ELIGIBILITY PROVISIONS: INSURANCE FOR THE SUBSCRIBER AND THE SUBSCRIBER'S DEPENDENTS (continued)

How to Enroll

A school employee must submit their enrollment elections online in SEBB My Account or return a *School Employee Enrollment* form to their SEBB Organization when they become newly eligible or regain eligibility for SEBB benefits. The form must be received no later than 31 days after the date the school employee becomes eligible or regains eligibility. If the school employee does not return the form by the deadline, the school employee will be enrolled in the Metropolitan Life Vision Plan and any eligible Dependents cannot be enrolled until the SEBB Program's Next Annual Open Enrollment or when a qualifying event occurs that creates a special open enrollment for enrolling a Dependent.

To enroll an eligible Dependent, the school employee must include the Dependent's information in SEBB My Account or on the form and provide the required document(s) as proof of the Dependent's eligibility. A Dependent must be enrolled in the same health plan coverage as the Subscriber. The Dependent will not be enrolled in SEBB health plan coverage if the SEBB Program or the SEBB organization is unable to verify their eligibility within the SEBB Program enrollment timelines.

All other Subscribers may enroll by submitting the required forms to the SEBB Program. The SEBB Program must receive the election no later than 60 days from the date the enrollee's SEBB health plan coverage ended or from the postmark date on the election notice sent by the SEBB Program, whichever is later. The first premium payment and applicable premium surcharges are due no later than 45 days after the election period ends as described above. Premiums associated with continuing SEBB vision must be made to HCA. For more information see the section titled "**Options For Continuing SEBB Vision Coverage.**"

A Subscriber or their Dependent may also enroll during the SEBB Program's Annual Open Enrollment (see the section titled "**Annual Open Enrollment**") or during a special open enrollment (see the section titled "**Special Open Enrollment**"). The Subscriber must provide evidence of the event that created the special open enrollment.

A Subscriber must provide notice to remove a Dependent who is no longer eligible due to divorce, annulment, dissolution, or a qualifying event of a Dependent ceasing to be eligible as a Dependent child. The notice must be received within 60 days from the last day of the month the Dependent no longer meets the eligibility criteria described in the section titled "**Eligibility.**" **A school employee** must notify their SEBB Organization. **All other Subscribers** must notify the SEBB Program. Consequences for not submitting notice within 60 days may include, but are not limited to:

- The Dependent losing eligibility to continue SEBB vision coverage under one of the continuation coverage options described in the section titled "**Options For Continuing SEBB Vision Coverage.**"
- The Subscriber being billed for claims paid by the vision plan for services that were received after the Dependent lost eligibility;
- The Subscriber being unable to recover Subscriber-paid insurance premiums for the Dependent that lost their eligibility; and
- The Subscriber being responsible for premiums paid by the state for the Dependent's vision plan coverage after the Dependent lost eligibility.

WHEN VISION COVERAGE BEGINS

For a school employee and their eligible Dependents enrolling when the school employee is newly eligible, vision coverage begins the first day of the month following the date the school employee becomes eligible.

Exceptions:

1. Vision coverage begins on the school employee's first day of work when their first day of work is on or after September 1, but not later than the first day of school for the current school year as established by the SEBB Organization.

ELIGIBILITY PROVISIONS: INSURANCE FOR THE SUBSCRIBER AND THE SUBSCRIBER'S DEPENDENTS (continued)

2. When a school employee establishes eligibility toward SEBB benefits at any time in the month of August, vision coverage begins on September 1 only if the school employee is also determined to be eligible for the school year that begins on September 1.

For a school employee and their eligible Dependents enrolling when the school employee regains eligibility following a period of leave described in SEBB Program rules, vision coverage begins the first day of the month following the school employee's return to work if the school employee is anticipated to be eligible for the employer contribution.

For a continuation coverage subscriber and their eligible Dependents enrolling when newly eligible due to a qualifying event, vision coverage begins the first day of the month following the day they lost eligibility for SEBB vision plan coverage.

For a Subscriber or their eligible Dependents enrolling during the SEBB Program's Annual Open Enrollment, vision coverage begins January 1 of the following year.

For a Subscriber or their eligible Dependents enrolling during a special open enrollment, vision coverage begins the first day of the month following the later of the event date or the date the enrollment election in SEBB My Account or the required form is received. If that day is the first of the month, vision coverage begins on that day.

Exceptions:

1. If the special open enrollment is due to the birth or adoption of a child, or when the Subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of a child, vision coverage will begin as follows:
 - For a school employee, vision coverage will begin the first day of the month in which the event occurs;
 - For a newly born child, vision coverage will begin the date of birth;
 - For a newly adopted child, vision coverage will begin on the date of placement or the date a legal obligation is assumed in anticipation of adoption, whichever is earlier; or
 - For a spouse or state-registered domestic partner of a Subscriber, vision coverage will begin the first day of the month in which the event occurs.
2. If the special open Enrollment is due to the enrollment of an extended Dependent or a Dependent child with a disability, vision coverage will begin the first day of the month following the later of the event date or eligibility certification.

ANNUAL OPEN ENROLLMENT

A school employee may make the following changes to their enrollment during the SEBB Program's Annual Open Enrollment:

- Enroll or remove eligible Dependents; or
- Change their vision plan.

All other Subscribers may make the following changes to their enrollment during the SEBB Program's Annual Open Enrollment:

- Enroll in or terminate enrollment in a vision plan;
- Enroll or remove eligible Dependents; or
- Change their vision plan.

The school employee must submit the election change online in SEBB My Account or return the required form to their SEBB Organization. All other Subscribers must submit the required form to the SEBB Program. The form must be received no later than the last day of the Annual Open Enrollment. The enrollment change will become effective January 1 of the following year.

ELIGIBILITY PROVISIONS: INSURANCE FOR THE SUBSCRIBER AND THE SUBSCRIBER'S DEPENDENTS (continued)

Exception: A continuation coverage Subscriber may voluntarily terminate enrollment in a vision plan at any time by submitting a request in Writing to the SEBB Program. Enrollment in the vision plan will be terminated the last day of the month in which the SEBB Program receives the request or on the last day of the month specified in the termination request, whichever is later. If the request is received on the first day of the month, vision plan enrollment will be terminated on the last day of the previous month.

SPECIAL OPEN ENROLLMENT

A Subscriber may change their enrollment outside of the Annual Open Enrollment if a special open enrollment event occurs. However, the change in enrollment must be allowable under Internal Revenue Code (IRC) and Treasury Regulations, and correspond to and be consistent with the event that creates the special open enrollment for the Subscriber, their Dependent, or both. A special open enrollment event must be an event other than a school employee gaining initial eligibility or regaining eligibility for SEBB benefits.

The special open enrollment may allow a Subscriber to:

- Enroll in or change their vision plan; or
- Enroll or remove eligible Dependents.

To make an enrollment change, the school employee must make the change online in SEBB My Account or submit the required form(s) to their SEBB Organization. All other Subscribers must submit the required form(s) to the SEBB Program. The form(s) must be received no later than 60 days after the event that creates the special open enrollment. In addition, the SEBB Program or SEBB Organization will require the Subscriber to provide proof of the Dependent's eligibility, proof of the event that created the special open enrollment, or both.

Exceptions:

- If a Subscriber wants to enroll a newborn or child whom the Subscriber has adopted or has assumed a legal obligation for total or partial support in anticipation of adoption in SEBB health plan coverage, the Subscriber should notify their SEBB Organization or the SEBB Program by submitting the required form as soon as possible to ensure timely payment of claims. If adding the child increases the premium, the required form must be received no later than sixty days after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption. School employees should contact their SEBB Organization for the required forms. All other Subscribers should contact the SEBB Program.
- A continuation coverage Subscriber may voluntarily terminate enrollment in a vision plan at any time by submitting a request in Writing to the SEBB Program. Enrollment in the vision plan will be terminated the last day of the month in which the SEBB Program receives the request or on the last day of the month specified in the termination request, whichever is later. If the request is received on the first day of the month, vision plan enrollment will be terminated on the last day of the previous month.

WHEN MAY A SUBSCRIBER CHANGE THEIR HEALTH PLAN

Any one of the following events may create a special open enrollment:

1. Subscriber gains a new Dependent due to:
 - a. Marriage or registering a state-domestic partnership;
 - b. Birth, adoption or when the Subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or
 - c. A child becoming eligible as an extended Dependent through legal custody or legal guardianship.

Note: A Subscriber may not change their health plan if their State-Registered Domestic Partner or State-Registered Domestic Partner's child is not a tax dependent.

2. Subscriber or their Dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

ELIGIBILITY PROVISIONS: INSURANCE FOR THE SUBSCRIBER AND THE SUBSCRIBER'S DEPENDENTS (continued)

3. Subscriber has a change in employment status that affects their eligibility for the employer contribution toward their employer-based group health plan;
4. Subscriber has a change in employment from a SEBB Organization to a public school district that results in the Subscriber having different medical plans available. The Subscriber may change their election if the change in employment causes:
 - a. The Subscriber's current medical plan to no longer be available, in this case the Subscriber may select from any available medical plan; or
 - b. The Subscriber has one or more new medical plans available, in this case the Subscriber may select to enroll in a newly available plan.
 - c. As used in this subsection the term "public school district" shall be interpreted to not include charter schools and educational service districts.
5. Subscriber's Dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group health plan;
Note: "Employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in the Treasury Regulation.
6. Subscriber or their Dependent has a change in residence that affects health plan availability. If the Subscriber moves and their current health plan is not available in the new location, the Subscriber must select a new health plan otherwise there will be limited network providers and covered services;
7. A court order requires the Subscriber or any other individual to provide insurance coverage for an eligible Dependent of the Subscriber (a former spouse or former state-registered domestic partner is not an eligible Dependent);
8. Subscriber or their Dependent enrolls in coverage under Medicaid or a state Children's Health Insurance Program (CHIP), or the Subscriber or their Dependent loses eligibility for coverage under Medicaid or CHIP;
9. Subscriber or their Dependent becomes eligible for state premium assistance subsidy for SEBB health plan coverage from Medicaid or CHIP;
10. Subscriber or their Dependent enrolls in coverage under Medicare, or the Subscriber or their Dependent loses eligibility for coverage under Medicare. If the Subscriber's current medical plan becomes unavailable due to the Subscriber's or their Dependent's enrollment in Medicare, the Subscriber must select a new medical plan;
11. Subscriber or their Dependent's current health plan becomes unavailable because the Subscriber or enrolled Dependent is no longer eligible for a health savings account (HSA); or
12. Subscriber or their Dependent experiences a disruption of care for active and ongoing treatment that could function as a reduction in benefits for the Subscriber or their Dependent. The Subscriber may not change their health plan election if the Subscriber or their Dependent's physician stops participation with the Subscriber's health plan unless the SEBB Program determines that a continuity of care issue exists. The SEBB Program will consider but is not limited to considering the following:
 - a. Active cancer treatment such as chemotherapy or radiation therapy;
 - b. Treatment following a recent organ transplant;
 - c. A scheduled surgery;
 - d. Recent major surgery still within the postoperative period; or
 - e. Treatment of a high risk pregnancy.

NOTE: If an enrollee's provider or vision care facility discontinues participation with this vision plan, the enrollee may not change vision plans until the SEBB Program's next Annual Open Enrollment or when another qualifying event occurs that creates a special open enrollment for changing health plans, unless the SEBB Program determines that a continuity of care issue exists. This plan cannot guarantee that any provider or facility will be available or remain under contract with us.

ELIGIBILITY PROVISIONS: INSURANCE FOR THE SUBSCRIBER AND THE SUBSCRIBER'S DEPENDENTS (continued)

WHEN MAY A SUBSCRIBER ENROLL OR REMOVE ELIGIBLE DEPENDENTS

Any one of the following events may create a special open enrollment:

1. Subscriber gains a new Dependent due to:
 - a. Marriage or registering a state-registered domestic partnership;
 - b. Birth, adoption or when a Subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or
 - c. A child becoming eligible as an extended Dependent through legal custody or legal guardianship.
2. Subscriber or their Dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the HIPAA;
3. Subscriber has a change in employment status that affects their eligibility for the employer contribution toward their employer-based group health plan;
4. Subscriber's Dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group health plan;
Note: "Employer contribution" means contributions made by the dependent's current or former employer toward health coverage as described in the Treasury Regulation.
5. Subscriber or their Dependent has a change in enrollment under another employer-based group health plan during its Annual Open Enrollment that does not align with the SEBB Program's Annual Open Enrollment;
6. Subscriber's Dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States and that change in residence results in the Dependent losing their health insurance;
7. A court order requires the Subscriber, or any other individual to provide insurance coverage for an eligible Dependent of the Subscriber (a former spouse or former state-registered domestic partner is not an eligible Dependent);
8. Subscriber or their Dependent enrolls in coverage under Medicaid or a state Children's Health Insurance Program (CHIP) program, or the Subscriber or a Subscriber's Dependent loses eligibility for coverage under Medicaid or CHIP;
9. Subscriber or their Dependent becomes eligible for a state premium assistance subsidy for SEBB health plan coverage from Medicaid or a state CHIP; or
10. Subscriber's dependent enrolls in Medicare, or loses eligibility for Medicare.

WHEN VISION COVERAGE ENDS

Vision coverage ends on the following dates:

1. On the last day of the month any enrollee ceases to be eligible;
2. On the date a vision plan terminates or when the group policy ends. If that should occur, the Subscriber will have the opportunity to enroll in another SEBB vision plan;
3. For a school employee and their Dependents when the employment relationship is terminated, vision coverage ends when:
 - The school employee resigns. If this is the case, vision coverage ends on the last day of the month in which a school employee's resignation is effective; or
 - The SEBB Organization terminates the employment relationship. If this is the case, vision coverage ends on the last day of the month in which the employer-initiated termination is effective.

ELIGIBILITY PROVISIONS: INSURANCE FOR THE SUBSCRIBER AND THE SUBSCRIBER'S DEPENDENTS (continued)

4. For a continuation coverage Subscriber who submits a Written request to terminate vision coverage, vision coverage will be terminated the last day of the month in which the SEBB Program receives the request or on the last day of the month specified in the termination request, whichever is later. If the request is received on the first day of the month, vision coverage will be terminated on the last day of the previous month.

Premium payments and applicable premium surcharges become due the first of the month in which vision coverage is effective. Premium payments and applicable premium surcharges are not prorated during any month, even if an enrollee dies or asks to terminate their vision before the end of the month.

A Subscriber will be responsible for payment of any services received after the date vision coverage ends as described in this subsection.

When vision coverage ends, an enrollee may be eligible for continuation coverage described in the section titled **"Options For Continuing SEBB Vision Coverage."**

If a Subscriber enrolls in continuation coverage, the Subscriber is responsible for timely payment of premiums and applicable premium surcharges. If the monthly premiums or applicable premium surcharges remain unpaid for 30 days, it will be considered delinquent. A Subscriber is allowed a grace period of 30 days from the date the monthly premiums or applicable premium surcharges become delinquent to pay the unpaid premium balance or surcharges. If the Subscriber's premium balance or applicable premium surcharges remain unpaid for 60 days from the original due date, the Subscriber's vision coverage (including enrolled Dependents) will be terminated retroactive to the last day of the month for which the monthly premiums and any applicable premium surcharges were paid.

A school employee who needs the required forms for an enrollment or benefit change may contact their SEBB Organization. All other Subscribers may contact the SEBB Program at 1-800-200-1004.

MEDICARE ELIGIBILITY AND ENROLLMENT

If a school employee or their Dependent becomes eligible for Medicare, they should contact the nearest Social Security Administration office to ask about the advantages of immediate or deferred Medicare enrollment.

If a continuation coverage Subscriber or their Dependent enrolls in Medicare, their vision coverage will terminate at the end of the month when they become eligible for Medicare due to turning age 65 or older, or when enrolled in Medicare due to a disability. Federal regulations allow enrollment in Medicare up to three months before turning age 65. If the Subscriber or their Dependent do not enroll within three months before they turn age 65, enrollment in Medicare may be delayed. If enrollment in Medicare does not occur when the Subscriber or their Dependent is first eligible, a late enrollment penalty may apply.

OPTIONS FOR CONTINUATION OF SEBB VISION COVERAGE

A Subscriber and their Dependents covered by this vision plan may be eligible to continue enrollment during temporary or permanent loss of eligibility. There are two continuation coverage options for a SEBB vision plan enrollee:

1. SEBB Continuation Coverage (COBRA)
2. SEBB Continuation Coverage (Unpaid Leave)

These two options temporarily extend group insurance coverage when the enrollee's SEBB vision plan coverage ends due to a qualifying event. SEBB Continuation Coverage (COBRA) includes eligibility and administrative requirements under federal law and regulation and also includes coverage for some enrollees who are not qualified beneficiaries under federal COBRA continuation coverage. SEBB Continuation Coverage (Unpaid Leave) is an alternative created by the SEBB Program with wider eligibility criteria and qualifying event types. An enrollee who qualifies for both types of SEBB Continuation Coverage (COBRA and Unpaid Leave) may choose to enroll in only one of the options.

For enrollment information, see the section titled **"How to Enroll."**

ELIGIBILITY PROVISIONS: INSURANCE FOR THE SUBSCRIBER AND THE SUBSCRIBER'S DEPENDENTS (continued)

The SEBB Program must be notified in Writing within 30 days if, after electing SEBB Continuation Coverage (COBRA), a Subscriber or their Dependent become eligible for Medicare (Part A, Part B, or both) or becomes covered under other group health plan coverage. If a Subscriber or their Dependent enrolls in SEBB Continuation Coverage (COBRA) and then become eligible for Medicare, their enrollment in SEBB Continuation Coverage (COBRA) will be terminated at the end of the month in which they become eligible for Medicare due to turning age 65 or older, or when enrolled in Medicare due to a disability. This may cause the SEBB Continuation Coverage (COBRA) to be terminated early, before the Subscriber has used all the months they would otherwise be entitled to. A Subscriber or their Dependents who are already enrolled in Medicare when they enroll in SEBB Continuation Coverage (COBRA) will not have their coverage terminated early.

The SEBB Program administers both continuation coverage options. Refer to the *SEBB Continuation Coverage Election Notice* booklet for details.

OPTION FOR COVERAGE UNDER PUBLIC EMPLOYEES BENEFITS BOARD (PEBB) RETIREE INSURANCE

A retiring school employee or a Dependent becoming eligible as a survivor is eligible to continue enrollment or defer enrollment in Public Employees Benefits Board (PEBB) insurance coverage if they meet procedural and substantive eligibility requirements. See the *PEBB Retiree Enrollment Guide* for details.

TRANSITIONAL CONTINUATION COVERAGE

School employees and their Dependents may gain temporary eligibility for SEBB benefits, on a self-pay basis, if they meet the following criteria:

1. A school employee and their Dependents who are enrolled in medical, dental, or vision under a group plan offered by a SEBB Organization on December 31, 2019, who lose eligibility because the school employee is not eligible for SEBB benefits, may elect to enroll in one or more of the following SEBB benefits: medical, dental, or vision coverage. These benefits will be provided for a maximum of 18 months.
2. A Dependent of a SEBB eligible school employee who is enrolled in medical, dental, or vision under a school employee's account on December 31, 2019, who loses eligibility because they are not an eligible Dependent may enroll in medical, dental, or vision for a maximum of 36 months.
3. A Dependent of a school employee who is continuing medical, dental, or vision coverage through a SEBB Organization on December 31, 2019, may elect to finish out their remaining months, up to the maximum number of months authorized by Consolidated Omnibus Budget Reconciliation Act (COBRA) for a similar event, by enrolling in a medical, dental, or vision plan offered through the SEBB program.

FAMILY AND MEDICAL LEAVE ACT OF 1993

A school employee on approved leave under the federal Family and Medical Leave Act (FMLA) may continue to receive the employer contribution toward SEBB insurance coverage in accordance with the federal FMLA. The SEBB Organization determines if the school employee is eligible for leave and the duration of the leave under FMLA. The school employee must continue to pay the school employee monthly premium contribution and applicable premium surcharge during this period to maintain eligibility.

If a school employee exhausts the period of leave approved under FMLA, they may continue SEBB insurance coverage by self-paying the monthly premium and applicable premium surcharges set by HCA, with no contribution from the SEBB Organization. For more information on continuation coverage, see the section titled "*Options For Continuing SEBB Vision Coverage.*"

PAID FAMILY AND MEDICAL LEAVE ACT

A school employee on approved leave under the Washington State Paid Family and Medical Leave Program may continue to receive the employer contribution toward SEBB benefits in accordance with the Paid Family and Medical Leave Program. The Employment Security Department determines if the school employee is eligible for the Paid Family and Medical Leave Program. The school employee must continue to pay the

ELIGIBILITY PROVISIONS: INSURANCE FOR THE SUBSCRIBER AND THE SUBSCRIBER'S DEPENDENTS (continued)

school employee monthly premium contribution and applicable premium surcharge during this period to maintain eligibility.

If a school employee exhausts the period of leave approved under the Paid Family and Medical Leave Program, they may continue SEBB insurance coverage by self-paying the monthly premium and applicable premium surcharge set by HCA, with no contribution from the SEBB Organization. For more information on continuation coverage, see the section titled "***Options For Continuing SEBB Vision Coverage.***"

GENERAL PROVISIONS

PAYMENT OF PREMIUM DURING A LABOR DISPUTE

Any school employee or Dependent whose monthly premiums are paid in full or in part by the SEBB Organization may pay premiums directly to HCA if the school employee's compensation is suspended or terminated directly or indirectly as a result of a strike, lockout, or any other labor dispute for a period not to exceed six months.

While the school employee's compensation is suspended or terminated, HCA shall notify the school employee immediately by mail to the last address of record, that the school employee may pay premiums as they become due.

If coverage is no longer available to the school employee under this certificate of coverage, then the school employee may be eligible to purchase an individual vision plan from this plan at a premium rate consistent with premium rates filed with the Washington State Office of the Insurance Commissioner.

APPEAL RIGHTS

Any current or former school employee of a SEBB Organization or their Dependent may appeal a decision by the SEBB Organization regarding SEBB eligibility, enrollment, or premium surcharges to the SEBB Organization.

Any enrollee may appeal a decision made by the SEBB Program regarding SEBB eligibility, enrollment, premium payments, or premium surcharges to the SEBB Appeals Unit.

Any enrollee may appeal a decision regarding administration of a SEBB vision plan by following the appeal provisions of the plan, except when regarding eligibility, enrollment, and premium payment decisions.

VISION INSURANCE: COORDINATION OF BENEFITS

The Coordination of Benefits (COB) provision applies when a person has vision coverage under more than one **Plan**. **Plan** is defined below.

The order of benefit determination rules govern the order in which each **Plan** will pay a claim for benefits. The **Plan** that pays first is called the **Primary plan**. The **Primary plan** must pay benefits according to its policy terms without regard to the possibility that another **Plan** may cover some expenses. The **Plan** that pays after the **Primary plan** is the **Secondary plan**. The **Secondary plan** may reduce the benefits it pays so that payments from all **Plans** do not exceed 100% of the total **Allowable expense**.

DEFINITIONS

A. A **Plan** is any of the following that provides benefits or services for vision care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts. However, if COB rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate plan.

(1) **Plan** includes: Group, individual or blanket disability insurance contracts, and group or individual contracts issued by health care service contractors or health maintenance organizations (HMO), closed panel plans or other forms of group coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental plan, as permitted by law.

(2) **Plan** does not include: Hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; Medicaid coverage; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under (1) or (2) is a separate **Plan**. If a **Plan** has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate **Plan**.

B. **This plan** means, in a **COB** provision, the part of the contract providing the vision care benefits to which the **COB** provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing vision care benefits is separate from this plan. A contract may apply one **COB** provision to certain benefits, such as vision benefits, coordinating only with similar benefits, and may apply another **COB** provision to coordinate other benefits.

C. The order of benefit determination rules determine whether **This plan** is a **Primary plan** or **Secondary plan** when the person has vision care coverage under more than one **Plan**.

When **This plan** is primary, it determines payment for its benefits first before those of any other **Plan** without considering any other **Plan's** benefits. When **This plan** is secondary, it determines its benefits after those of another **Plan** and must make payment in an amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal 100% of the **Total Allowable expense** for that claim. This means that when this **Plan** is **Secondary**, it must pay the amount which, when combined with what the **Primary plan** paid, totals 100% of the highest **Allowable expense**. In addition, if this **Plan** is **Secondary**, it must calculate its savings (its amount paid subtracted from the amount it would have paid had it been the **Primary plan**) and record these savings as a benefit reserve for the covered person. This reserve must be used to pay any expenses during that calendar year, whether or not they are an **Allowable expense** under this **Plan**. If this **Plan** is **Secondary**, it will not be required to pay an amount in excess of its maximum benefit plus any accrued savings.

D. **Allowable expense** is a vision care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any **Plan** covering the person. When a **Plan** provides benefits in the form of services, the reasonable cash value of each service will be considered an **Allowable expense** and a benefit paid. An expense that is not covered by any **Plan** covering the person is not an **Allowable expense**.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

The following are examples of expenses that are not **Allowable expenses**:

(1) If a person is covered by two or more **Plans** that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement method or other similar reimbursement method, any amount in excess of the highest reimbursement amount for a specific benefit is not an **Allowable expense**.

(2) If a person is covered by two or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable expense**.

(3) The amount of any benefit reduction by the **Primary plan** because a covered person has failed to comply with the **Plan** provisions is not an **Allowable expense**. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

E. **Closed panel plan** is a **Plan** that provides vision benefits to covered persons in the form of services through a panel of providers who are primarily employed by the **Plan**, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

F. **Custodial parent** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

ORDER OF BENEFIT DETERMINATION RULES

When a person is covered by two or more **Plans**, the rules for determining the order of benefit payments are as follows:

A. The **Primary plan** pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other **Plan**.

B. (1) Except as provided in subsection (2), a **Plan** that does not contain a coordination of benefits provision that is consistent with this chapter is always primary unless the provisions of both **Plans** state that the complying plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage is excess to any other parts of the **Plan** provided by the contract holder. Examples include major medical coverages that are superimposed over hospital and surgical benefits, and insurance type coverages that are written in connection with a **Closed panel plan** to provide out-of-network benefits.

C. A **Plan** may consider the benefits paid or provided by another **Plan** in calculating payment of its benefits only when it is secondary to that other **Plan**.

D. Each **Plan** determines its order of benefits using the first of the following rules that apply:

(1) Non-Dependent or Dependent. The **Plan** that covers the person other than as a Dependent, for example as an employee, member, policyholder, Subscriber or retiree is the **Primary plan** and the **Plan** that covers the person as a Dependent is the **Secondary plan**. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the **Plan** covering the person as a Dependent, and primary to the **Plan** covering the person as other than a Dependent (e.g., a retired employee), then the order of benefits between the two **Plans** is reversed so that the **Plan** covering the person as an employee, member, policyholder, Subscriber or retiree is the **Secondary plan** and the other **Plan** is the **Primary plan**.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

- (2) Dependent Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a Dependent child is covered by more than one **Plan** the order of benefits is determined as follows:
- (a) For a Dependent child whose parents are married or are living together, whether or not they have ever been married:
- The **Plan** of the parent whose birthday falls earlier in the calendar year is the **Primary plan**; or
 - If both parents have the same birthday, the **Plan** that has covered the parent the longest is the **Primary plan**.
- (b) For a Dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
- (i) If a court decree states that one of the parents is responsible for the Dependent child's vision care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to claim determination periods commencing after the **Plan** is given notice of the court decree;
- (ii) If a court decree states one parent is to assume primary financial responsibility for the Dependent child but does not mention responsibility for health care expenses, the plan of the parent assuming financial responsibility is primary;
- (iii) If a court decree states that both parents are responsible for the Dependent child's health care expenses or health care coverage, the provisions of subparagraph (a) above determine the order of benefits;
- (iv) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent child, the provisions of subsection (a) above determine the order of benefits; or
- (v) If there is no court decree allocating responsibility for the Dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
- The **Plan** covering the **Custodial parent**, first;
 - The **Plan** covering the spouse of the **Custodial parent**, second;
 - The **Plan** covering the **non-custodial parent**, third; and then
 - The **Plan** covering the spouse of the **non-custodial parent**, last
- (c) For a Dependent child covered under more than one **Plan** of individuals who are not the parents of the child, the provisions of subsection (a) or (b) above determine the order of benefits as if those individuals were the parents of the child.
- (3) Active Employee or Retired or Laid-off Employee. The **Plan** that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the **Primary plan**. The **Plan** covering that same person as a retired or laid-off employee is the **Secondary plan**. The same would hold true if a person is a Dependent of an active employee and that same person is a Dependent of a retired or laid-off employee. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under section D(1) can determine the order of benefits.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

- (4) COBRA or State Continuation Coverage. If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another **Plan**, the **Plan** covering the person as an employee, member, Subscriber or retiree or covering the person as a Dependent of an employee, member, Subscriber or retiree is the **Primary plan** and the COBRA or state or other federal continuation coverage is the **Secondary plan**. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under section D(1) can determine the order of benefits.
- (5) Longer or Shorter Length of Coverage. The **Plan** that covered the person as an employee, member, policyholder, Subscriber or retiree longer is the **Primary plan** and the **Plan** that covered the person the shorter period of time is the **Secondary plan**.
- (6) If the preceding rules do not determine the order of benefits, the **Allowable expenses** must be shared equally between the **Plans** meeting the definition of **Plan**. In addition, **This plan** will not pay more than it would have paid had it been the **Primary plan**.

EFFECT ON THE BENEFITS OF THIS PLAN

When **This plan** is secondary, it may reduce its benefits so that the total benefits paid or provided by all **Plans** during a claim determination period are not more than the total **Allowable expenses**. In determining the amount to be paid for any claim, the **Secondary plan** must make payment in an amount so that, when combined with the amount paid by the Primary plan, the total benefits paid or provided by all plans for the claim equal one hundred percent of the total **Allowable expense** for that claim **Total Allowable expense** is the highest **Allowable expense** of the **Primary plan** or the **Secondary plan**. In addition, the **Secondary plan** must credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits payable under **This plan** and other **Plans**. We may get the facts from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under **This plan** and other **Plans** covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under **This plan** must give Us any facts needed to apply those rules and determine benefits payable.

FACILITY OF PAYMENT

If payments that should have been made under **This plan** are made by another **Plan**, the issuer has the right, at its discretion, to remit to the other **Plan** the amount it determines appropriate to satisfy the intent of this provision. The amounts paid to the other **Plan** are considered benefits paid under **This plan**. To the extent of such payments, the issuer is fully discharged from liability under **This plan**.

RIGHT OF RECOVERY

We have the right to recover excess payment whenever We have paid Allowable expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. We may recover excess payment from any person to whom or for whom payment was made or any other issuers or plans.

If the Subscriber has Questions about Coordination of Benefits, please contact MetLife at 1-833-854-9624.

If the Subscriber is covered by more than one vision benefit plan, and the Subscriber does not know which is the Subscriber's primary plan, the Member's vision provider should contact any one of the vision plans to verify which plan is primary. The health plan the Subscriber contact is responsible for working with the other plan to determine which is primary and will let the Subscriber know within thirty calendar days.

VISION INSURANCE: COORDINATION OF BENEFITS (continued)

CAUTION: All vision plans have timely claim filing requirements. If the Subscriber's provider fails to submit the Subscriber's claim to a secondary vision plan within that plan's claim filing time limit, the plan can deny the claim. If the Subscriber experience delays in the processing of the Subscriber's claim by the primary health plan, the Subscriber's provider will need to submit the Subscriber's claim to the secondary health plan within its claim filing time limit to prevent a denial of the claim.

To avoid delays in claims processing, if the Subscriber is covered by more than one plan the Subscriber should promptly report to the Subscriber's vision providers and plans any changes in the Subscriber's coverage."

Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Vision Insurance:

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your vision insurance coverage under your employer’s group vision insurance policy ends, you may elect to continue vision insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for vision insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total vision insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents’ insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have vision insurance coverage under your employer’s group vision insurance policy pursuant to USERRA. Contact your employer for more information.

THE BENEFITS OF THE POLICY PROVIDING YOUR COVERAGE ARE GOVERNED PRIMARILY BY THE LAW OF A STATE OTHER THAN FLORIDA.

THE GROUP INSURANCE POLICY PROVIDING COVERAGE UNDER THIS CERTIFICATE WAS ISSUED IN A JURISDICTION OTHER THAN MARYLAND AND MAY NOT PROVIDE ALL THE BENEFITS REQUIRED BY MARYLAND LAW.

For New Mexico Residents: This type of plan is NOT considered "minimum essential coverage" under the Affordable Care Act and therefore does NOT satisfy the individual mandate that the Subscriber have health insurance coverage. If the Subscriber does not have other health insurance coverage, the Subscriber may be subject to a federal tax penalty.

For New Hampshire Residents: 30 Day Right to Examine Certificate.

Please read this Certificate. The Subscriber may return the Certificate to Us within 30 days from the date the Subscriber receive it. If you return it within the 30 day period, the Certificate will be considered never to have been issued and We will refund any premium paid for insurance under this Certificate.

WE ARE REQUIRED BY STATE LAW TO INCLUDE THE NOTICE(S) WHICH APPEAR ON THIS PAGE AND IN THE NOTICE(S) SECTION WHICH FOLLOWS THIS PAGE. PLEASE READ THE(SE) NOTICE(S) CAREFULLY.

CONTINUATION OF VISION INSURANCE FOR THE SUBSCRIBER'S FORMER SPOUSE OR STATE-REGISTERED DOMESTIC PARTNER

Such insurance may be continued from the date the Subscriber's marriage is dissolved until the earliest of the following:

NOTICE FOR RESIDENTS OF MISSISSIPPI

CLAIMS FOR VISION INSURANCE

Routine Questions on Vision Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-855-METEYE1.

Initial Determination

If the Subscriber's claim for Vision Insurance benefits is a Clean Claim and it is approved, benefits will be paid within 25 days after We receive Proof in an electronic form of a covered loss, or within 35 days after receipt of Proof in paper form of a covered loss. Proof includes, but is not limited to, information essential for Us to administer coordination of benefits.

"Clean Claim" means a claim that:

- does not require further information, adjustment or alteration by the Subscriber or the provider of the services in order to process and pay it;
- does not have any defects;
- does not have any impropriety, including any lack of supporting documentation; and
- does not involve a particular circumstance required special treatment that substantially prevents timely payments from being made on the claim.

A Clean Claim does not include a claim submitted by a provider more than 30 days after the date of service, or if the provider does not submit the claim on the Subscriber's behalf, a claim submitted more than 30 days after the date the provider bills the Subscriber. Errors, such as system errors, attributable to the insurer, do not change the clean claim status.

If We do not deny payment of such benefits to the Subscriber by the end of the 25 day period for clean claims submitted in electronic form, or 35 day period for Clean Claims submitted in paper form, and such benefits remain due and payable to the Subscriber, interest will accrue on the amount of such benefits at the rate of 3 percent per month until such benefits are finally settled. If We do not pay benefits to the Subscriber when due and payable, the Subscriber may bring action to recover such benefits, any interest which has accrued with respect to such benefits and any other damages which may be allowed by law. We will pay benefits when We receive satisfactory Proof of the Subscriber's claim.

If We are unable to pay a claim for Vision Insurance benefits because additional information or documentation is required, or there is a particular circumstance requiring special treatment, within 25 days after the date We receive the claim if it is submitted in electronic form, or within 35 days after the date MetLife receives the claim if it is submitted in paper form, We will send the Subscriber notice of what supporting documentation or information is needed. Any claim or portion of a claim for Vision Insurance benefits that is resubmitted with all of the supporting documentation requested in Our notice and becomes payable will be paid to the Subscriber within 20 days after it is received.

NOTICE FOR RESIDENTS OF MISSISSIPPI

Claim Denial Appeals

If a claim is denied in whole or in part, under the terms of this certificate, a request may be submitted to Us by a Covered Person or a Covered Person's authorized representative for a full review of the denial. A Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include the Covered Person's authorized representative, where applicable.

Initial Appeal. All requests for review must be made within one hundred eighty (180) calendar days following denial of a claim. A Covered Person may review, during normal business hours, any documents used by Us pertinent to the denial. A Covered Person may also submit Written comments or supporting documentation concerning the claim to assist in Our review. Our response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal.

Second Level Appeal. If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Our communication to the Covered Person shall include the specific reasons for the determination.

Other Remedies. When a Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additional information is available from the U.S. Department of Labor or the insurance regulatory agency for the Covered Persons' state of residency. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

Time of Action. No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of this Policy. No such action shall be brought after the expiration of three (3) years from the last date that the claim and any applicable invoices were submitted to Us, and no such action shall be brought at all unless brought within three (3) years from the expiration of the time within which such materials are required to be submitted in accordance with the terms of this Policy. If it is determined in such action that We acted in bad faith as evidenced by a repeated or deliberate pattern of failing to pay benefits and/or claims when due, the Subscriber (or the provider, if the Subscriber assigned the benefits to the provider) shall be entitled to recover any interest which may accrue plus damages in an amount up to three (3) times the amount of the benefits that remain unpaid until the claim is finally settled or adjudicated.

Insurance Fraud: Any Covered Person who intends to defraud, knowingly facilitates a fraud, submits a claim containing false or deceptive information, or who commits any other similar act as defined by applicable state or federal law, is guilty of insurance fraud. Such an act is grounds for immediate termination of the coverage under this Policy of the Covered Person committing such fraud.

A Covered Person may review, during normal business hours, any documents used by Us pertinent to the denial. A Covered Person may also submit Written comments or supporting documentation concerning the claim to assist in Our review. Our response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal.

Second Level Appeal. If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Other Remedies. When a Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:
