

Find Your Healthy State.

Explore more healthy options with an enhanced SmartHealth.

SmartHealth can help you find your healthy place—no matter your goals or where you are on your well-being journey. Whether you'd like to spend more time hiking Washington's beautiful trails, getting better sleep, or anything in between, you'll get the support you need.

New opportunities with WebMD

Starting in 2024, WebMD – one of the most trusted brands in well-being – will be the SmartHealth program vendor. Together, we'll be introducing an enhanced SmartHealth experience with new resources and more personalized features.

Get ready, it's coming in January 2024! Keep an eye on your email, messages in SmartHealth, and mailbox for more information.
