

Preferred Drug List Changes

Below are list(s) of anticipated changes to how prescription drugs may be covered on the Uniform Medical Plan (UMP) Preferred Drug List (PDL). The PDL applies to all UMP Plans that the Public Employees Benefits Board (PEBB) and the School Employees Benefits Board (SEBB) offer.

The list(s) below do not contain every actual change to the UMP PDL. They only contain **changes that may negatively impact members**, such as increasing a drug's cost-share to members or limiting the amount dispensed per fill. Events such as the release of new generic drugs could result in more changes to the UMP PDL.

Tier changes are not applicable to UMP CDHP (PEBB) and UMP High Deductible (SEBB). After meeting their deductible, members in these plans pay 15 percent coinsurance at network pharmacies for all drugs not in the Preventive Tier , including the drugs listed below.

For questions, please contact Washington State Rx Services at 1-888-361-1611 (TRS: 711) or refer to the **UMP PDL** by visiting hca.wa.gov/ump-pdl.
