between an 84 to 90 day supply of a prescription drug, you may be able to save money by going to a Choice90Rx network pharmacy. For a list of Choice90Rx network pharmacies, visit regence.com/ump/pebb/benefits/prescriptions, select “Network pharmacies,” then click on “Find a network pharmacy.” You can also call WSRxS Customer Service at 1-888-361-1611 (TRS: 711).

What you pay for prescription drugs

Prescription drug out-of-pocket limit: \$2,000 per person, \$4,000 family maximum. No prescription drug deductible.

Note: Specialty drugs must be purchased through the plan’s network specialty pharmacy, Ardon Health.

Tier	All network pharmacies (retail, mail-order, and specialty)	The most you’ll pay per 30-day supply (network pharmacies only)
Preventive*	0% coinsurance	\$0
Value Tier*	5% coinsurance	\$10
Tier 1 Select generic drugs	10% coinsurance	\$25
Tier 2 Preferred drugs	30% coinsurance	\$75

**Preventive and Value tiers are not applicable to specialty drugs.*

How to request an exception for a noncovered drug

If you are prescribed a noncovered drug, you or your prescribing provider can request an exception by calling WSRxS Customer Service at 1-888-361-1611 (TRS: 711).

In order to receive coverage of a noncovered prescription drug, you must have tried all of the preferred alternatives and found none to be effective or your provider must demonstrate that the alternatives are not medically appropriate. Your provider must submit clinical documentation of these scenarios for UMP to grant an exception request.

If an exception is approved, you will pay the Tier 2 cost-share (30 percent of the allowed amount, \$75 maximum payment per 30-day supply). If an exception is not approved, UMP will not cover the drug.
