

## Special open enrollment (SOE) matrix: Summary of permitted election changes (effective 1/1/2023)

Your health plan enrollment is for an entire year (January 1 through December 31), unless you make changes during a special open enrollment (SOE) or are no longer eligible under School Employees’ Benefits Board (SEBB) Program rules.

An SOE is created by a specific life event. This addendum summarizes SOE events from Washington Administrative Codes (WACs) 182-30-090, 182-30-100, 182-31-080, and 182-31-150.

A special open enrollment event must be an event other than a school employee gaining initial eligibility for SEBB benefits or regaining eligibility for SEBB benefits.

A school employee may waive enrollment in SEBB medical only if they are enrolled in other employer-based group medical, a TRICARE plan, or Medicare. These enrollments may correspond with specific special open enrollment events 1-21 on the following pages.

A school employee may waive their enrollment in SEBB medical to enroll in public employees benefits board (PEBB) medical only if they are enrolled in PEBB dental. A school employee who waives enrollment in SEBB medical to enroll in PEBB medical also waives enrollment in SEBB dental and SEBB vision.

When enrolling a newly eligible state registered domestic partner, children of the state registered domestic partner, a newly eligible extended dependent, or other non-qualified tax dependent, the subscriber must complete a SEBB Declaration of Tax Status form and submit it with their SEBB enrollment form.

To use the SOE Matrix, simply find the desired change in enrollment (top blue row) and the event (green column) that occurred or will occur. Find where the row and column meet on the matrix to determine if the desired change is allowed, and conditions that may apply.

In *Example 1* below, a "Change health plan election" (blue) is allowed based on the SOE event of "Birth or Adoption" (green). If the box indicates "SOE Not Allowed," then no change is allowed.

### Example 1:

**Events below may create a Special Open Enrollment:**

		Valid documents for proof of the event that created the Special Open Enrollment (SOE) are listed below.  This list is not all inclusive.  Forms listed in this column are used to verify evidence of the SOE.	Change Health Plan Election  (Medical and/or Dental) 182-30-090
<b>3</b>	<b>BIRTH OR ADOPTION</b>  The subscriber acquires a new dependent due to birth, adoption or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption.	<ul style="list-style-type: none"> <li>• Birth certificate (or hospital certificate with the child’s footprints on it) showing the name of parent who is the subscriber, the subscriber’s spouse, or the subscriber’s state registered domestic partner; or</li> <li>• Certificate or decree of adoption; or</li> <li>• Placement letter from adoption agency</li> </ul>	▶▶ Allowed only if the subscriber enrolls a new child and if the subscriber provides notice no later than 60 days after the event.  <u>Effective Date</u> The new plan effective date is the first of the month of the birth, adoption or when assuming legal obligation. This may result in different dates for dependent enrollment and plan change.

## Special open enrollment (SOE) matrix: Summary of permitted election changes (effective 1/1/2023)

This matrix only summarizes special open enrollment events in chapters 182-30 and 182-31 WAC and the corresponding actions that are allowed. It does not describe other circumstances such as initial eligibility, open enrollment, termination for loss of eligibility, or National Medical Support Notices. Notification of the SOE event **must be received no later than sixty (60) days after the event occurs**, except for birth/adoption SOE event #3.

► Provides example(s) of Internal Revenue Service (IRS) "consistency rule;" the election change must be allowable under Internal Revenue Code and Treasury regulations and correspond to and be consistent with the event that creates the SOE.
