### Purpose:

This policy clarifies which documents the School Employees Benefits Board (SEBB) Program considers valid for dependent verification and identifies which accounts are included in the dependent verification process. Although some subscriber accounts are not included in the process, the SEBB Program reserves the right to review a dependent's eligibility at any time.

### Policy:

1. The SEBB Program requires subscribers to provide documentation that verifies a person's relationship to the subscriber before enrolling the person as a dependent under the subscriber's SEBB [insurance-health plan](#) coverage, except as indicated in sections [2](#), [and-3](#), [and 4](#) of this policy.

2. The following subscriber accounts are excluded from the dependent verification process except when the subscriber is requesting enrollment of a partner where eligibility is established through a state registered domestic partnership or a legal union:
  - a. SEBB Continuation Coverage (COBRA) subscriber accounts; and
  - b. SEBB Continuation Coverage (Unpaid Leave) subscriber accounts.
3. Extended dependent children are certified through the process described in WAC 182-31-140, WAC 182-31-150, and SEBB Program Administrative Policy 37-1 for SEBB eligibility.
- 3.4. [If the subscriber is moving from Public Employees Benefits Board \(PEBB\) Program coverage to SEBB Program coverage and requesting to enroll eligible dependents who have been previously verified under the PEBB Program, dependent verification documents will not be required. The SEBB Program will use the dependent verification data previously verified by the PEBB Program for dependent verification.](#)
5. Table 31-1 shows a list of valid dependent verification documents.
