**Description of the enrollment numbers in the matrix above:**

Row 6 is the current 2014 year enrollment total. This will change slightly during the OE period because PEBB membership is never static due to retroactive enrollment changes and new hire plan selections.

Columns C through F are the current year (old carrier) enrollment separated out into the next year (new carrier) enrollment.

Rows 1 through 5 are the next years' 2015 expected (new carrier) enrollment.

Key to Reading Report:
