PEBB’s open enrollment is November 1 – 30, 2016

What’s changing with your PEBB health coverage for 2017

All changes are effective January 1, 2017—look inside for more details.

Contact your employer’s personnel, payroll, or benefits office for 2017 monthly premiums.

- New life insurance benefits and premiums—and a one-time open enrollment opportunity
- Medical plan benefits
- UMP Plus expands into new counties
- Individual contribution amounts for health savings accounts (HSA)
- Optional long-term disability (LTD) insurance premiums
- PEBB Program rules and policies

New life insurance benefits and premiums—and a one-time open enrollment opportunity

This benefit applies only to employer groups offering the PEBB Program's full benefits package. Please contact your employer's personnel, payroll, or benefits office to ask if life insurance is part of your PEBB benefits package, or for questions about eligibility.

The PEBB Program strives to provide its members with better benefits and services at competitive costs. This year, the Health Care Authority (HCA) partnered with MetLife to provide new life insurance benefits to PEBB Program members starting January 1, 2017.

At the same time as the PEBB Program’s open enrollment, MetLife will offer a special, one-time open enrollment opportunity from November 1-30, 2016, that will allow employees to enroll in or increase their optional life insurance or optional accidental death and dismemberment (AD&D) insurance without answering health questions and/or having a medical exam. Life insurance for you and your dependents is guaranteed up to certain amounts, even if you have been turned down before due to health reasons.

Almost everyone will need to take some action during MetLife’s open enrollment. Please see “Life insurance: Your one-time opportunity in November will guarantee coverage starting in 2017” on pages 6-7 and www.hca.wa.gov/public-employee-benefits for more information, including monthly premiums. Employees will also receive mailings from MetLife in mid-to-late October. MetLife Customer Service representatives will be available at the PEBB Program’s benefits fairs (see pages 10-11) to answer questions.

Medical plan benefits

The changes shown on the next page affect the plans noted. Call the plans directly or visit their websites for more information (see page 9 for contact information).

Other medical benefits won’t change in 2017; but keep in mind, costs for prescription drugs can change during the year due to changes to tiers or coverage criteria.

(continued)
In 2017, Group Health will:

• Cover male sterilization at no cost to members. (Group Health Consumer-Directed Health Plan [CDHP] members must first pay their annual deductible.)
• Change the number of covered acupuncture visits to 12 visits total per calendar year.
• Offer telehealth (“virtual”) office visits for primary, specialty, and urgent care services at the same member cost-share as in-person primary, specialty, and urgent care visits.

The changes above apply to Group Health Classic, CDHP, Value, and SoundChoice.

The following changes apply only to Group Health Value:

<table>
<thead>
<tr>
<th>Annual costs/benefits</th>
<th>Group Health Value members pay in 2017</th>
</tr>
</thead>

<td>$30</td>
</tr>
<tr>
<td>Specialist office visit</td>
<td>$50</td>
</tr>
<tr>
<td>Inpatient hospital services</td>
<td>$250 per day up to $1,250 maximum per admission</td>
</tr>
<tr>
<td>Skilled nursing facility</td>
<td>$250 per day up to $1,250 maximum per admission</td>
</tr>
</tbody>
</table>

In 2017, Kaiser Permanente will:

• Cover male sterilization at no cost to members. (Kaiser Permanente Consumer-Directed Health Plan [CDHP] members must first pay their annual deductible.) Applies to Kaiser Permanente Classic and CDHP.

Uniform Medical Plan (UMP) will:

• Cover male sterilization at no cost to members. (UMP Consumer-Directed Health Plan [CDHP] members must first pay their annual deductible.) Applies to UMP Classic, UMP CDHP, and UMP Plus.
• Offer a new Centers of Excellence benefit for members needing total joint replacement (hip and/or knee), to be administered by Premera Blue Cross and provided through Virginia Mason in Seattle. The benefit will be covered at a lower or no cost to members (UMP CDHP members must first pay their annual deductible), and includes a travel and lodging benefit for members living outside of the Seattle area. More information is available at www.premera.com/health-care-authority/total-joint-replacement/ or by calling Premera Blue Cross Customer Service at 1-855-784-4563. Applies only to UMP Classic and UMP CDHP.
• Cover direct-acting, antiviral drugs for treatment of Hepatitis C, regardless of a patient’s level of liver damage. This change took effect August 17, 2016. Applies to UMP Classic, UMP CDHP, and UMP Plus.

UMP Plus expands into new counties

Both UMP Plus networks will expand to serve new counties in 2017 (new counties shown in bold):

• UMP Plus-Puget Sound High Value Network will serve Grays Harbor, King, Kitsap, Pierce, Snohomish, Spokane, Thurston, and Yakima counties.
• UMP Plus-UW Medicine Accountable Care Network will serve Grays Harbor, King, Kitsap, Pierce, Skagit, Snohomish, and Thurston counties.
Individual contribution amounts for health savings accounts (HSA)

The annual HSA contribution limit for an individual (subscriber only) account will increase to $3,400 in 2017, up from $3,350 in 2016. (The contribution amount for a family stays the same at $6,750.) Subscribers ages 55 and older can continue to contribute $1,000 more in addition to these amounts.

The amounts include all contributions made, from both you and your employer. Remember to also include the $125 SmartHealth wellness incentive contributed to your HSA (if you receive the incentive in January 2017).

Optional long-term disability (LTD) insurance premiums

This benefit applies only to employer groups offering the PEBB Program’s full benefits package. Please contact your employer’s personnel, payroll, or benefits office to ask if LTD insurance is part of your PEBB benefits package, or for questions about eligibility.

Employees enrolled in PEBB’s optional LTD insurance through Standard Insurance Company will see higher premiums for 2017. While the actual premiums didn’t increase, the PEBB Program used excess claims reserves in 2016 to lower members’ premiums. Those reserves aren’t available to be applied toward the 2017 premiums. You can find the 2017 monthly premiums at www.hca.wa.gov/public-employee-benefits.

PEBB Program rules and policies

These changes take effect January 1, 2017:

- The definition of “tobacco products” related to the PEBB Program’s tobacco use premium surcharge also includes pipe tobacco. It does not include e-cigarettes, which are now regulated by the U.S. Food and Drug Administration.
- Eligibility for domestic partners who qualified under PEBB Program rules before January 1, 2010, is removed. The PEBB Program is aligning eligibility for all domestic partners based on state and federal recognition of same-sex marriages, domestic partnerships, and/or legal unions. Subscribers who enrolled their domestic partner before January 1, 2010 (and have not since provided proof of marriage, state-registered domestic partnership, or a legal union) must provide proof that their domestic partner is eligible under PEBB Program rules as of January 1, 2017 to continue the domestic partner’s enrollment in 2017.

• Employees who are newly eligible or regain eligibility for PEBB Program benefits will have 31 days to enroll in optional life insurance up to the guaranteed issue amounts, without answering health questions and/or having a medical exam.
During open enrollment, you can:

• Change medical and dental plans.
• Add an eligible dependent to your PEBB health plan coverage.

**Note:** If you enroll a dependent, you must provide proof of your dependent’s eligibility with your enrollment form or they will not be enrolled. A list of acceptable documents is available at [www.hca.wa.gov/public-employee-benefits](http://www.hca.wa.gov/public-employee-benefits) in the For employees section under How do I...Verify my dependents.
• Remove a dependent from your PEBB health plan coverage.
• Reattest to the spouse/state-registered domestic partner coverage premium surcharge (even if you do not make any medical plan changes).

• Enroll if you previously waived PEBB medical coverage.
• Waive PEBB medical coverage if you are enrolled in other employer-based group medical insurance, TRICARE, or Medicare.

Changes made during open enrollment are effective January 1, 2017.

Ready to make changes?

Log in to My Account to make changes to medical and/or dental plans for you and your enrolled dependents during open enrollment (November 1–30).

If you enroll a dependent using the 2017 Employee Enrollment/Change form, you must attest to the applicable premium surcharges. The form and dependent verification must be received by your agency’s personnel, payroll, or benefits office by November 30, 2016.

Find forms and instructions at [www.hca.wa.gov/public-employee-benefits](http://www.hca.wa.gov/public-employee-benefits) under Forms and Publications or from your employer.

**Note:** To make changes to your life insurance for 2017, visit MetLife’s website at [www.mybenefits.metlife.com/wapebb](http://www.mybenefits.metlife.com/wapebb).
Has your family’s tobacco use changed?

You do not need to reattest at open enrollment to the tobacco use premium surcharge if you and your dependents have no tobacco use changes.

You must reattest to the tobacco use premium surcharge at any point in the year if:

- You add a new dependent age 13 or older in PEBB medical.
- You or a PEBB-covered dependent age 13 or older starts or stops using tobacco products.
- You or a PEBB-covered dependent age 18 or older enrolls in your PEBB medical plan’s tobacco cessation program.

- Your PEBB-covered dependent age 13-17 accesses the information and resources aimed at teens at http://teen.smokefree.gov.

To change your premium surcharge attestation, log in to My Account at www.hca.wa.gov/public-employee-benefits and follow the instructions.

Annual notice of creditable prescription drug coverage

If you or a family member is entitled to Medicare (or will be soon), you may hear about Medicare Part D prescription drug plans. If you are thinking about enrolling in a Medicare Part D plan, keep in mind:

- All PEBB medical plans available to employees provide creditable prescription drug coverage. This means that prescription drug coverage offered by the PEBB Program is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage.

What does this mean to me?

If you have PEBB health plan coverage when you become entitled to Medicare Part A and Part B: You can continue your PEBB coverage enrollment. You will not pay a late enrollment penalty if you enroll in a Medicare Part D plan as described below.

If you drop or lose your current PEBB health plan coverage: To avoid paying a higher premium later, you should enroll in a Medicare Part D plan within 63 days after your PEBB coverage ends. If you go 63 days or more without creditable prescription drug coverage, your monthly premium for a Medicare Part D plan may increase by 1 percent or more of the Medicare base premium for every month you did not have coverage.

- If you enroll in a Medicare Part D plan, your PEBB medical plan may or may not coordinate prescription drug benefits with your Medicare Part D plan.
- If you enroll or cancel enrollment in a Medicare Part D plan, you may need a “notice of creditable coverage” to prove continuous prescription drug coverage. You may request a notice of creditable coverage from PEBB Benefits Services at 1-800-200-1004.

For questions about Medicare Part D, call the Centers for Medicare & Medicaid Services at 1-800-633-4227 or visit medicare.gov.

Has your family’s tobacco use changed?

You do not need to reattest at open enrollment to the tobacco use premium surcharge if you and your dependents have no tobacco use changes.

You must reattest to the tobacco use premium surcharge at any point in the year if:

- You add a new dependent age 13 or older in PEBB medical.
- You or a PEBB-covered dependent age 13 or older starts or stops using tobacco products.
- You or a PEBB-covered dependent age 18 or older enrolls in your PEBB medical plan’s tobacco cessation program.

- Your PEBB-covered dependent age 13-17 accesses the information and resources aimed at teens at http://teen.smokefree.gov.

To change your premium surcharge attestation, log in to My Account at www.hca.wa.gov/public-employee-benefits and follow the instructions.

Annual notice of creditable prescription drug coverage

If you or a family member is entitled to Medicare (or will be soon), you may hear about Medicare Part D prescription drug plans. If you are thinking about enrolling in a Medicare Part D plan, keep in mind:

- All PEBB medical plans available to employees provide creditable prescription drug coverage. This means that prescription drug coverage offered by the PEBB Program is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage.

What does this mean to me?

If you have PEBB health plan coverage when you become entitled to Medicare Part A and Part B: You can continue your PEBB coverage enrollment. You will not pay a late enrollment penalty if you enroll in a Medicare Part D plan as described below.

If you drop or lose your current PEBB health plan coverage: To avoid paying a higher premium later, you should enroll in a Medicare Part D plan within 63 days after your PEBB coverage ends. For questions about Medicare Part D, call the Centers for Medicare & Medicaid Services at 1-800-633-4227 or visit medicare.gov.
MetLife will partner with the PEBB Program as the new life insurance carrier starting January 1, 2017. During this transition, you can enroll in or increase your life insurance coverage during MetLife’s special, one-time open enrollment opportunity from November 1-30, 2016.

Employee Basic Life Insurance increases
Employee Basic Life Insurance will increase from $25,000 to $35,000 at no cost to you. You do not need to take action to increase this coverage; it will increase automatically on January 1, 2017. Employee Basic Accidental Death and Dismemberment (AD&D) Insurance remains at $5,000 at no cost to you.

Changes to Dependent Basic Life Insurance
The current Dependent Basic Life Insurance is not available through MetLife as of 2017; if you currently have this coverage for your spouse/state-registered domestic partner and/or children, see the table on page 7 for optional life and AD&D insurance options to enroll your dependents in for 2017. You must make a new election under the new plan options or you will no longer have coverage for these dependents.

Beneficiaries won’t transfer—you must take action
You also need to name your beneficiaries with MetLife, even if you don’t make changes to your life and/or AD&D insurance for 2017. Your beneficiary designations will not transfer to MetLife.

Odd coverage amounts can be rounded up or down
With MetLife, optional life insurance is available in $10,000 increments for employees, and $5,000 increments for spouses/state-registered domestic partners and children. If you currently have an odd amount of optional life insurance (not in these increments), you should round your coverage up or down at this time. If you don’t, your current coverage will transfer, but future changes must be made by paper form and may require answering health questions and/or having a medical exam.

For more information
Call MetLife at 1-866-548-7139 or visit www.mybenefits.metlife.com/wapebb.

See life insurance FAQs on HCA’s website at www.hca.wa.gov/public-employee-benefits.

Want to see your current coverage? Go to My Account at www.hca.wa.gov/public-employee-benefits and select the Statement of Insurance tab. The Statement of Insurance will only display 2016 coverage, even if you change it for 2017.
What do I need to do?

You have a special, one-time open enrollment opportunity to enroll in or increase your optional life insurance without answering health questions and/or having a medical exam. Life insurance for you and your dependents is guaranteed up to certain amounts, even if you’ve been turned down before due to health reasons.

If you currently have Dependent Basic Life Insurance for your spouse/state-registered domestic partner and/or children, this coverage will not transfer to MetLife in 2017. You can obtain coverage for them by enrolling them in optional life insurance for 2017.

*Spouse/state-registered domestic partner optional life insurance cannot exceed 50% of employee’s optional life insurance.

Look for tax Form 1095 by February

Look for 1095-B or 1095-C tax forms in the mail by February. Required under the Affordable Care Act (ACA), these forms show whether you, your spouse, and your dependents had qualifying health insurance for each month in 2016.

Keep the form(s) so you will have them when preparing your 2016 tax return.

What form(s) will I receive?

Group Health and Kaiser Permanente enrollees: Form 1095-B directly from the plan. You may also receive Form 1095-C from your employer.

Uniform Medical Plan enrollees: Form 1095-C from your employer.

Questions?

Contact your personnel, payroll, or benefits office.
Reattest to the spouse/state-registered domestic partner coverage premium surcharge for 2017

If you are not covering a spouse or state-registered domestic partner under your PEBB medical for 2017, this information does not apply to you.

If you cover a spouse or state-registered domestic partner on PEBB medical for 2017

You must reattest for 2017 if:
• You currently pay the monthly $50 spouse/state-registered domestic partner coverage premium surcharge.
or
• Your spouse or state-registered domestic partner did not enroll in their employer-based group medical in 2016, but you did not have to pay the premium surcharge because either:
  • The 2016 Spousal Plan Calculator indicated your spouse or state-registered domestic partner’s coverage was not comparable to Uniform Medical Plan (UMP) Classic.
or
  • The medical premium for your spouse or state-registered domestic partner’s employer-based group medical was $89.31 per month or more.

You do not have to reattest if:
You attested in 2016 and are not paying the premium surcharge because of one or more of the following:
• Your spouse or state-registered domestic partner’s employer offers PEBB Program benefits and they waived enrollment.
• Your spouse or state-registered domestic partner was not eligible for medical coverage through their employer.
• Your spouse or state-registered domestic partner was not employed.

What happens if I need to reattest but do not?
You will pay the monthly $50 premium surcharge in addition to your monthly premiums starting January 1, 2017 and for the remainder of the plan year. You will only be able to change your attestation if your spouse or state-registered domestic partner’s status changes during the year and you submit proof of the change.

Changing your attestation
The attestation you make during open enrollment will be in effect for 2017 unless your spouse or state-registered domestic partner’s status changes and you are allowed or required to reattest. Starting January 1, you can only report a change to the premium surcharge in certain situations and within certain deadlines. To learn more, visit www.hca.wa.gov/public-employee-benefits and search Surcharges.

How to reattest
If you do not have internet access, contact your personnel, payroll, or benefits office to request a 2017 Premium Surcharge Change form.

If you enroll a spouse or state-registered domestic partner on PEBB medical for 2017

During open enrollment: You must attest to the premium surcharge to check if it applies to your account. Use the 2017 Premium Surcharge Help Sheet and 2017 Employee Enrollment/Change form, available at www.hca.wa.gov/public-employee-benefits or through your personnel, payroll, or benefits office.
Throughout 2017: You must attest to the premium surcharge if you add a spouse or state-registered domestic partner to your PEBB medical during the year.
# Who to contact for help

Contact the plans directly for help with:

- Benefit questions.
- ID cards.
- Claims.
- Making sure your doctor or dentist contracts with the plan.
- Choosing a doctor or dentist.
- Making sure your prescriptions are covered.

*Text telephone service for deaf, hard of hearing, or speech impaired
During open enrollment you can learn more about your health plan and other insurance options by attending one of the PEBB Program’s benefits fairs. You can pick up information and speak personally with representatives from the health plans, the PEBB Program, Department of Retirement Systems, and other vendors that administer benefits for PEBB subscribers. Some of the fairs include a presentation about the UMP plan.
