You can save money by seeing preferred (network for UMP Plus). Visit the Find a doctor webpage at ump.regence.com/sebb/finding-doctors or call UMP Customer service at 1-800-628-3481 (TRS: 711) to find providers and see which plans they participate in.

Accountable care networks promote high quality, lower cost

Accountable care networks, like UMP Plus, were created to promote high-quality care at a lower cost. UMP Plus providers agree to be accountable for delivering and evaluating the quality of your care. When you receive preventive care and coordinated treatment, the overall cost of that care is lower. These cost savings help us keep your premium and deductible lower without limiting necessary care.

You must use providers in your chosen network for the plan to cover benefits at the network rate. See the back of this document for details on deductibles and out-of-pocket limits. All benefits are subject to the medical deductible and coinsurance unless they are for covered preventive care services. You pay \$0 for covered preventive care visits and covered immunizations when you see a network provider. Read the "Preventive care" section in the UMP certificates of coverage (COCs) for more information. This material reflects information

available at the time of printing. The contents are subject to change in response to further state or federal guidance regarding health care reform requirements. This is a summary of benefits; it is not a COC. All benefits must be medically necessary for the plan to cover them. To confirm up-to-date information, please refer to the UMP COCs by visiting Forms and publications at hca.wa.gov/ump-sebb-coc for complete lists of benefits, limitations, and exclusions.
