2. Staff—Health Care Authority staff shall serve as staff to the Board.

3. Appointment—The members of the Board shall be appointed by the Governor in accordance with RCW 41.05.740. A Board member whose term has expired but whose successor has not been appointed by the Governor may continue to serve until replaced.

4. Board Composition—The composition of the nine-member Board shall be in accordance with RCW 41.05.740. All nine members may participate in discussions, make and second motions, and vote on motions.

5. Board Compensation—Members of the Board shall be compensated in accordance with RCW 43.03.250 and shall be reimbursed for their travel expenses while on official business in accordance with RCW 43.03.050 and 43.03.060.

The Chair shall have all powers and duties conferred by law and the Board’s By-laws. A temporary Chair designated for a single meeting has all of the rights and responsibilities of the regular Chair.

2. Vice Chair of the Board—In December 2017, and each January beginning in 2019, the Board shall select from among its members a Vice Chair. If the Vice Chair position becomes vacant for any reason, the Board shall select a new Vice Chair for the remainder of the year. The Vice Chair shall preside at any regular or special meeting of the Board in the absence of a regular or temporary Chair.

ARTICLE III  
Board Committees
(RESERVED)
ARTICLE IV
Board Meetings

1. **Application of Open Public Meetings Act**—Meetings of the Board shall be at the call of the Chair and shall be held at such time, place, and manner to efficiently carry out the Board’s duties. All Board meetings shall be conducted in accordance with the Open Public Meetings Act, Chapter 42.30 RCW, but the Board may enter into an executive session as permitted by the Open Public Meetings Act.

2. **Regular and Special Board Meetings**—The Chair shall propose an annual schedule of regular Board meetings for adoption by the Board. The schedule of regular Board meetings, and any changes to the schedule, shall be filed with the State Code Reviser’s Office in accordance with RCW 42.30.075. The Chair may cancel a regular Board meeting at his or her discretion, including the lack of sufficient agenda items. The Chair may call a special meeting of the Board at any time and proper notice must be given of a special meeting as provided by the Open Public Meetings Act, RCW 42.30.

3. **No Conditions for Attendance**—A member of the public is not required to register his or her name or provide other information as a condition of attendance at a Board meeting.

4. **Public Access**—Board meetings shall be held in a location that provides reasonable access to the public including the use of accessible facilities.

5. **Meeting Minutes and Agendas**—The agenda for an upcoming meeting shall be made available to the Board and the interested members of the public at least 24 hours prior to the meeting date or as otherwise required by the Open Public Meetings Act. Agendas may be sent by electronic mail and shall also be posted on the HCA website. An audio recording (or other generally-accepted electronic recording) shall be made of each meeting. HCA staff will provide minutes summarizing each meeting from the audio recording. Summary minutes shall be provided to the Board for review and adoption at a subsequent Board meeting.

6. **Attendance**—Board members shall inform the Chair with as much notice as possible if unable to attend a scheduled Board meeting. Board staff preparing the minutes shall record the attendance of Board members in the minutes.

ARTICLE V
Meeting Procedures

Time is reserved for public testimony at each regular meeting, generally at the end of the agenda. At the direction of the Chair, public testimony at Board meetings may also occur in conjunction with a public hearing or during the Board’s consideration of a specific agenda item. The Chair has authority to limit the time for public testimony, including the time allotted to each speaker, depending on the time available and the number of persons wishing to speak.

5. **Motions and Resolutions**—All actions of the Board shall be expressed by motion or resolution. No motion or resolution shall have effect unless passed by the affirmative votes of a majority of the Board members present and eligible to vote, or in the case of a proposed amendment to the By-laws, a 2/3 majority of the Board.

6. **Representing the Board’s Position on an Issue**—No Board member may endorse or oppose an issue purporting to represent the Board or the opinion of the Board on the issue unless the majority of the Board approve of such position.

7. **Manner of Voting**—On motions, resolutions, or other matters a voice vote may be used. At the discretion of the Chair, or upon request of a Board member, a roll call vote may be conducted. Proxy votes are not permitted, but the prohibition of proxy votes does not prevent a temporary Chair designated by the Health Care Authority Director from voting.

8. **State Ethics Law and Recusal**—Board members are subject to the requirements of the Ethics in Public Service Act, Chapter 42.52 RCW. A Board member shall recuse himself or herself from casting a vote as necessary to comply with the Ethics in Public Service Act.

9. **Parliamentary Procedure**—All rules of order not provided for in these By-laws shall be determined in accordance with the most current edition of Robert’s Rules of Order Newly Revised. Board staff shall ensure a copy of Robert’s Rules is available at all Board meetings.

Overview

• Review of HB 2458
• Timeline
• Recap of 2019 optional benefits survey results
• Plan for engaging with districts on optional benefits
• Action items
HB 2458 (2020)

• Prohibits school districts from offering *any form* of basic or optional benefits that compete with benefits offered by the SEB Board or under the authority of HCA.

• Delineates optional benefits school districts may offer if not otherwise offered by the SEB Board, and authorizes the SEB Board to study and offer (subject to funding) the same delineated benefits. Benefits must be voluntary and employee-paid. (School district VEBA may continue to be funded by employers).

• Requires school districts, carriers, and HCA to work together to modify, remove, or discontinue any district-based benefit that competes with SEB Board/HCA offered benefit.
HB 2458 (2020)

• Delineated benefits:
  o Emergency transportation
  o Identity protection
  o Legal aid
  o Long-term care insurance
  o Noncommercial personal automobile insurance
  o Personal homeowner’s or renter’s insurance
  o Pet insurance
  o Specific disease, illness-triggered, hospital confinement, or other fixed payment insurance
  o Travel insurance
  o Voluntary employees’ beneficiary association (VEBA) accounts

• The SEB Board has the authority to study and offer, but is not required to do either.

• HCA recommends that consideration of new benefits start no sooner than the 2021 Board year.
Annual Timeline

• November/December: School districts are required to report optional benefits by December 1 of each year
  o Survey for reporting optional benefits to go out November 1, one month in advance of due date

• January/February: Results presented at SEB Board Retreat for consultation purposes
  o Trends
  o Identify competing benefits
  o Next steps

• February – August: Engage with school districts and carriers to modify or remove competing components of benefit or end the district-based offering
2019 Optional Benefits Survey Results

- 267 of 304 SEBB Organizations submitted responses
- 717 optional benefits reported
- 23 different benefit types (not including “other”)
- 19 SEBB Organizations reported at least one benefit that likely competes with SEB Board/HCA offerings*:
  - 11 - Life insurance
  - 8 - Disability
  - 8 - Accidental death & dismemberment
  - 6 - Flexible Spending Arrangement (FSA)
  - 3 - Dependent Care Assistance Program (DCAP)

* In accordance with HB 2458, this does not include specific disease, illness-triggered, hospital confinement, or other fixed payment insurance as these are not currently offered by the SEB Board or HCA.
Plan for Engaging with School Districts

• 19 school districts appear to offer a competing benefit
• Email to be sent to whomever submitted the survey on behalf of a district to let them know the district is offering a competing benefit and we will be working with them to resolve the conflict
  o Determine with the district/carrier whether the benefit can be appropriately modified, or discuss timeline for retiring the benefit
• It is anticipated that the competing optional benefits are resolved prior to the start of the next school year whenever possible
Communications

• HCA/SEB Board communications and guidelines regarding optional benefits will be refined and revised to reflect changes as a result of HB 2458
  o In particular, refreshing guidance from Fall 2019 communication

• Providing additional outreach and training to school districts about changes in laws
Action Items

• Reach out to each of the identified school districts and determine what action needs to be taken to resolve competing benefit
  o If benefit needs to be modified, timing will be important given the likely need to refile with the Office of the Insurance Commissioner

• Update optional benefits survey for release in Fall 2020

AS AMENDED BY THE SENATE

Passed Legislature - 2020 Regular Session

State of Washington 66th Legislature 2020 Regular Session

By Representatives Stonier, Sells, Dolan, Schmick, Boehnke, Bergquist, Vick, Pollet, and Wylie

Read first time 01/14/20. Referred to Committee on Education.

1 AN ACT Relating to optional benefits offered by school districts; amending RCW 28A.400.280 and 28A.400.350; and adding a new section to chapter 41.05 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 28A.400.280 and 2018 c 260 s 29 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, school districts may provide employer fringe benefit contributions after October 1, 1990, only for basic benefits. However, school districts may continue payments under contracts with employees or benefit providers in effect on April 13, 1990, until the contract expires.

(2)(a) School districts may provide employer contributions after October 1, 1990, for optional benefit plans, in addition to basic benefits. Beginning January 1, 2020, school district optional benefits must (be outside) not compete with any form of the basic or optional benefits offered in the school employees' benefits board program either under the school employees' benefits board's authority in RCW 41.05.740((6)) or offered under the authority of the health care authority in the salary reduction plan authorized in RCW 41.05.300 and 41.05.310.

p. 1

HB 2458.SL
(b) Beginning December 1, 2019, and each December 1st thereafter, school district optional benefits must be reported to the school employees' benefits board and health care authority. (The school employees' benefits board shall review the optional benefits offered by districts and: (a) Determine if the optional benefits conflict with school employees' benefits board’s plans offering authority and, if not, (b) evaluate whether to seek additional benefit offerings authority from the legislature. Optional benefits may include direct agreements as defined in chapter 48.150 RCW, and may include employee)

(c) School districts, and the applicable carrier, must work with the health care authority to either modify and remove competing components of the district-based benefit or end any district-based benefit offering in competition with either the health care authority's or the school employees' benefits board offered benefits.

(d) Unless the school employees' benefits board offers such benefits, school districts may offer only the following optional benefits to school employees:

(i) Benefits listed in section 3(1) (a) through (i) of this act, offered as employee-paid, voluntary benefits that may be administered by using payroll deductions; and

(ii) Voluntary employees' beneficiary association accounts ((that can be liquidated by the employee on termination of employment)), including benefit plans authorized in RCW 28A.400.210(3).

((Optional benefit plans may be offered only if:

(a) Each full-time employee, regardless of the number of dependents receiving basic coverage, receives the same additional employer contribution for other coverage or optional benefits; and

(b) For part-time employees, participation in optional benefit plans shall be governed by the same eligibility criteria and/or proration of employer contributions used for allocations for basic benefits.))

(3) School districts are not intended to divert state basic benefit allocations for other purposes. Beginning January 1, 2020, school districts must offer all benefits offered by the school employees' benefits board administered by the health care authority, and consistent with RCW 41.56.500(2).

(4) Any optional benefits offered by a school district under subsection (2) of this section are considered an enhancement to the state's definition of basic education.
Sec. 2. RCW 28A.400.350 and 2019 c 411 s 6 are each amended to read as follows:

(1) The board of directors of any of the state's school districts or educational service districts may make available medical, dental, vision, liability, life, accident, disability, and salary protection or insurance, direct agreements as defined in chapter 48.150 RCW, or any one of, or a combination of the types of employee benefits enumerated in this subsection, or any other type of insurance or protection, for the members of the boards of directors, the students, and employees of the school district or educational service district, and their dependents. Except as provided in subsection (6) of this section, such coverage may be provided by contracts or agreements with private carriers, with the state health care authority, or through self-insurance or self-funding pursuant to chapter 48.62 RCW, or in any other manner authorized by law. Any direct agreement must comply with RCW 48.150.050.

(2)(a) Whenever funds are available for these purposes the board of directors of the school district or educational service district may contribute all or a part of the cost of such protection or insurance for the employees of their respective school districts or educational service districts and their dependents. The premiums on such liability insurance shall be borne by the school district or educational service district.

(b) After October 1, 1990, school districts may not contribute to any employee protection or insurance other than liability insurance unless the district's employee benefit plan conforms to RCW 28A.400.275 and 28A.400.280.

(c) After December 31, 2019, school district contributions to any employee insurance that is purchased through the health care authority must conform to the requirements established by chapter 41.05 RCW and the school employees' benefits board.

(3) For school board members, educational service district board members, and students, the premiums due on such protection or insurance shall be borne by the assenting school board member, educational service district board member, or student. The school district or educational service district may contribute all or part of the costs, including the premiums, of life, health, health care, accident or disability insurance which shall be offered to all students participating in interschool activities on the behalf of or as representative of their school, school district, or educational
service district. The school district board of directors and the
educational service district board may require any student
participating in extracurricular interschool activities to, as a
condition of participation, document evidence of insurance or
purchase insurance that will provide adequate coverage, as determined
by the school district board of directors or the educational service
district board, for medical expenses incurred as a result of injury
sustained while participating in the extracurricular activity. In
establishing such a requirement, the district shall adopt regulations
for waiving or reducing the premiums of such coverage as may be
offered through the school district or educational service district
to students participating in extracurricular activities, for those
students whose families, by reason of their low income, would have
difficulty paying the entire amount of such insurance premiums. The
district board shall adopt regulations for waiving or reducing the
insurance coverage requirements for low-income students in order to
assure such students are not prohibited from participating in
extracurricular interschool activities.

(4) All contracts or agreements for insurance or protection
written to take advantage of the provisions of this section shall
provide that the beneficiaries of such contracts may utilize on an
equal participation basis the services of those practitioners
licensed pursuant to chapters 18.22, 18.25, 18.53, 18.57, and 18.71
RCW.

(5)(a) Until the creation of the school employees' benefits board
under RCW 41.05.740, school districts offering medical, vision, and
dental benefits shall:

(i) Offer a high deductible health plan option with a health
savings account that conforms to section 223, part VII of subchapter
1 of the internal revenue code of 1986. School districts shall comply
with all applicable federal standards related to the establishment of
health savings accounts;

(ii) Make progress toward employee premiums that are established
to ensure that full family coverage premiums are not more than three
times the premiums for employees purchasing single coverage for the
same coverage plan, unless a subsequent premium differential target
is defined as a result of the review and subsequent actions described
in RCW 41.05.655;

(iii) Offer employees at least one health benefit plan that is
not a high deductible health plan offered in conjunction with a
health savings account in which the employee share of the premium cost for a full-time employee, regardless of whether the employee chooses employee-only coverage or coverage that includes dependents, does not exceed the share of premium cost paid by state employees during the state employee benefits year that started immediately prior to the school year.

(b) All contracts or agreements for employee benefits must be held to responsible contracting standards, meaning a fair, prudent, and accountable competitive procedure for procuring services that includes an open competitive process, except where an open process would compromise cost-effective purchasing, with documentation justifying the approach.

(c) School districts offering medical, vision, and dental benefits shall also make progress on promoting health care innovations and cost savings and significantly reduce administrative costs.

(d) All contracts or agreements for insurance or protection described in this section shall be in compliance with chapter 3, Laws of 2012 2nd sp. sess.

(6) The authority to make available basic and optional benefits to school employees under this section expires December 31, 2019, except (a) for nonrepresented employees of educational service districts for which the authority expires December 31, 2023, and (b) as authorized under RCW 28A.400.280. Beginning January 1, 2020, school districts, for all school employees, and educational service districts, for represented employees, shall make available basic and optional benefits through plans offered by the health care authority and the school employees' benefits board. Beginning January 1, 2024, educational service districts, for nonrepresented employees, shall make available basic and optional benefits through plans offered by the health care authority and the school employees' benefits board.

NEW SECTION. Sec. 3. A new section is added to chapter 41.05 RCW to read as follows:

(1) In addition to the benefits offering authority under this chapter, the school employees' benefits board may study and, subject to the availability of funding, offer the following employee-paid, voluntary benefits:

(a) Emergency transportation;

(b) Identity protection;
(c) Legal aid;
(d) Long-term care insurance;
(e) Noncommercial personal automobile insurance;
(f) Personal homeowner's or renter's insurance;
(g) Pet insurance;
(h) Specified disease or illness-triggered fixed payment insurance, hospital confinement fixed payment insurance, or other fixed payment insurance offered as an independent, noncoordinated benefit regulated by the office of the insurance commissioner;
(i) Travel insurance; and
(j) Voluntary employees' beneficiary association accounts.

(2) The health care authority, in consultation with the school employees' benefits board, shall review the optional benefits reported by school districts as required in RCW 28A.400.280 and determine if the optional benefits are in competition with benefits currently offered under either the authority's or the board's authorities. If a school district benefit offering is determined to be in competition with the benefits offered under either the authority's or the board's authorities, the health care authority must inform the school district of the benefits conflict and work with the school district, and the applicable carrier, to either modify and remove competing components of the district-based benefit or end the district-based offering. If a carrier is in the process of modifying benefits, including seeking any required regulatory approval, a school district may continue to offer the original benefit.

(3) Specified disease or illness-triggered fixed payment insurance, hospital confinement fixed payment insurance, or other fixed payment insurance offered pursuant to this section as an independent, noncoordinated benefit is not a health plan as defined in RCW 48.43.005.

A school employee has worked 630 hours as of August 21, 2020. Given this fact they have earned the employer contribution as of that day and their benefits will start on September 1, 2020 (start of the next school year) because their SEBB Organization has anticipated that this school employee will work 630 hours in the school year that is starting on September 1, 2020.

Is this school employee eligible for SEBB benefits in the next school year?  Yes

When will their SEBB benefits start?  September 1, 2020

Resolution SEBB 2019-02
Anticipated work hours eligibility range under 
RCW 41.05.740(6)(e) 
(As approved on March 7, 2019)

Resolved that, a SEBB Organization engaging in local 
negotiations regarding eligibility for school employees 
under RCW 41.05.740(6)(e) shall negotiate within the 
range of anticipated to work hours described below:
• No less than 180 hours per school year; and
• No more than the threshold to meet the SEB 
Board’s eligibility established pursuant to RCW 
41.05.740(6)(d).
Resolved that, for September each year, a school employee who is establishing eligibility for the employer contribution towards SEBB benefits, and whose first day of work is on or after September 1 but not later than the first day of school for the current school year as established by the SEBB organization, the effective date of coverage is the first day of work.

For a school employee who is establishing eligibility and whose first day of work is at any other time during the school year, the effective date of coverage is the first day of the month following the day the school employee establishes eligibility for the employer contribution toward SEBB benefits.
Resolved that, a school employee returning to the same SEBB Organization who is anticipated to work at least 630 hours in the coming school year, and who was receiving the employer contribution in August of the prior school year, will receive uninterrupted coverage from one school year to the next.
Resolved that, a school employee will have uninterrupted coverage when moving from one SEBB Organization to another within the same month or a consecutive month if the following conditions are satisfied:

• The employee was eligible for the employer contribution toward SEBB benefits in the position they are leaving; and

• The employee is anticipated to be eligible for the employer contribution toward SEBB benefits in their new position.
Resolved that, a school employee is presumed eligible if they:

– worked at least 630 hours in each of previous two school years; and

– are returning to the same type of position (teacher, paraeducator, food service worker, custodian, etc.) or combination of positions with the same SEBB Organization.

A SEBB Organization rebuts this presumption by notifying the school employee, in writing, of the specific reasons why the employee is not anticipated to work at least 630 hours in the current school year and how to appeal the eligibility determination.

Error Correction Recourse
(As approved on May 16, 2019)

Resolved that, if a SEBB Organization fails to provide notice of benefits eligibility or accurately enroll a school employee or their dependents in benefits, the error will be corrected prospectively with enrollment in benefits effective the first day of the month following the date the error is identified. The Health Care Authority approves all error correction actions and determines if additional recourse is warranted.
Resolved that, if a SEBB Organization errs and enrolls a school employee or their dependents in SEBB insurance coverage when they are not eligible and there was no fraud or intentional misrepresentation by the school employee involved, premiums and any applicable premium surcharges already paid by the school employee will be refunded by the SEBB Organization to the school employee. The error will be corrected prospectively with termination of benefits effective the first day of the month following the date the error is identified.

COVID-19 and Enrollment Timelines

Beginning February 29, 2020, the date that Governor Inslee declared a state of emergency in Proclamation 20-05, any enrollment timelines established for continuation coverage subscribers will be extended to 30 days past the date the Governor terminates the state of emergency.

The Health Care Authority is authorized, during the state of emergency as described above, to extend this deadline further and extend any other enrollment deadlines as needed to meet the needs of the state and SEBB Program subscribers.
COVID-19 and Enrollment Timelines

Example #1

If (hypothetically) a school employee’s last day to enroll in SEBB continuation coverage was April 30, 2020, and the state of emergency terminated on May 15, 2020, then the enrollment period for that subscriber will be increased to June 14, 2020.
If (hypothetically) a school employee’s last day to enroll in SEBB continuation coverage was May 31, 2020, and the state of emergency terminated on May 15, 2020, then the enrollment period for that subscriber would not change and the deadline would remain as May 31, 2020.

Example #2 (Updated)

If (hypothetically) an employee’s last day to enroll in SEBB continuation coverage was May 31, 2020, and the state of emergency terminated on May 15, 2020, then the enrollment period for that subscriber would not change and the deadline would remain as May 31, 2020. It will be extended to June 14, 2020 because the subscriber’s continuation coverage enrollment period ended following the end of the emergency period, and before the end of the 30-day extension period.
