## Find out which providers serve each network

You can save money by seeing providers in your plan's network. Visit **regence.com/sebb** and select "Find a doctor" or call UMP Customer service at 1-800-628-3481 (TRS: 711) to find providers and see which plans they participate in.

## Accountable care networks promote high quality, lower cost

Accountable care networks like UMP Plus were created to promote high-quality care at a lower cost. UMP Plus providers agree to be accountable for delivering and evaluating the quality of your care. When you receive preventive care and coordinated treatment, the overall cost of that care is lower. These cost savings help us keep your premium and deductible lower without limiting necessary care.

## Find more information about UMP plans

Keep reading to find out which UMP plan is right for you and your family. You can also find more information online at regence.com/ump/sebb or by calling UMP Customer Service at 1-800-628-3481 (TRS: 711).

You must use providers in your chosen network to receive network-level benefits. See the back of this document for details on deductibles and out-of-pocket limits. All benefits are subject to the medical deductible and coinsurance unless they are for covered preventive care services. Covered preventive care visits and covered immunizations are paid in full and are not subject to the deductible when you see a provider in your plan's network as described under "Preventive care" in the 2020 UMP certificates of coverage (COCs). This material reflects information available at the time of printing. The contents are subject to change in response to further state or federal guidance regarding health care reform requirements. This is a summary of benefits; it is not a COC. All benefits must be medically necessary to be covered. To confirm up-to-date information, please refer to the 2020 UMP COCs available at hca.wa.gov/ump-sebb-coc for complete lists of benefits, limitations, and exclusions.
