

## PEBB Program's open enrollment is November 1–30, 2019

# 2020 changes for your PEBB benefits

All changes are effective January 1, 2020.

- As of January 1, 2020, Premera Blue Cross Medicare Supplement **Plan F** will not accept new members.
  - If you (the retiree) are enrolled in Plan F as of December 31, 2019, you can stay in Plan F unless an enrolled dependent becomes eligible for Medicare on or after January 1, 2020, or you defer or terminate your PEBB coverage. If you defer or terminate, you cannot reenroll in Plan F in the future.
  - If you choose to stay in Plan F, you do not need to call or submit any forms to stay enrolled. Your Plan F coverage will continue automatically.
  - **You must make a change to your account** if you are enrolled in Plan F and an enrolled dependent becomes eligible for Medicare on or after January 1, 2020. You must either change your medical plan or remove your dependent from coverage to stay in Plan F. If you remove your dependent for this reason, they will not be eligible for PEBB Continuation Coverage.

- If your dependent is enrolled in Plan F and you become eligible for Medicare on or after January 1, 2020, you will have to change to another PEBB medical plan for you and your dependent.
- Premera Blue Cross Medicare Supplement **Plan G** will be offered as a new PEBB medical plan.
  - Plan G is the only PEBB Medicare Supplement plan available for members enrolling on or after January 1, 2020.
  - The only benefit difference between Plan F and Plan G is that Plan G does **not** cover the Medicare Part B deductible. For more benefit information, see Premera's *Outline of Medicare Supplement Coverage* in the *PEBB Retiree Enrollment Guide* (available November 1).

If you have questions about Plan G, please call Premera Blue Cross at 1-800-817-3049. If you have questions about making a plan change, please call the PEBB Program at 1-800-200-1004 (TRS: 711).

### Kaiser Permanente of the Northwest will:

Add the following Oregon ZIP Codes to its non-Medicare service area:

- Clackamas County: 97028
- Marion County: 97350
- Linn County: 97321, 97322, 97335, 97348, 97355, 97358, 97360, 97374, 97377, 97389, 97446

### Kaiser Permanente of Washington will:

- Open new medical locations in Ballard, West Olympia, and Smokey Point. New facilities have already opened in Gig Harbor and South Lake Union.

- Remove these partially covered counties from its service area to comply with RCW 41.05.820: Grays Harbor, Lincoln, Pend Oreille, and Stevens (in Washington); Umatilla (in Oregon); and Kootenai and Latah (in Idaho). However, members who live in these counties but work in counties served by Kaiser Permanente WA can stay enrolled in the plan and visit local Kaiser Permanente facilities because eligibility is not based only on where you live.
- Issue new ID cards to Medicare Advantage members in December. (Your member ID number will **not** change.)
- Remove San Juan County from its service area.

- If you are adding a new child (newborn, adopted child, or child whose total or partial support is your legal obligation in anticipation of adoption) to your PEBB insurance coverage, and doing so increases your monthly medical premium, the PEBB Program must receive your forms to add the child no later than 60 days after the event.

# Questions? Find answers online

Are you looking for more details about your PEBB benefits? Visit [hca.wa.gov/pebb-oe](https://hca.wa.gov/pebb-oe) to:

## Research medical and dental plans

- Use the *Medical Benefits Comparison* tool to compare up to three medical plans at a time.
- Use the *Summary of Benefits and Coverage* (SBC) to read details about plan benefits.
- Compare dental plans and find in-network providers.

## Learn more about the premium surcharges

Enrolled in Medicare Part A and Part B? The surcharges do not apply to you. You do not need to attest. The Washington State Legislature established two premium surcharges that may be added to your monthly medical premium. Non-Medicare subscribers, be sure to attest (tell us whether they apply to you) in a timely manner.

- **Tobacco use:** A monthly \$25-per-account premium surcharge will apply if you or an enrolled dependent (age 13 and older) uses tobacco products.

- **Spouse or state-registered domestic partner coverage:** A monthly \$50 premium surcharge will apply if you have a spouse or partner enrolled on your medical coverage, and they have chosen not to enroll in their employer-based group medical insurance that is comparable to PEBB's Uniform Medical Plan (UMP) Classic.

## Make changes

Use PEBB My Account ([hca.wa.gov/my-account](https://hca.wa.gov/my-account)) during open enrollment, November 1 through 30, to:

- Make changes to your coverage for 2020. See "Changes you can make during open enrollment" on page 3.
- View your *Statement of Insurance*, which lists the benefits you are currently enrolled in. The statement will not display your 2020 plan choices until January 1, 2020.
- Reattest to the spouse or state-registered domestic partner coverage premium surcharge.

If you are required to submit a form rather than use PEBB My Account, the system will direct you to the correct form. You can also find forms online starting November 1.

## How to tell the two Delta Dental plans apart

The PEBB Program offers two Delta Dental plans: DeltaCare and Uniform Dental Plan (UDP). Sometimes members intend to enroll in one Delta Dental plan but accidentally enroll in the other. During open enrollment, be careful to choose the one you want.

- **DeltaCare (Group 3100) is a managed-care plan.** You must choose a primary dental provider within the network. These plans will not pay claims if you see a provider outside of their network.
- **UDP (Group 3000) is a preferred-provider plan.** You may choose any dental provider, but you will usually have lower out-of-pocket costs if you see network providers.

Before you enroll in a dental plan, check with the plan to see if your dentist is in the plan's network and check the group number. You can call the dental plan's customer service (see page 5) or use the dental plan network's online directory.

# Covering a spouse or state-registered domestic partner for 2020?

**Non-Medicare subscribers only:** Even if you don't make plan changes, you may have to reattest to the \$50 spouse or state-registered domestic partner coverage premium surcharge if you attested in 2019 and will continue to cover your spouse or partner under your PEBB medical in 2020.

If you have to reattest, the PEBB Program will mail a letter to you in late October. Starting November 1, you can also use PEBB My Account at [hca.wa.gov/my-account](https://hca.wa.gov/my-account) to find out if you must reattest. If required, you must reattest by November 30, 2019. If you are required to reattest but do not, or if your attestation means you will incur the premium surcharge, you will be charged

the monthly \$50 premium surcharge in addition to your monthly medical premium starting January 1, 2020.

To learn more, visit [hca.wa.gov/pebb-retirees](https://hca.wa.gov/pebb-retirees) and click on *Surcharges*.

## Remember, Medicare doesn't mix with CDHPs or UMP Plus!

If you or a covered dependent becomes eligible for Medicare while you are enrolled in a UMP Plus plan or a consumer-directed health plan (CDHP) with a health savings account (HSA) in 2020, you must change your PEBB medical plan or remove the Medicare-eligible dependent from your coverage. The dependent you remove would not be eligible for PEBB Continuation Coverage.

You may also want to consider changing your plan during the PEBB Program's annual open enrollment. If you wait until you or a covered dependent enrolls in Medicare to change medical plans, you will need to choose a new plan within 60 days of your or your dependent's enrollment in Medicare. The effective

date of your plan change will be the first of the month after the date your medical plan becomes unavailable, or the date we receive the required form, whichever is later. If you are enrolled in a CDHP with an HSA, you will be responsible for any tax penalties that result from contributions to your HSA after you are no longer eligible. Plus, any amount you've paid toward your deductible and out-of-pocket maximum during the plan year will be lost—you'll have to start over with your new medical plan.

# This is your only 2020 open enrollment notice.

## Important dates to remember

### October 29 through November 15

PEBB benefits fairs are held throughout Washington. Meet health plan representatives and other benefit vendors to learn about your options. See the full schedule on page 4 or at [hca.wa.gov/pebb-fairs](https://hca.wa.gov/pebb-fairs).

### November 1 through 30

Open enrollment period for the 2020 plan year. See "Changes you can make during open enrollment" on page 3. If you do not want to make any changes to medical or dental plan(s) and they are still available in your county for 2020, you do not have to do anything. You will remain enrolled in your current plan(s) for 2020. However, you may have to reattest to the spouse or state-registered domestic partner coverage premium surcharge; see page 7.

### November 30

Last day to make changes to your coverage in PEBB My Account ([hca.wa.gov/my-account](https://hca.wa.gov/my-account)). All plan changes in PEBB My Account must be made by midnight Pacific Time. Some changes cannot be made online. The PEBB Program must receive all forms by November 30.

### December 31

Last day to qualify for and claim the SmartHealth \$25 Amazon.com wellness incentive (if you're eligible) through the online portal. If you earned the \$25 Amazon.com gift card while you were not enrolled in Medicare, and later became eligible for Medicare, you may still claim the gift card by December 31. The gift card is a taxable benefit.

### January 1, 2020

New plan year begins. Your open enrollment changes become effective (if you made any).

## Summary of Benefits and Coverage available to you

The Affordable Care Act requires the PEBB Program and its contracted medical plans to provide a **Summary of Benefits and Coverage (SBC)** to help you compare medical plan benefits, terms, and your costs for care from network and out-of-network providers.

To get an SBC from a PEBB medical plan, you can:

- Go to **[hca.wa.gov/erb](http://hca.wa.gov/erb)** to view or print it online.
- Go to the plan's website to view or print it online.
- Request a paper copy at no charge:
  - o For your current medical plan: Call your plan. (Your medical plan can also provide paper copies translated in other languages.)
  - o For other PEBB medical plans: Call the PEBB Program at 1-800-200-1004 and select option 5.

SBCs are not available for the Premera Blue Cross Medicare Supplement plans and Medicare Advantage plans offered by the PEBB Program.

*Required federal notice*

## Annual notice of creditable prescription drug coverage

If you or a family member is (or will soon be) entitled to Medicare, you may hear about your opportunity to enroll in Medicare Part D for prescription drug coverage.

**You do not have to enroll in Medicare Part D.** All PEBB medical plans except Premera Blue Cross Medicare Supplement plans (available to PEBB retirees and PEBB Continuation Coverage [COBRA] members enrolled in Medicare Part A and Part B) provide creditable prescription drug coverage. This means the prescription drug coverage offered by PEBB's medical plans is expected to pay out, on average, as much as Medicare Part D coverage.

If your PEBB medical plan provides creditable prescription drug coverage when you become entitled to Medicare, you can keep your PEBB medical plan and not pay a penalty if you enroll in Medicare Part D later (see below).

**If you lose or terminate your current PEBB medical plan:** To avoid paying a higher Medicare Part D plan premium, you should enroll in a Medicare Part D plan within 63 days after your PEBB medical plan ends. If you enroll after the 63-day deadline, your Medicare Part D plan's monthly premium may increase by 1 percent or more for every month you didn't have coverage.

**Employees:** If you enroll in a Medicare Part D plan, your PEBB medical plan may not coordinate prescription drug benefits with Medicare Part D.

**Retirees and PEBB Continuation Coverage (COBRA) members enrolled in Medicare Part A and Part B:** If you enroll in a Medicare Part D plan, you will need to enroll in a Premera Blue Cross Medicare Supplement plan offered by the PEBB Program to keep your PEBB insurance coverage. You cannot enroll in Medicare Part D and stay enrolled in any other PEBB medical plan. (**Note:** Premera Blue Cross Medicare Supplement Plan F will be closed to new members starting January 1, 2020.)

For questions about Medicare Part D, call the Centers for Medicare & Medicaid Services at 1-800-633-4227 or visit **[medicare.gov](http://medicare.gov)**.
