

For Your Benefit

Public Employees Benefits Board (PEBB) Program

State and Higher-Education Employee Edition | October 2019

PEBB Program's open enrollment is November 1–30, 2019

2020 changes for your PEBB benefits

All changes are effective January 1, 2020.

Kaiser Permanente of the Northwest will:

Add the following Oregon ZIP Codes to its service area:

- Clackamas County: 97028
- Marion County: 97350
- Linn County: 97321, 97322, 97335, 97348, 97355, 97358, 97360, 97374, 97377, 97389, 97446

Kaiser Permanente of Washington will:

- Open new medical locations in Ballard, West Olympia, and Smokey Point. New facilities have already opened in Gig Harbor and South Lake Union.
- Remove these partially covered counties from its service area to comply with RCW 41.05.820: Grays Harbor, Lincoln, Pend Oreille, and Stevens (in Washington); Umatilla (in Oregon); and Kootenai and Latah (in Idaho). However, members who live in these counties but work in counties served by Kaiser Permanente WA can stay enrolled in the plan and visit local Kaiser Permanente facilities because eligibility is not based only on where you live.
- Remove San Juan County from its service area.

Uniform Medical Plan will:

- Increase the lifetime limit for nutritional visits from 3 to 12.
- Remove Tier 3 from the Preferred Drug List and create an exception process for members who require drugs that are no longer covered.
- Add an annual \$4,000 prescription drug out-of-pocket maximum for families to comply with federal requirements. The individual prescription drug out-of-pocket maximum will remain \$2,000.

- Issue new HealthEquity debit cards in December 2019 to UMP CDHP members who enroll for 2020.
- Switch to HealthEquity's new phone number for UMP members: 1-844-351-6853.
- Offer 24/7 medical advice through Advice24 nurse line (UMP Plus–UW Medicine Accountable Network will continue to use its own nurse line).
- Help expectant mothers manage their health during pregnancy through the BabyWise maternity program.
- Change preauthorization requirements for some services. Visit hca.wa.gov/ump/pebb-open-enrollment to learn more.
- Make the following changes to the UMP Plus plans:
 - **UMP Plus—Puget Sound High Value Network will:**
 - Remove Spokane County from its service area.
 - Add these provider groups to its network: Rainier Health Network (which includes CHI Franciscan, City MD, Franciscan Medical Group, Northwest Physicians Network, The Doctors Clinic, Pediatrics Northwest, Highline Medical, Primary Care Northwest) and The Polyclinic.
 - Remove these provider groups from its network: MultiCare, EvergreenHealth, Overlake Medical Center and Clinics.
 - **UMP Plus—UW Medicine Accountable Care Network will:**
 - Add Spokane County to its service area.
 - Remove Island Hospital and Overlake Medical Center and Clinics from its network.

2020 changes for your PEBB benefits *(continued)*

Other changes coming in 2020

- The maximum annual contribution for the Medical Flexible Spending Arrangement (Medical FSA) will increase to \$2,700 (up from \$2,650 in 2019).
- The maximum annual contribution for health savings accounts will increase to \$3,550 for individuals (up from \$3,500 in 2019) and \$7,100 for families (up from \$7,000 in 2019). Subscribers ages 55 and older can continue to contribute an extra \$1,000 per year.
- If you are adding a new child (newborn, adopted child, or child whose total or partial support is your legal obligation in anticipation of adoption) to your PEBB insurance coverage, and doing so increases your monthly medical premium, the PEBB Program must receive your forms to add the child no later than 60 days after the event.
- Paid Family and Medical Leave, administered by the Washington State Employment Security Department, will launch. Visit paidleave.wa.gov or call 1-833-717-2273 for more information.
- The Standard will start accepting long-term disability (LTD) insurance claims over the phone.
- The 30-day and 60-day benefit waiting periods for supplemental LTD insurance coverage will no longer be available. You must switch to a 90-day or longer waiting period by December 31, 2019, or you will be defaulted to a 90-day period on January 1, 2020. Visit hca.wa.gov/ltd to get the form to change your waiting period.
- Navia Benefit Solutions, the administrator for the Medical FSA and Dependent Care Assistance Program, will implement two-factor authentication on its member online portal to protect your security more effectively. This means you will need to provide a one-time verification code to log in to your Navia account.

PEBB Board policy resolutions

To see all changes to PEBB rules that take effect January 1, 2020, visit hca.wa.gov/pebb-rules.

- Effective January 1, 2020, to receive a SmartHealth financial wellness incentive in the following year, eligible subscribers must complete requirements by the following deadline:
 - For subscribers continuing enrollment in PEBB medical or enrolling in PEBB medical with an effective date in January through September 2020: November 30, 2020.
 - For subscribers enrolling in PEBB medical with an effective date in October through December 2020: December 31, 2020.
- If an employing agency provides incorrect information regarding PEBB Program benefits to the employee that they then relied upon, at a minimum the error will be corrected prospectively with enrollment in benefits effective the first day of the month following the date the error is identified. The Health Care Authority approves all error correction actions and determines if additional recourse, which may include retroactive enrollment, is warranted.

Covering a spouse or state-registered domestic partner for 2020?

Even if you do not make plan changes, you may have to reattest to the \$50 spouse or state-registered domestic partner coverage premium surcharge if you attested in 2019 and will continue to cover your spouse or partner on your PEBB medical in 2020.

If you have to reattest, the PEBB Program will mail a letter to you in late October. Starting November 1, you can also use PEBB My Account at hca.wa.gov/my-account to find out if you must reattest. If required, you must reattest by November 30, 2019. If you are required to reattest but do not, or if your attestation means you will incur the surcharge, you will be charged the monthly \$50 surcharge in addition to your monthly medical premium starting January 1, 2020.

To learn more, visit hca.wa.gov/pebb-employee and click on *Surcharges*.

Your premiums for supplemental life insurance and accidental death and dismemberment insurance won't increase for 2020 (unless you change age brackets or increase your coverage). Your premium for long-term disability insurance won't increase for 2020, either (unless your wages increase or you shorten your waiting period). To learn more about these benefits, visit hca.wa.gov/pebb-employee and click on *Additional benefits*.

Changes you can make during open enrollment

You can make the changes listed below during the PEBB Program's annual open enrollment, **November 1 through 30, 2019**. Changes made on PEBB My Account must be completed before midnight on November 30. Paper forms will be available November 1, and your personnel, payroll, or benefits office must **receive** your forms by November 30.

Exception: University of Washington employees must use Workday to make these changes.

Changes you can make	How to make them
Change your medical or dental plan	Log in to PEBB My Account or submit the <i>2020 PEBB Employee Enrollment/Change</i> form. Questions? Visit hca.wa.gov/pebb-employee or contact your personnel, payroll, or benefits office. Note: Willamette Dental and DeltaCare are managed-care plans. You can choose any dental provider. However, you get the most benefit from using a network dentist.
Add a dependent to your PEBB medical or dental plan	Submit the <i>2020 PEBB Employee Enrollment/Change</i> form. You must provide proof of the dependent's eligibility. A list of documents we accept to verify eligibility is available at hca.wa.gov/pebb-employee .
Remove a dependent from your PEBB medical or dental plan	Log in to PEBB My Account or submit the <i>2020 PEBB Employee Enrollment/Change</i> form.
Waive your (and your dependents') enrollment in PEBB medical coverage if you have other employer-based group medical coverage, a TRICARE plan, or Medicare	Log in to PEBB My Account or submit the <i>2020 PEBB Employee Enrollment/Change</i> form.
Enroll in PEBB medical coverage, if you waived in 2019	Log in to PEBB My Account or submit the <i>2020 PEBB Employee Enrollment/Change</i> form. Note: If you are enrolling a dependent, you must provide proof of their eligibility and attest to the tobacco use premium surcharge for yourself and each dependent age 13 or older. If you are enrolling a spouse or state-registered domestic partner, you must also attest to the spouse or state-registered domestic partner coverage premium surcharge.
Reattest to the spouse or state-registered domestic partner coverage premium surcharge	You will receive a letter from the PEBB Program if you must reattest for 2020. You can also check whether you need to reattest on PEBB My Account starting November 1. Make changes in PEBB My Account or complete the <i>2020 PEBB Premium Surcharge Attestation Change Form</i> .
Enroll or reenroll in a Medical Flexible Spending Arrangement (FSA) and/or the Dependent Care Assistance Program (DCAP)	Submit the <i>2020 PEBB Open Enrollment</i> form to Navia Benefit Solutions or enroll online at pebb.naviabenefits.com by November 30. You must reenroll in the Medical FSA or DCAP every year.

How to tell the two Delta Dental plans apart

The PEBB Program offers two Delta Dental plans: DeltaCare and Uniform Dental Plan (UDP). Sometimes members intend to enroll in one Delta Dental plan but accidentally enroll in the other. During open enrollment, be careful to choose the one you want.

- **DeltaCare (Group 3100) is a managed-care plan.** You must choose a primary dental provider within the network. These plans will not pay claims if you see a provider outside of their network.
- **UDP (Group 3000) is a preferred-provider plan.** You may choose any dental provider, but you will usually have lower out-of-pocket costs if you see network providers.

Before you enroll in a dental plan, check with the plan to see if your dentist is in the plan's network and check the group number. You can check by calling the dental plan's customer service (see page 7) or use the dental plan network's online directory.

2020 employee monthly premiums

Premium surcharges

You will be charged the following premium surcharges in addition to your monthly medical premium if they apply to you or if you do not attest.

- A monthly \$25-per-account premium surcharge will apply if the subscriber or any dependent (age 13 and older) enrolled in PEBB medical uses tobacco products.
- A monthly \$50 premium surcharge will apply if a subscriber enrolls a spouse or state-registered domestic partner in PEBB medical who has chosen not to enroll in another employer-based group medical that is comparable to PEBB's Uniform Medical Plan (UMP) Classic.

For more guidance on whether these premium surcharges apply to you, see the *2020 PEBB Premium Surcharge Attestation Help Sheet* at hca.wa.gov/pebb-employee.

Save money with a Medical FSA or DCAP

Lower your taxable income next year by enrolling in a Medical Flexible Spending Arrangement (FSA) or the Dependent Care Assistance Program (DCAP).

How does a Medical FSA work?

A Medical FSA lets you set aside pretax dollars from each paycheck for eligible out-of-pocket health care expenses. You choose how much you set aside (between \$240 and \$2,700 for 2020) for expenses like copays, prescription drugs, dental products, and more. These funds can be used for you or your dependents—even if they aren't enrolled in your PEBB health plans.

You can use your Medical FSA funds to pay for services through March 15, 2021. This extra time to use your funds in 2021 is called the grace period.

You cannot enroll in a Medical FSA if you enroll in a consumer-directed health plan (CDHP) with a health savings account (HSA). If you elect both for 2020, you will only be enrolled in the CDHP with an HSA effective January 1, 2020.

How does DCAP work?

DCAP allows you to set aside pretax dollars from each paycheck to pay for eligible dependent or elder care expenses. For 2020, you can contribute up to \$5,000 for a single person or married couple filing a joint income tax return. You can contribute up to \$2,500 for each married participant who files a separate tax return. Dependents include children under age 13 or other qualified dependents who are physically or mentally incapable of self-care and live with you for over half the year.

DCAP has no grace period, so you must incur all expenses by December 31 each year. You may enroll in DCAP even if you are enrolled in a CDHP with an HSA.

How do I enroll?

In November, you can enroll at pebb.naviabenefits.com, or submit the paper form available from that website to your employer.

Note: University of Washington employees must use Workday.

Your Medical FSA and DCAP enrollment does not automatically continue from year to year. You must reenroll each year during the PEBB Program's annual open enrollment (November 1 through 30) to participate for the next plan year, even if you don't change your contribution amounts.

Current Medical FSA or DCAP members: your 2019 plan year deadlines

If you already have a Medical FSA or DCAP, here are some important dates to remember:

- DCAP expenses must be incurred by December 31, 2019.
- Medical FSA expenses may be incurred through the grace period, which ends March 15, 2020.*
- For both Medical FSA and DCAP, you must submit all claims for reimbursement to Navia Benefit Solutions by March 31, 2020.* Money left in your account(s) after that date cannot be refunded and will be forfeited to the plan administrator, the Health Care Authority. This is called the "use it or lose it" rule.

***Exception:** The March 2020 deadlines do not apply if you have a Medical FSA in 2019 and enroll in a CDHP with an HSA for 2020. You must use all your 2019 Medical FSA funds and have all your claims paid by Navia Benefit Solutions by December 31, 2019. If you don't, no one can contribute to your HSA until April 1, 2020.

Heads up: two-factor authentication is coming November 1

To better protect your security, Navia Benefit Solutions will implement two-factor authentication on November 1, 2019. This means you will need to provide a one-time verification code (sent to an email account or mobile device) to log in to your Navia account.

Are you a represented employee who will be making \$50,004 a year or less on November 1, 2019?

If you meet these criteria, you will receive a \$250 Medical FSA contribution from your employer in January 2020. This contribution will **not** come out of your paycheck. You will receive it even if you don't enroll in the Medical FSA for 2020.

However, if you enroll in a CDHP with an HSA or waive PEBB medical coverage (except to enroll as a dependent on another PEBB account), you cannot receive the \$250 contribution. This benefit was negotiated in the September 2018 collective bargaining agreement.

If you are found to be eligible for this benefit and enroll in a Medical FSA for 2020, the \$250 will be added to your account in January. If you are eligible but do **not** enroll in a Medical FSA, Navia Benefit Solutions will open an account for you and send you a welcome letter with a debit card loaded with \$250.

If you have questions about this employer-paid benefit, please contact your personnel, payroll, or benefits office.

Learn more about the premium surcharges

The Washington State Legislature established two premium surcharges that may be added to your monthly medical premium. Be sure to attest (tell us whether they apply to you) in a timely manner.

- **Tobacco use:** A monthly \$25-per-account premium surcharge will apply if you or an enrolled dependent (age 13 and older) uses tobacco products.

- **Spouse or state-registered domestic partner coverage:**

A monthly \$50 premium surcharge will apply if you have a spouse or partner enrolled on your medical coverage, and they have chosen not to enroll in their employer-based group medical insurance that is comparable to PEBB's Uniform Medical Plan (UMP) Classic.

Make changes
