SCHEDULE OF BENEFITS

Subject to the terms of the Policy, benefits are payable per Covered Person as shown in the Schedule of Benefits.

A Covered Person may use the Provider of their choice. There are two types of Providers - those that are part of the Network (In-Network Providers) and those that are not part of the Network (Out-of-Network Providers). The payment of benefits varies depending on the type of Provider chosen.

When services or Materials are received from a Provider who is part of the Network, you are responsible for:

1. The Copayment, if a cash payment is due the Provider; or

2. If an Allowance is provided - the difference between the Allowance and the Allowable Charge. We will pay the dollar amount of the Allowance or the Allowable Charge, if less. If the Allowable Charge is more than the Allowance an In-Network Provider may bill you for the difference. Most In-Network Providers will offer an additional discount to help with any overage; or

3. If only a Discount is provided - the difference between the Discount and the Allowable Charge. If the Allowable Charge is less than the Discount we will pay the Allowable Charge. If the Allowable Charge is less than the Discounted cost an In-Network Provider may bill you for the difference.

Benefits for services or Materials received from a Provider outside of the Network are shown in terms of the dollar amount we will pay you for that service or Material. If you use an Out-of-Network Provider your total responsibility is the difference between the Reimbursement and the Provider’s Actual Charge - we will pay the dollar amount of the Reimbursement for that service or Material or the Provider’s Actual Charge if less. An Out-of-Network Provider may bill you for the difference.

You will not be paid a separate benefit, charged an additional Copayment or incur any additional cost for any item listed as “Included” or “Included – no Copayment.”

**Davis Vision Collection**

In lieu of the frame Allowance, Covered Persons may choose to select any frame from the Davis Vision’s Collection. The Collection is available at most participating independent provider offices and features three levels of frames.

In lieu of the non-Collection contact lens Allowance, Members may be fitted with contact lenses from the Davis Vision Collection. Contact lenses from the Davis Vision Collection include the evaluation, fitting and follow-up care.

**Examination**

An Exam or Eye examination includes (but is not limited to):

- Case history – chief complaint, eye and vision history, medical history
- Entrance distance acuities
- External ocular evaluation including slit lamp examination
- Internal ocular examination
- Tonometry
• Distance refraction – objective and subjective
• Binocular coordination and ocular motility evaluation
• Evaluation of pupillary function
• Biomicroscopy
• Gross visual fields
• Assessment and plan
• Advising on matters pertaining to vision care
• Form completion – school, motor vehicle, etc.
• Dilated Fundus Examination (DFE) (diagnostic procedure used in the detection and management of diabetes, glaucoma, hypertension and other ocular and/or systemic diseases) when professionally indicated.

Visually Required Contact Lenses

Visually Required contact lenses will only be covered when the treating Provider has determined that a Covered Person has a “chronic visual disturbance.” For the purposes of this section, chronic visual disturbance means a physiologic change in a Covered Person’s vision either innate or acquired that inhibits the Covered Person’s ability to achieve functional vision with spectacles such that a Visually Required contact lens is required to achieve the minimum functional vision needed to carry out normal daily activities. Chronic visual disturbance may include the following conditions: Keratoconus, Myopia, progressive or malignant, Hyperopia, Anisometropia, Aniseikonia, Aphakia, Aniridia or Irregular Astigmatism.

Visually Required contact lenses are available only if the treating Provider sends a completed request and supporting documentation showing a diagnosis of one of the foregoing conditions to Davis Vision before the lenses are initially ordered. The Visually Required contact lenses are subject to the maximum benefit Allowance per Frequency period. The Covered Person’s benefit is paid in full up to the maximum Allowance during each Frequency period. Any amount due over the Allowance for such lenses during the Frequency period is the Covered Person’s responsibility.

Visually Required contact lenses are subject to prior approval. If advance approval for the initial Visually Required contact lenses is not obtained, the standard contact lens benefit may be applied if available. This limitation will not apply if it is shown that it was not reasonably possible to submit the request for approval.

Contact lens evaluation, fitting and follow-up care applies to standard daily wear, disposable, planned replacement, specialty and the Visually Necessary contact lens benefit.

Low Vision Program

Low vision is a significant loss of vision, but not total blindness. Ophthalmologists and optometrists specializing in low-vision care can evaluate and prescribe optical devices, and provide training and instruction to maximize the Covered Person’s remaining useable vision.

A comprehensive low vision evaluation is performed in addition to an eye examination when the eye examination indicates a need for such an evaluation. This supplemental evaluation includes a history of functional difficulties that involves daily activities. The result of this evaluation may include prescription of various treatments options, including low vision aids, as well as assist the Covered Person with identifying other resources for vision and lifestyle rehabilitation.
The Low Vision Program is available both in and out of network and is subject to prior approval. A completed request must be sent to Davis Vision prior to the initial evaluation. Once approved, a Covered Person is eligible for a comprehensive low vision evaluation and follow-up visits up to the maximum for such evaluation and visits shown above. Low vision aids will be provided as prescribed up to the maximum per aid, subject to the lifetime maximum for all aids shown above. Any amount due over the Allowance above for an evaluation, follow-up visits or aids is the Covered Person’s responsibility. If the required approval is not obtained, no benefits will be paid for any such evaluation, follow-up visits or aids and the entire charge for such services or supplies will be the Covered Person’s responsibility. This limitation will not apply if it is shown that it was not reasonably possible to submit the request for approval.

Mail Order Replacement Contact Lens Program

Davis Vision’s mail order contact lens replacement service is powered by ABB Optical Group. By accessing www.davisvisioncontacts.com, Davis Vision Members can easily order replacement contact lenses at a discount and have them shipped directly to their doorstep.

Eyeglass Warranty

Davis Vision provides a breakage warranty to repair or replace any Collection frame and/or lens(es) for a period of one year from the date of delivery. This warranty applies to eyeglasses (spectacle lenses, frames from the Davis Vision frame Collection and frames obtained from a national retail chain that is part of Davis Vision’s Provider Network where the Davis Vision frame Collection is not displayed).

At Wal-Mart, Sam’s Club and Costco locations a Covered Person will receive the full Allowance toward the location’s everyday low pricing. No additional discounts are available at Wal-Mart, Sam’s Clubs or Costco locations.

In these sections, we may refer to school employees as “subscribers” or “enrollees.” Additionally, “health plan” is used to refer to a plan offering medical, vision, or dental coverage, or a combination developed by the School Employees Benefits Board (SEBB) and provided by a contracted vendor or self-insured plans administered by the Health Care Authority (HCA).

**Eligibility**

The school employee’s SEBB Organization will inform the school employee whether or not they are eligible for benefits upon employment and whenever their eligibility status changes. The communication will include information about the school employee’s right to appeal eligibility and enrollment decisions. Information about a school employee’s right to an appeal can be found on page 16 of this certificate of coverage. For information on how to enroll see the “Enrollment” section.

To enroll an eligible dependent the subscriber must follow the procedural requirements described in the “Enrollment” section. The SEBB Program or SEBB Organization verifies the eligibility of all dependents and requires the subscriber to provide documents that prove a dependent’s eligibility.
The following are eligible as dependents:

1. Legal spouse.

2. State-registered domestic partner.

3. Children. Children are eligible through the last day of the month in which their 26th birthday occurs except as described in subsection (g) of this section. Children are defined as the subscriber’s:

   a. Children as defined in state statutes that establish a parent-child relationship, except when parental rights have been terminated;
   
   b. Children of the subscriber’s spouse, based on the spouse’s establishment of a parent-child relationship, except when parental rights have been terminated. The stepchild’s relationship to a subscriber (and eligibility as a dependent) ends on the same date the marriage with the spouse ends through divorce, annulment, dissolution, termination, or death;
   
   c. Children for whom the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of the child;
   
   d. Children of the subscriber’s state-registered domestic partner, based on the state-registered domestic partner’s establishment of a parent-child relationship, except when parental rights have been terminated. The child’s relationship to the subscriber (and eligibility as a dependent) ends on the same date the subscriber’s legal relationship with the state-registered domestic partner ends through divorce, annulment, dissolution, termination, or death;
   
   e. Children specified in a court order or divorce decree for whom the subscriber has a legal obligation to provide support or health care coverage;
   
   f. Extended dependent in the legal custody or legal guardianship of the subscriber, the subscriber’s spouse, or subscriber’s state-registered domestic partner. The legal responsibility is demonstrated by a valid court order and the child’s official residence with the custodian or guardian. Extended dependent child does not include a foster child unless the subscriber, the subscriber’s spouse, or the subscriber’s state-registered domestic partner has assumed a legal obligation for total or partial support in anticipation of adoption; and
   
   g. Children of any age with a developmental or physical disability that renders the child incapable of self-sustaining employment and chiefly dependent upon the subscriber for support and maintenance provided such condition occurs before the age of 26. The following requirements apply to dependents with a disability:

   - The subscriber must provide proof of the disability and dependency within 60 days of the child’s attainment of age 26;
   - The subscriber must agree to notify the SEBB Program in writing no later than 60 days after the date that the child is no longer eligible under this subsection;
   - A child with a developmental or physical disability who becomes self-supporting is not eligible under this subsection as of the last day of the month in which they become capable of self-support;
   - A child with a developmental or physical disability age 26 and older who becomes capable of self-support does not regain eligibility under this subsection if they later become incapable of self-support; and
   - The SEBB Program (with input from the medical plan if enrolled in medical) will periodically verify the eligibility of a dependent child with a disability, but no more frequently than annually after the two-year period following the child’s 26th birthday, which may require renewed proof from the subscriber.
Enrollment

A subscriber or subscriber’s dependent is eligible to enroll in only one SEBB vision plan even if eligibility criteria is met under two or more subscribers. For example, a dependent child who is eligible for enrollment under two parents working for the same or different SEBB Organizations may be enrolled as a dependent under one parent, but not more than one.

A school employee is required to enroll in a vision plan under their SEBB Organization. A school employee must submit a School Employee Enrollment/Change form to their SEBB Organization when they become newly eligible for SEBB benefits. The form must be received no later than 31 days after the date the school employee becomes eligible. If the school employee does not return the School Employee Enrollment/Change form by the deadline, the school employee will be enrolled in Metropolitan Life Vision Plan and any eligible dependents cannot be enrolled until the SEBB Program’s next annual open enrollment or when an event occurs that creates a special open enrollment.

How to enroll

A school employee must submit a School Employee Enrollment/Change form to their SEBB Organization when they become newly eligible for SEBB benefits.

To enroll an eligible dependent, the school employee must include the dependent’s information on the form and provide the required document(s) as proof of the dependent’s eligibility. A dependent must be enrolled in the same health plan coverage as the subscriber. The dependent will not be enrolled if their eligibility is not verified.

All other subscribers may enroll by submitting the required forms to the SEBB Program. The school employee's elections must be received by the SEBB program no later than sixty days from the date the school employee's SEBB health plan coverage ended or from the postmark date on the election notice sent by the SEBB program, whichever is later. The school employee's first premium payment and applicable premium surcharges are due no later than forty-five days after the election ends as described above. Premiums and applicable premium surcharges associated with continuing SEBB medical, must be made to the HCA as well as premiums associated with continuing SEBB medical, dental, and vision insurance coverage. For more information see “Options for continuing SEBB medical coverage” on page 14.

A subscriber or their dependents may also enroll during the SEBB Program’s annual open enrollment (see “Annual open enrollment” on page 11) or during a special open enrollment (see “Special open enrollment” beginning on page 11). The subscriber must provide proof of the event that created the special open enrollment.

A school employee must notify their SEBB Organization to remove dependents within 60 days from the last day of the month when the dependent no longer meets the eligibility criteria described under “Eligible Dependents” on page 8. All other subscribers must notify the SEBB Program to remove a dependent within 60 days from the last day of the month when the dependent no longer meets the eligibility criteria described under “Eligible dependents” on page 8. Consequences for not submitting notice within 60 days may include, but are not limited to:

- The dependent losing eligibility to continue vision plan coverage under one of the continuation coverage options described on page 14 of this certificate of coverage.
- The subscriber being billed for claims paid by the vision plan that were received after the dependent lost eligibility;
- The subscriber being unable to recover subscriber-paid insurance premiums for a dependent that lost their eligibility; and
- The subscriber being responsible for premiums paid by the state for the dependent's vision plan coverage after the dependent lost eligibility.
When vision coverage begins

For a school employee and their eligible dependents **enrolling during the first annual open enrollment**, vision coverage begins on January 1, 2020.

For a school employee and their eligible dependents **enrolling when the school employee is newly eligible**, vision coverage begins the first day of the month following the date the school employee becomes eligible. The school employee's benefits will begin on the first day of work when their first day of work is on or after September 1, but not later than the first day of school for the current school year as established by the SEBB Organization.

Exception: For a subscriber or their eligible dependents **enrolling during a special open enrollment**, vision coverage begins the first day of the month following the later of the event date or the date the online enrollment or required form is received.

Exceptions:

1. If the special enrollment is due to birth or adoption of a child, or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of a child, vision coverage begins as follows:
   - For an employee, vision coverage will begin the first day of the month in which the event occurs;
   - For the newly born child, vision coverage begins the date of birth;
   - For a newly adopted child, vision coverage begins on the date of placement or the date a legal obligation is assumed in anticipation of adoption, whichever is earlier; or
   - For a spouse or state-registered domestic partner of a subscriber, vision coverage will begin the first day of the month in which the event occurs.

2. For a spouse or state-registered domestic partner of a subscriber, vision coverage begins the first day of the month in which the event occurs.

3. Enrollment of an extended dependent or a dependent with a disability will be the first day of the month following the later of the event date or eligibility certification.

Annual Open Enrollment

School employees may make the following changes to their enrollment during the SEBB Program’s annual open enrollment:

- Enroll or remove eligible dependents; or
- Change their vision plan.

Other Subscribers may make the following changes to their enrollment during the SEBB Program’s annual open enrollment:

- Enroll in or terminate enrollment in a vision plan;
- Enroll or remove eligible dependents; or
- Change their vision plan.

The school employee must submit the change online or return the required enrollment/change form to their SEBB Organization. All other subscribers must submit the form to the SEBB Program. The form must be received no later than the last day of the annual open enrollment. The enrollment change will become effective January 1st of the following year.
Special open enrollment

A subscriber may change their enrollment outside of the annual open enrollment if a special open enrollment event occurs. However, the change in enrollment must be allowable under Internal Revenue Code (IRC) and Treasury Regulations, and correspond to and be consistent with the event that creates the special open enrollment for the subscriber, the subscriber’s dependent, or both. The special open enrollment may allow a subscriber to:

- Change their vision plan; or
- Enroll or remove eligible dependents.

To make an enrollment change, the school employee must make the change online in SEBB My Account or submit the required form(s) to their SEBB Organization. All other subscribers must submit the form(s) to the SEBB Program. Subscribers self-paying for continuation coverage must submit their form(s) to the SEBB Program. The form(s) must be received no later than 60 days after the event that created the special open enrollment. In addition to the required forms, the SEBB Program or SEBB Organization will require the subscriber to provide proof of the dependent’s eligibility, proof of the event that created the special open enrollment, or both.

Exception: If a school employee wants to enroll a newborn or child whom the school employee has adopted or has assumed a legal obligation for total or partial support in anticipation of adoption, the school employee should notify their SEBB organization by submitting an enrollment form as soon as possible to ensure timely payment of claims. If adding the child increases the premium, the required enrollment/change form must be received no later than sixty days after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption. School employees should contact their personnel, payroll, or benefits office for the required forms. See “Adding a New Dependent to Your Coverage” on page 13.

When can a subscriber change their health plan?

Any one of the following events may create a special open enrollment:

1. Subscriber gains a new dependent due to:
   a. Marriage or registering a state-domestic partnership;
   b. Birth, adoption or when the subscriber assumes a legal obligation for total or partial support in anticipation of adoption; or
   c. A child becomes eligible as an extended dependent through legal custody or legal guardianship.
2. Subscriber or their dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);
3. Subscriber has a change in employment status that affects their eligibility for the employer contribution toward their employer-based group health plan;
4. Subscriber has a change in employment from a SEBB organization to a public school that straddles county lines or is in a county that borders Idaho or Oregon, which results in the subscriber having different medical plans available. The subscriber may change their election if the change in employment causes:
   a. The subscriber’s current medical plan to no longer be available, in this case the subscriber may select from any available medical plan; or
   b. The subscriber has one or more new medical plans available, in this case the subscriber may select to enroll in a newly available plan.
   c. As used in this subsection the term “public school” shall be interpreted to not include charter schools and educational service districts.
5. Subscriber’s dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group health plan;
6. Subscriber or their dependent has a change in residence that affects health plan availability. If the subscriber moves and their current health plan is not available in the new location, the subscriber must select a new health plan otherwise there will be limited network providers and covered services;
7. A court order requires the subscriber or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former state-registered domestic partner is not an eligible dependent);
8. Subscriber or their dependent becomes entitled to coverage under Medicaid or a state Children’s Health Insurance Program (CHIP), or the subscriber or the subscriber’s dependent loses eligibility for coverage under Medicaid or CHIP;
9. Subscriber or their dependent becomes eligible for state premium assistance subsidy for SEBB health plan coverage from Medicaid or a state CHIP;
10. Subscriber or their dependent becomes entitled to coverage under Medicare, or the subscriber or a subscriber’s dependent loses eligibility for coverage under Medicare. If the subscriber’s current health plan becomes unavailable due to the subscriber’s or a subscriber’s dependent’s entitlement to Medicare, the subscriber must select a new health plan as described in WAC 182-30-085(1);
11. Subscriber or their dependent’s current health plan becomes unavailable because the subscriber or enrolled dependent is no longer eligible for a health savings account (HSA); or
12. Subscriber or their dependent experiences a disruption of care that could function as a reduction in benefits for the subscriber or their dependent for a specific condition or ongoing course of treatment. The subscriber may not change their health plan election if the subscriber or a subscriber’s dependent physician stops participation with the subscriber’s health plan unless the SEBB Program determines that a continuity of care issue exists. The SEBB Program will consider but is not limited to considering the following:
   a. Active cancer treatment such as chemotherapy or radiation therapy;
   b. Treatment following a recent organ transplant;
   c. A scheduled surgery;
   d. Recent major surgery still within the postoperative period; or
   e. Treatment of a high risk pregnancy.

NOTE: If an enrollee’s provider or vision care facility discontinues participation with the vision plan, the enrollee may not change vision plans until the SEBB Program’s next annual open enrollment or when another qualifying event occurs that creates a special open enrollment, unless the SEBB Program determines that a continuity of care issue exists. This plan cannot guarantee that any one provider, facility, or other provider will be available or remain under contract with us.

When May a Subscriber Enroll or Remove Eligible Dependents?

Any one of the following events may create a special open enrollment:

1. Subscriber gains a new dependent due to:
   a. Marriage or registering a domestic partnership;
   b. Birth, adoption or when a subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or
   c. A child becoming eligible as an extended dependent through legal custody or legal guardianship.
2. Subscriber or a subscriber’s dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);
3. Subscriber has a change in employment status that affects the subscriber’s eligibility for the employer contribution toward their employer-based group health plan;
4. The subscriber’s dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group health plan;
5. Subscriber or a subscriber’s dependent has a change in enrollment under another employer-based group health insurance plan during its annual open enrollment that does not align with the SEBB Program's annual open enrollment;
6. Subscriber’s dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States and that change in residence results in the dependent losing their health insurance;
7. A court order requires the subscriber, or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former state-registered domestic partner is not an eligible dependent);
8. Subscriber or their dependent becomes entitled to coverage under Medicaid or a state Children’s Health Insurance Program (CHIP) program, or the subscriber or a subscriber’s dependent loses eligibility for coverage under Medicaid or CHIP; or
9. Subscriber or their dependent becomes eligible for a state premium assistance subsidy for SEBB health plan coverage from Medicaid or a state CHIP.

When Vision Coverage Ends

Vision coverage ends on the following dates:

1. The SEBB Organization terminates the employment relationship. In this case, eligibility for the employer contribution ends the last day of the month in which the employer-initiated termination notice is effective;
2. The school employee terminates the employment relationship. In this case, eligibility for the employer contribution ends the last day of the month in which the school employee’s resignation is effective; or
3. The school employee’s work pattern is revised such that the school employee is no longer anticipated to work six hundred thirty (630) hours during the school year. In this case, eligibility for the employer contribution ends as of the last day of the month in which the change is effective.

Premium payments and applicable premium surcharges become due the first of the month in which vision coverage is effective. Premium payments and applicable premium surcharges are not prorated during any month, even if an enrollee dies or asks to terminate their vision before the end of the month.

When vision plan enrollment ends, the enrollee may be eligible for continuation coverage or conversion to other vision coverage if they apply within the timelines explained in the “Options for continuing SEBB vision coverage” on page 14.

If a subscriber enrolls in continuation coverage, the subscriber is responsible for timely payment of premiums and applicable premium surcharges. If the monthly premium or applicable premium surcharge remains unpaid for 30 days, it will be considered delinquent. A subscriber is allowed a grace period of 30 days from the date the monthly premium or applicable premium surcharge becomes delinquent to pay the unpaid premium balance or surcharge. If the subscriber’s premium balance or applicable premium surcharge remains unpaid for 60 days from the original due date, the subscriber’s vision coverage (including enrolled dependents) will be terminated retroactive to the last day of the month for which the monthly premium and any applicable premium surcharge was paid.

A school employee who needs the required forms for an enrollment or benefit change may contact their SEBB Organization. All other subscribers may contact the SEBB Program at the 1-800-200-1004.

Medicare entitlement

If a school employee or their dependent becomes entitled to Medicare, they should contact the nearest Social Security Administration office to ask about the advantages of immediate or deferred Medicare enrollment.
Options for continuation SEBB vision coverage
A school employee and their dependent covered by this vision plan has options for continuing insurance coverage during temporary or permanent loss of eligibility. There are two continuation coverage options for SEBB vision plan enrollees:

1. SEBB Continuation Coverage (COBRA)
2. SEBB Continuation Coverage (Unpaid Leave)

These two options temporarily extend group insurance coverage when the enrollee’s SEBB vision plan coverage ends due to a qualifying event. SEBB Continuation Coverage (COBRA) includes eligibility and administrative requirements under federal law and regulation and also includes coverage for some enrollees who are not qualified beneficiaries under federal COBRA continuation coverage. SEBB Continuation Coverage (Unpaid Leave) is an alternative created by the SEBB Program with wider eligibility criteria and qualifying event types. Enrollees who qualify for both types of SEBB Continuation Coverage (COBRA and Unpaid Leave) may choose to enroll in only one of the options.

You must notify the SEBB Program in writing within 30 days if, after electing COBRA, you or your dependent become entitled to Medicare (Part A, Part B, or both) or become covered under other group health plan coverage. If a subscriber enrolls in COBRA and then become eligible for Medicare, their enrollment in COBRA coverage will be terminated when the subscriber is eligible for Medicare. This may cause the COBRA coverage to be terminated early, before the subscriber has used all the months they would otherwise be entitled to. Subscribers who are enroll are already enrolled in Medicare when they enroll in COBRA will not have their coverage terminated early.

The SEBB Program administers both continuation coverage options. Refer to the SEBB Continuation Coverage Election Notice booklet for details.

Subscribers also have the right of conversion to individual medical insurance coverage when continuation of group medical insurance coverage is no longer possible. The subscriber’s dependents also have options for continuing insurance coverage for themselves after losing eligibility.

Option for Coverage under Public Employees Benefits Board (PEBB) Retiree Insurance
A retiring employee is eligible to continue enrollment or defer enrollment in public employees benefits board (PEBB) insurance coverage as a retiree if they meet procedural and substantive eligibility requirements. See the PEBB Retiree Enrollment Guide for details.

Transitional continuation coverage
School employees and their dependents may gain temporary eligibility for School Employees Benefits Board (SEBB) benefits, on a self-pay basis, if they meet the following criteria:

1. A school employee and their dependents who are enrolled in medical, dental, or vision under a group plan offered by a SEBB organization on December 31, 2019, who lose eligibility because the school employee is not eligible for SEBB benefits, may elect to enroll in one or more of the following SEBB benefits: Medical, dental, or vision coverage. These benefits will be provided for a maximum of eighteen months.
2. A dependent of a SEBB eligible school employee who is enrolled in medical, dental, or vision under a school employee’s account on December 31, 2019, who loses eligibility because they are not an eligible dependent may enroll in medical, dental, and vision for a maximum of thirty-six months.
3. A dependent of a school employee who is continuing medical, dental, or vision coverage through a SEBB organization on December 31, 2019, may elect to finish out their remaining months, up to the maximum number of months authorized by Consolidated Omnibus Budget Reconciliation Act (COBRA) for a similar event, by enrolling in a medical, dental, or vision plan offered through the SEBB program.
Family and Medical Leave Act of 1993

A school employee on approved leave under the federal Family and Medical Leave Act (FMLA) may continue to receive the employer contribution toward SEBB insurance coverage in accordance with the FMLA. The SEBB Organization determines if the school employee is eligible for leave and the duration of the leave under FMLA. The school employee must continue to pay the school employee monthly premium contribution and applicable premium surcharge during this period to maintain eligibility. If the school employee’s monthly premium or applicable premium surcharge remains unpaid for 60 days from the original due date, insurance coverage will be terminated retroactive to the last day of the month for which the monthly premium and applicable premium surcharge was paid. If a school employee exhausts the period of leave approved under FMLA, they may continue insurance coverage by self-paying the monthly premium and applicable premium surcharge set by the Health Care Authority (HCA), with no contribution from the SEBB Organization while on approved leave. For additional information on continuation coverage, see the section titled “Options for continuing SEBB medical coverage.”

Paid Family Medical Leave Act

A school employee on approved leave under the Washington state Paid Family and Medical Leave Program (PFML) may continue to receive the employer contribution toward SEBB insurance coverage in accordance with PFML. The Employment Security Department determines if the school employee is eligible for leave and the duration of the leave under PFML. The school employee must continue to pay the school employee monthly premium contribution and applicable premium surcharge during this period to maintain eligibility. If the school employee’s monthly premium or applicable premium surcharge remains unpaid for 60 days from the original due date, insurance coverage will be terminated retroactive to the last day of the month for which the monthly premium and applicable premium surcharge was paid. If a school employee exhausts the period of leave approved under PFML, they may continue insurance coverage by self-paying the monthly premium and applicable premium surcharge set by HCA, with no contribution from the SEBB Organization while on approved leave. For additional information on continuation coverage, see the section titled “Options for Continuing SEBB Medical Coverage” on page 14.

Payment of Premium During a Labor Dispute

Any school employee or dependent whose monthly premiums are paid in full or in part by the SEBB Organization may pay premiums directly to the plan or the Health Care Authority (HCA) if the school employee’s compensation is suspended or terminated directly or indirectly as a result of a strike, lockout, or any other labor dispute for a period not to exceed six months.

While the school employee’s compensation is suspended or terminated, HCA shall notify the school employee immediately by mail to the last address of record, that the school employee may pay premiums as they become due.

Appeal Rights

Any current or former school employee of a SEBB Organization or their dependent may appeal a decision by the SEBB Organization regarding SEBB eligibility, enrollment, or premium surcharges to the SEBB Organization.

Any enrollee may appeal a decision made by the SEBB Program regarding SEBB eligibility, enrollment, premium payments, or premium surcharges to the SEBB Appeals Unit.

Any enrollee may appeal a decision regarding administration of a health plan by following the appeal provisions of the plan, except when regarding eligibility, enrollment, and premium payment decisions.

The Provider will submit Covered Person’s claim directly to us or our authorized representative.

Out-of-Network

When a Covered Person uses an Out-of-Network Provider he must first pay the billed charge and then submit a claim.

1. Notice of Claim - written or authorized electronic/telephonic notice of claim must be given to us within 20 days after a Covered Expense is incurred or as soon as reasonably possible. Notice can be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative. Notice should include the Policyholder's name and the Covered Person's name, address, Policy and Policy Number.

2. Claim Forms - we will send claim forms for filing proof of loss when we receive notice of a claim. If such forms are not provided within 15 days after we receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

**Right to Receive and Release Needed Information**

We have the right to obtain or give information needed to coordinate benefit payments with other plans. Any Covered Person claiming benefits must furnish us with the necessary information needed to coordinate benefit payments.

We have the right to pay any other organization, as needed, to properly carry out this provision. Any such payments made in good faith are considered benefits paid under the Policy, and fully discharge our liability, to the extent of such payments.

**Right to Recovery**

We have the right to retrieve any excess amounts that may have been paid out should they exceed the provisions of the Policy. This can be from the Covered Person for whom the payments were made. It can also be from any other insurance company or organization.

Our decision will be in writing and will include reference to specific policy provisions, rules or guidelines on which the decision was based, and notice of your right to bring a civil action.

Claimant Cooperation

Failure of a claimant to cooperate with us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Administration

The Policyholder has given us the authority to review claims for the benefits provided by this Policy and for deciding appeals of denied claims. In this role we shall have the authority, in our discretion, to interpret the terms of the Policy, to decide questions of eligibility for coverage or benefits under the plan, and to make any related findings of fact. All decisions made by us in this capacity shall be final and binding on participants and beneficiaries of the plan to the full extent permitted by state and federal law.

We will have no responsibility with respect to the administration of the benefit provided by this Policy except as described above. It is understood that our sole liability to the Policyholder and Covered Persons under the Policy shall be for the payment of benefits provided under this Policy.

We may contract with another entity to perform this function on our behalf.

Legal Actions

No action at law or in equity may be brought to recover under this Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, we have the right to recover the amount overpaid by either of the following methods:

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under this Certificate.

If there is an overpayment due when the Covered Person dies, we may recover the overpayment from the Covered Person's estate.

ADMINISTRATIVE PROVISIONS

Direct Billing

If you are being billed directly you will receive a request for payment from us or our authorized representative on or before the premium due date. The premium due date will be shown on the request for payment. You should pay the amount due on or before the premium due date. Payment of the entire premium as it becomes due will maintain the Covered Person's Insurance in force through the date immediately before the next premium due date.

There is a 31 day grace period for remittance of premium billed directly. If you do not pay the premium on or before the premium due date, you may pay the premium during this 31 day period. A Covered Person’s Insurance under the group Policy will remain in force during the grace period. If premium is not remitted before the end of the grace period, the Covered Person’s Insurance will terminate automatically at 12:01 A.M. on the last day for which premium was paid.

Termination of a Covered Person’s Insurance for nonpayment of premiums billed directly will not influence a Covered Person’s right to a claim for benefits which arose prior to the termination. Our liability under the Policy is limited to benefits payable for eligible claims incurred prior to the date of termination.

Strike, Lockout and Labor Dispute

Any school employee or dependent whose monthly premiums are paid in full or in part by the SEBB Organization may pay premiums directly to the plan or the Health Care Authority (HCA) if the school employee’s compensation is suspended or terminated directly or indirectly as a result of a strike, lockout, or any other labor dispute for a period not to exceed six months.

While the school employee’s compensation is suspended or terminated, HCA shall notify the school employee immediately by mail to the last address of record, that the school employee may pay premiums as they become due.

During that period of time the Policy may not be altered or changed. Nothing in this section shall be deemed to impair the right of the Insurer to make normal decreases or increases of the premium rate upon expiration and renewal of the Policy, in accordance with the provisions of the Policy. Thereafter, if such insurance coverage is no longer available, then the Employee shall be given the opportunity to purchase an individual policy at a rate consistent with rates filed by the Insurer with the commissioner. When the Employee’s compensation is so suspended or terminated, the Employee shall be notified immediately by the Policyholder in writing, by mail addressed to the address last on record with the Policyholder, that the Employee may pay the premiums to the Policyholder as they become due as provided in this section.

GENERAL PROVISIONS

Assignment

The rights and benefits under this Policy may be assigned under certain circumstances. Any Covered Person that wants to make an assignment of his Insurance should see the Policyholder for the conditions and further information.

We assume no responsibility for the validity, sufficiency, or effect of any assignment of a Covered Person’s Insurance (including an assignment on a form furnished by us or by the Policyholder).
Incontestability

All statements made by a Covered Person are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim unless a copy of the instrument containing the statement is, or has been, furnished to the claimant. In the event of a claimant's death or incapacity, his applicable representative shall be given a copy.

After two years from a Covered Person's effective date of Insurance, or from the effective date of increased benefits, no such statement will cause Insurance or the increased benefits to be contested except for fraud.

Clerical Error

A Covered Person's Insurance will not be affected by clerical error or delay in keeping records of Insurance under the Policy. If such error or delay is found, we will adjust the premium fairly.

Relationship to Law and Regulations

Any provision of this certificate of coverage that is in conflict with any governing law or regulation of the state of Washington is hereby amended to comply with the minimum requirements of such law or regulation.

Compensation Insurance

The Policy is not in place of and does not affect any requirements for coverage under any Workers’ Compensation, Occupational Disease or similar law.
