

The School Employees Benefits Board Program Eligibility Basics

Washington State Health Care Authority

SCHOOL EMPLOYEES BENEFITS BOARD

How do I know if I'm eligible?

- If you're a school employee anticipated to work 630 hours during the school year, you're fully eligible.
- It doesn't matter whether you're full-time, part-time or a substitute.
- It doesn't matter whether you're certificated, classified, or an administrator.
- It doesn't matter which Washington State school district or charter school you work for, or which ESD you work for as a represented employee.

Are there any special circumstances?

- If you're not anticipated to work 630 hours at the beginning of the school year, but you actually do work 630 hours before the end of the school year, you're eligible.
- If your work schedule is revised during the year and you are then anticipated to work 630 hours, you're eligible.
- You can only count hours worked in one school district.
- Paid holiday and vacation hours do not count, except in some instances of midyear hirings.

Is my family eligible?

- Yes. You can get medical, dental, and vision coverage for:
 - Your spouse or state-registered domestic partner.
 - Your children up to age 26, or children of any age with a disability who meet specified eligibility criteria.
 - Your extended dependents (children up to age 26 in your legal custody or guardianship).
- You can also buy supplemental life and accidental death and dismemberment insurance, and long-term disability insurance, for your dependents.

Can I enroll under my own account and someone else's?

- You can only enroll in SEBB medical, dental, and vision under one account. You can't be enrolled on your own SEBB account at the same time you're enrolled as a dependent on your spouse's, state-registered domestic partner's, or parent's account.
