One-time opportunity to increase your PEBB retiree life insurance

If you currently have PEBB retiree life insurance, you will have a one-time opportunity from November 1-30, 2016 to increase your insurance amount without answering health questions and/or a having medical exam. Watch for more information mailed to you from the PEBB Program and MetLife (the new life insurance carrier starting in 2017) coming in late October and November. You can also visit www.hca.wa.gov/public-employee-benefits for more information or attend the PEBB Program’s benefits fairs (see pages 8-9) and speak with MetLife Customer Service representatives about this opportunity.

Medical plan benefits

The changes shown on pages 2-3 affect the plans noted. Call the plans directly or visit their websites for more information (see page 11 for contact information).

Other medical benefits won’t change in 2017; but keep in mind, costs for prescription drugs can change during the year due to changes to tiers or coverage criteria.

(continued)

More information is available at www.premera.com/health-care-authority/total-joint-replacement/ or by calling Premera Blue Cross Customer Service at 1-855-784-4563. In 2017, Kaiser Permanente will:

- Cover male sterilization at no cost to members (Kaiser Permanente Consumer-Directed Health Plan [CDHP] members must first pay their annual deductible.) Applies to Kaiser Permanente Classic and CDHP, including Medicare members.
- Increase the copay for spinal manipulations to $30. Applies to Kaiser Permanente Senior Advantage.

PEBB Program rules and policies

These changes take effect January 1, 2017:

- The definition of “tobacco products” related to the PEBB Program’s tobacco use premium surcharge also includes pipe tobacco. It does not include e-cigarettes, which are now regulated by the U.S. Food and Drug Administration.
- Eligibility for domestic partners who qualified under PEBB Program rules before January 1, 2010, is removed. The PEBB Program is aligning eligibility for all domestic partners based on state and federal recognition of same-sex marriages, domestic partnerships, and/or legal unions. Subscribers who enrolled their domestic partner before January 1, 2010 (and have not since provided proof of marriage, state-registered domestic partnership, or a legal union) must provide proof that their domestic partner is eligible under PEBB Program rules as of January 1, 2017, to continue the domestic partner’s enrollment in 2017.

These subscribers must submit copies of document(s) that prove their domestic partner’s eligibility to the PEBB Program. These document(s) must be received by December 31, 2016, or PEBB Program coverage for the domestic partner (and the domestic partner’s enrolled children, if not legally related to the subscriber) will be cancelled January 1, 2017. A list of documents that verify a dependant’s eligibility is available through the PEBB Program or at www.hca.wa.gov/public-employee-benefits under Dependent verification. If a state-registered domestic partner’s status has changed for tax purposes, the subscriber must also complete the Declaration of Tax Status form, available from the PEBB Program or on HCAs website.

Individual contribution amounts for health savings account (HSA)

The annual HSA contribution limit for an individual (subscriber only) account will increase to $3,400 in 2017, up from $3,350 in 2016. (The contribution amount for a family stays the same at $6,750.) Subscribers ages 55 and older can continue to contribute $1,000 more in addition to these amounts.

The amounts include all contributions made, from both you and the PEBB Program. Remember to also include the $125 SmartHealth wellness incentive contributed to your HSA (if you receive the incentive in January 2017) to avoid exceeding the annual HSA contribution limit.

Reminder—CDHPs/HSAs and Medicare don’t mix!

If you or a covered family member becomes eligible for Medicare while you are enrolled in a consumer-directed health plan (CDHP) with a health savings account (HSA) in 2017, you must change to a non-CDHP PEBB medical plan or remove the Medicare-eligible family member from your coverage. The family member you remove is not eligible for COBRA.

Look for tax form 1095 by February

Look for 1095-B or 1095-C tax forms in the mail by February. Required under the Affordable Care Act (ACA), these forms show whether you, your spouse, and your dependents had qualifying health insurance for each month in 2016.

Keep the form(s) so you will have them when preparing your 2016 tax return.

What form(s) will I receive?

Group Health and Kaiser Permanente enrollees: Form 1095-B directly from the plan. You may also receive Form 1095-C from your previous employer.

Uniform Medical Plan enrollees: Form 1095-C from your previous employer.
Reattest to the spouse/state-registered domestic partner coverage premium surcharge for 2017

If you are enrolled in Medicare Part A and Part B, or are not covering a spouse or state-registered domestic partner under your PEBB medical for 2017, this information does not apply to you.

If you are a non-Medicare subscriber covering a spouse or state-registered domestic partner on PEBB medical for 2017

You must reattest for 2017 if:
• You currently pay the monthly $50 spouse/state-registered domestic partner coverage premium surcharge.
or
• Your spouse or state-registered domestic partner did not enroll in their employer-based group medical in 2016, but you did not have to pay the premium surcharge because either:
  □ The 2016 Spousal Plan Calculator indicated your spouse or state-registered domestic partner’s coverage was not comparable to Uniform Medical Plan (UMP) Classic.
or
  □ The medical premium for your spouse or state-registered domestic partner’s employer-based group medical was $89.31 per month or more.

Note: If you pay the premium surcharge, and later enroll in Medicare Part A and Part B, the premium surcharge will stop in the month your Medicare enrollment begins. You must notify the PEBB Program when you enroll in Medicare.

You do not have to reattest if:
You attested in 2016 and are not paying the premium surcharge because of one or more of the following:
• Your spouse or state-registered domestic partner’s employer offers PEBB Program benefits and they waived enrollment.
• Your spouse or state-registered domestic partner was not eligible for medical through their employer.
• Your spouse or state-registered domestic partner was not employed.
• Your spouse or state-registered domestic partner’s employer did not offer at least one medical plan that served his or her county of residence.
• Your spouse or state-registered domestic partner enrolled in their employer’s medical coverage.

Note: You need to reattest if any of the above is changing or you are enrolling your spouse or state-registered domestic partner under your PEBB medical coverage for 2017 to see if the spouse/state-registered domestic partner coverage premium surcharge applies to your account.

How to reattest
Starting November 1, log in to My Account at www.hca.wa.gov/public-employee-benefits and follow the instructions. You must reattest by November 30, 2016. If you do not have internet access, call PEBB Benefit Services at 1-800-200-1004 to request a 2017 Premium Surcharge Change form. Allow up to seven days to receive your form by mail.

If you are a non-Medicare subscriber enrolling a spouse or state-registered domestic partner on PEBy medical for 2017

During open enrollment:
You must attest to the premium surcharge to check if it applies to your account. Use the 2017 Premium Surcharge Help Sheet and 2017 Retiree Coverage Election/Change form, available at www.hca.wa.gov/public-employee-benefits, or call PEBB Benefits Services at 1-800-200-1004 to request the forms.

Throughout 2017: You must attest to the premium surcharge if you add a spouse or state-registered domestic partner to your PEBB medical during the year.

What happens if I need to reattest for 2017 but do not?
You will pay the monthly $50 premium surcharge in addition to your monthly premiums starting January 1, 2017 and for the remainder of the plan year. You will only be able to change your attestation if your spouse or state-registered domestic partner’s status changes during the year and you submit proof of the change.

Changing your attestation
The attestation you make during open enrollment will be in effect for 2017 unless your spouse or state-registered domestic partner’s status changes and you are allowed or required to reattest.
Starting January 1, you can only report a change to the premium surcharge in certain situations and within certain deadlines. To learn more, visit www.hca.wa.gov/public-employee-benefits and search Surcharges.

Visit www.hca.wa.gov/public-employee-benefits to see:
• Spousal premium surcharge details
• 2017 Premium Surcharge Help Sheet
• 2017 Spousal Plan Questionnaire
• Spousal Plan Calculator
PEBB’s annual open enrollment is your chance to:

• Add an eligible dependent to your PEBB health plan coverage.

  Note: If you are a retiree not enrolled in Medicare Part A and Part B or you are enrolling a state-registered domestic partner, you must provide proof of your dependent’s eligibility with your enrollment form or they will not be enrolled. A list of acceptable documents is available at www.hca.wa.gov/public-employee-benefits in the For retirees section under How do I… Verify my dependents.

• Remove a dependent from your PEBB health plan coverage.

• Change your medical and/or dental plan.

• Reattest to the spouse or state-registered domestic partner coverage premium surcharge (non-Medicare subscribers only).

• Defer your enrollment in a PEBB health plan if you maintain continuous enrollment in one of the following:
  • Employer-based group medical insurance as an employee or the dependent of an employee. (This does not include medical insurance available to retired employees.)
  • A federal retiree medical plan as a retiree or the dependent of a retiree. (This only includes the Federal Employees Health Benefits Program and TRICARE. It does not include government-sponsored programs such as Medicare or Medicaid.)

• Both Medicare Part A and Part B and a Medicaid program that provides creditable coverage as defined in Washington Administrative Code (WAC) 182-12-109.

• Medical coverage through a health benefit exchange established under the Affordable Care Act.

• A health plan sponsored by PEBB or a Washington State school district as a dependent.

• Enroll in a PEBB health plan if you previously deferred your enrollment as described above. Proof of continuous enrollment from the date of deferral will be required.

Changes made during open enrollment are effective January 1, 2017.

Ready to make changes?

Log in to My Account to make changes online to your medical and/or dental plan during open enrollment (November 1–30).

You cannot use My Account to add or remove a dependent, enroll in or leave Group Health Medicare Advantage or Kaiser Permanente Senior Advantage, or enroll in Premera Blue Cross Medicare Supplement Plan F.

Find forms and instructions at www.hca.wa.gov/public-employee-benefits under Forms & Publications. You can also order a retiree forms packet, by calling the PEBB Program’s automated line at 1-866-577-2793. The PEBB Program must receive your completed form(s) by November 30, 2016.

Has your family’s tobacco use changed?

Applies to retirees not enrolled in Medicare Part A and Part B

You do not need to reattest at open enrollment to the tobacco use premium surcharge if you and your dependents have no tobacco use changes.

You must reattest to the tobacco use premium surcharge at any point in the year if:

• You add a new dependent age 13 or older in PEBB medical.

• You or a PEBB-covered dependent age 13 or older starts or stops using tobacco products.

• You or a PEBB-covered dependent age 18 or older enrolls in your PEBB medical plan's tobacco cessation program.

• Your PEBB-covered dependent age 13-17 accesses the information and resources aimed at teens at http://teen.smokefree.gov

To change your premium surcharge attestation, log in to My Account at www.hca.wa.gov/public-employee-benefits and follow the instructions.

Need Directions?  
Find maps and parking information by selecting the benefits fairs link at  
The public employee benefits section of the Health Care Authority’s website can help you choose which plans and benefits are right for you. From www.hca.wa.gov/public-employee-benefits, you can:

- **Respond to the 2017 spouse or state-registered domestic partner coverage premium surcharge** (non-Medicare subscribers only). Between November 1–30, log in to My Account to attest to the 2017 spouse or state-registered domestic partner coverage premium surcharge. To determine if this premium surcharge applies to you, see “Reattest to the spouse/state-registered domestic partner coverage premium surcharge for 2017” on page 4, or check My Account.

- **Know what PEBB Program benefits you are currently enrolled in.** Check your Statement of Insurance on My Account to verify your current Public Employees Benefits Board (PEBB) Program enrollment and benefits information. Retirees currently enrolled in VEBA can use their Statement of Insurance to confirm their premiums for reimbursements to VEBA. **Note:** The Statement of Insurance will not display plan selections for 2017 until January 1, 2017.

- **Research medical and dental plans.**
  - Use the Medical Benefits Comparison tool to compare up to three medical plans at a time.
  - Use the plan-specific pages under the Medical plans & benefits section to read details about plan benefits.
  - Compare dental plans and find in-network providers under Dental plans & benefits.

- **Make your open enrollment changes.** Log in to My Account to change your medical and/or dental plan online* during open enrollment, November 1–30. See “Wondering what changes you can make during open enrollment?” on page 5 to learn more.

- **Scan the video library.** The PEBB Program’s video library offers a summary of changes for 2017, including information on medical plans and more.

*You cannot use My Account to add or remove a dependent, enroll in or cancel enrollment in a Medicare Advantage plan, or enroll in Premera Blue Cross Medicare Supplement Plan F. These plans require you to complete, sign, and return a form and any other additional required documents to the PEBB Program. (Forms are available at www.hca.wa.gov/public-employee-benefits under Forms & Publications). Additional exceptions may apply. If you cannot make a change online, you will be directed to the appropriate form.

### Annual notice of creditable prescription drug coverage

If you or a family member is entitled to Medicare (or will be soon), you may hear about Medicare Part D prescription drug plans. If you are thinking about enrolling in a Medicare Part D plan, keep in mind:

- **You do not have to enroll in Medicare Part D.** All PEBB medical plans except Medicare Supplement Plan F, administered by Premera Blue Cross, already provide creditable prescription drug coverage. This means the prescription drug coverage offered by the PEBB Program is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage.

**What does this mean to me?**

As long as your PEBB medical plan provides creditable prescription drug coverage, you can enroll in a Medicare Part D plan later (as described below) without a penalty.

If you drop or lose your current PEBB Program coverage: To avoid paying a higher premium later, you should enroll in a Medicare Part D plan within 63 days after your PEBB Program coverage ends. If you go 63 days or more without creditable prescription drug coverage, your monthly premium for a Medicare Part D plan may increase by 1 percent or more of the Medicare base premium for every month you did not have coverage.

- **If you enroll in a Medicare Part D plan, you will need to enroll in Premera Blue Cross Medicare Supplement Plan F to keep your PEBB Program coverage.** If you enroll in any other PEBB medical, you cannot enroll in Medicare Part D and keep your PEBB Program coverage.

- **If you enroll or cancel enrollment in a Medicare Part D plan, you may need a “notice of creditable coverage” to prove continuous prescription drug coverage.** You may request a notice of creditable coverage from PEBB at 1-800-200-1004.

For questions about Medicare Part D, call the Centers for Medicare & Medicaid Services at 1-800-633-4227 or visit medicare.gov.

**Watch for your personalized letter**

We want to help you during open enrollment with a personalized letter containing information just for you. Your letter will arrive this month and will include:

- Information on your 2017 monthly premiums.
- A list of health plans available in your county and their monthly premiums.

**The letter is for your convenience. No response is required if you are not making any medical or dental plan changes. Non-Medicare retirees may need to reattest to the spouse or state-registered domestic partner coverage premium surcharge for 2017 (see page 4).**
