SEBB Program Fact Sheet

About us
What is the School Employees Benefits Board (SEBB) Program?
Starting January 1, 2020, employees of Washington’s school districts and charter schools, and represented employees of Washington’s educational service districts (ESDs), will receive health and other insurance benefits for their eligible employees through the SEBB Program. Benefits available through the SEBB Program will replace the health and insurance benefits currently provided by school districts, ESDs, and charter schools (SEBB organizations).

How will the SEBB Program be governed?
- The School Employees Benefits Board (SEB Board) will design and approve insurance benefit plans for the SEBB Program, and establish eligibility criteria for participation in these plans.
- The Washington State Health Care Authority (HCA) purchases health care for more than 2 million Washington residents through Apple Health (Medicaid), the Public Employees Benefits Board (PEBB) Program, and starting in 2020, the SEBB Program.
- The Office of Financial Management (OFM) provides information, fiscal services, and policy support that the Governor, Legislature, and state agencies need to serve the people of Washington State. OFM will represent the Governor in the bargaining process with unions for the employer’s contribution toward school employees’ health care benefits.

Background
How were the SEB Board and SEBB Program created?
- The SEB Board and SEBB Program were created by Engrossed House Bill (EHB) 2242, and signed into law on July 6, 2017.
- Engrossed Substitute Senate Bill (ESSB) 6241, signed into law on March 23, 2018, amends and clarifies EHB 2242.
- The SEBB Program is separate and independent from the Public Employees Benefits Board (PEBB) Program, though HCA administers both programs.

Why was the SEBB Program created?
The SEBB Program was created to:
- Promote more transparency and accountability in state expenditures for school employee benefits.
- Eliminate differences in school employee benefit offerings and make them more affordable to employees with dependents.
- Consolidate collective bargaining for school employee benefits.
