Willamette Dental of Washington, Inc., is pleased to offer you a high value dental insurance plan that has the best health of you and your family in mind. Willamette Dental Group offers a unique system that not only offers you value-based dental insurance but provides you with quality dental care as well. Willamette Dental Group has been the leader in proactive preventive care for over 45 years, and we practice dentistry a little differently. We believe a healthy mouth is the foundation of all dental care, and because our focus is health-based rather than disease-based, our proactive method is wholly rooted in prevention. In fact, with your individualized, health-based treatment plan and with proper care, your teeth will be healthy enough to last the rest of your life.

Orthodontic Services

Benefits for orthodontic treatment are provided only if a Participating Provider prepares the treatment plan prior to starting orthodontic treatment. The treatment plan is based on an examination that must take place while the Enrollee is covered under this Plan. The examination must show a diagnosis of an abnormal occlusion that can be corrected by orthodontic treatment.

The initial orthodontic diagnostic work-up and X-rays are subject to a Pre-Orthodontic Service Copayment of \$50, which is due at the initial consultation. The Pre-Orthodontic Service Copayments will be deducted from the Comprehensive Orthodontic Service Copayment if the Enrollee accepts the treatment plan. The Orthodontic Service Copayment amount for comprehensive orthodontic treatment is \$1,500 per case, which is due in full prior to commencement of orthodontic treatment. The Copayment for limited orthodontic treatment will be prorated based on the treatment plan. Services provided in connection with orthodontic treatment are subject to the Copayments listed in the Schedule of Covered Services and Copayments.

The Enrollee must remain covered under this Plan for the entire length of treatment. The Enrollee must follow the post-treatment plan and keep all appointments after the Enrollee is de-banded to avoid additional Copayments. If benefits for orthodontic services terminate prior to completion of orthodontic treatment, benefits will continue through the end of the month. If coverage terminates prior to completion of treatment, the Copayment may be prorated and the services necessary to complete treatment will be billed at the Reasonable Cash Value.

Temporomandibular Joint Disorder Treatment

Temporomandibular Joint Disorder (TMJ) means a disorder that has one or more of the following characteristics: pain in the musculature associated with the temporomandibular joint, internal derangements of the temporomandibular joint, arthritic problems with the temporomandibular joint, or an abnormal range of motion or limitation of motion of the temporomandibular joint.

Benefits for non-surgical treatment of TMJ are covered at a yearly maximum of \$1,000 per Enrollee, not to exceed a lifetime maximum of \$5,000 per Enrollee. Willamette Dental of Washington, Inc., will provide benefits for covered services provided in connection with TMJ treatment only if a Participating Provider pre-authorizes and provides the treatment. No benefits will be provided for repair or replacement of lost, stolen, or broken TMJ appliances or for surgical treatment, banding treatment or restorations. The covered services must be:

1. Reasonable and appropriate for the treatment of TMJ;
2. Effective for the control or elimination of pain, infection, disease, difficulty in speaking, or difficulty in chewing or swallowing food, which is caused by TMJ;
3. Recognized as effective, in accordance with the professional standard of care;
4. Not deemed Experimental or Investigational; and
5. Not primarily intended to improve, alter, or enhance appearance.

Orthognathic Surgery

Orthognathic surgery performed by a Dentist means the Dentally Necessary surgical procedures or treatment to correct the mal-position of the maxilla (upper jawbone) or the mandible (lower jawbone). It may also include treatment of congenital or developmental malformations which impair functions of the teeth and supporting structures for a Subscriber's Dependent child under the age of 19, if the treatment is appropriate to be performed by a Dentist.

All orthognathic surgery must be prescribed by a Participating Provider before treatment begins. Benefits will be denied if treatment is not preauthorized. Orthognathic surgery is covered at 70%, up to a lifetime maximum of \$5,000. Treatment for complications will be covered only if treatment begins within 30 days of the original treatment.

In addition to the limitations and exclusions set forth in this Certificate of Coverage, the following limitations and exclusions also apply to orthognathic treatment:

1. Services that would be provided under medical care including, but not limited to, hospital and professional services are excluded.
2. Diagnostic procedures not otherwise covered under this Plan are excluded.
3. Any procedures that are performed in conjunction with orthognathic surgery and are covered benefits under another portion of this Plan are excluded.

Implant Services

Dental implants are available to Enrollees at designated Willamette Dental Group offices.

The following is the typical process that an Enrollee will follow for dental implant services.

- *First Appointment:* Evaluation by a Participating Provider to determine if the Enrollee is a viable candidate to receive a dental implant.
- *Second Appointment:* Enrollee receives a consultation at a Willamette Dental Group office with a Participating Provider who specializes in performing dental implants. A stint is fitted for the implant during this appointment.
- *Third Appointment:* Implant surgery is performed.
- *Fourth Appointment:* Once the Enrollee is healed, an impression will be taken in order to place the implant appliance(s).
- *Fifth Appointment:* The implant appliance will be placed on the implant.
- *Follow-up Appointments:* Follow-up appointments will be scheduled to evaluate the Enrollee's progress.

The benefits for implant services will be provided when the treatment plan is prepared by a Participating Provider prior to receiving implant services. The treatment plan is based on an examination that must take place while the Enrollee is covered. Benefits for implant services will be provided only if prescribed by a Participating Provider and if the entire implant procedure, including surgery and application of prosthetic, occurs while the Enrollee is covered under this Plan.

If coverage under this Plan terminates prior to completion of implant treatment (including application of prosthetic), there may be additional charges for implant services provided after termination of coverage. If benefits for implant services terminate before the end of the prescribed treatment period, benefits will continue through the end of the month in which the benefits for implant services are terminated. Implant treatment provided after coverage under this Plan has terminated including application of prosthetic(s) will be pro-rated based on the Reasonable Cash Value of the services.

Services provided in connection with implant treatment are subject to the Copayments listed below and the applicable Copayments listed in the Schedule of Covered Services and Copayments. All Copayments must be paid in full at the time of service. In addition, only the implant services listed below will be covered under the Implant Services Benefit. All other implant services will be subject to the Copayments, including any Office Visit Copayments, as stated in the Schedule of Covered Services and Copayments or will not be covered.

ELIGIBILITY

In these sections, we may refer to employees, retirees, and survivors as “Subscribers” or “Enrollees.” The term “retiree” or “retiring employee” as used in these sections includes elected and full-time appointed officials of the legislative and executive branch of state government eligible to continue enrollment in PEBB retiree insurance coverage. Additionally, “health plan” is used to refer to a plan offering medical or dental coverage, or both developed by the Public Employees Benefits Board (PEBB) and provided by a contracted vendor or self-insured plans administered by the Health Care Authority (HCA).

The employee’s employing agency will inform the employee whether they are eligible for benefits upon employment and whenever the employee’s eligibility status changes. The communication will include information about the employee’s right to appeal eligibility and enrollment decisions. Information about an employee’s right to an appeal can be found on page 28.

The Public Employees Benefits Board (PEBB) Program determines if a retiring employee is eligible to enroll in PEBB retiree insurance coverage upon receipt of a completed *Retiree Coverage Election Form*. If the retiring employee does not have substantive eligibility or does not meet the procedural requirements for enrollment in PEBB retiree insurance coverage, the PEBB Program will notify the retiring employee of their right to appeal. Information about appealing a decision made by the PEBB Program can be found on page 28.

The PEBB Program determines if a dependent is eligible to enroll or continue enrollment in PEBB retiree insurance coverage as a survivor upon receipt of a completed *Retiree Coverage Election form*. If the survivor does not have substantive eligibility or does not meet the procedural requirements for enrollment in PEBB retiree insurance coverage, the PEBB Program will notify the survivor of their right to appeal. Information about appealing a decision made by the PEBB Program can be found on page 28.

Retirees, survivors, and their enrolled Dependents, are required to enroll in Medicare Part A and B if entitled.

Enrollees who are entitled to Medicare must enroll and maintain their enrollment in Medicare Parts A and B. This is a condition of their enrollment in a PEBB retiree health plan. Enrollees must provide a copy of their Medicare card or their entitlement letter from the Social Security Administration with Medicare Part A and B dates to the PEBB Program as proof of Medicare enrollment. If an Enrollee is not entitled to either Medicare Parts A or B on their 65th birthday, the Enrollee must provide the PEBB Program with a copy of the denial letter from the Social Security Administration. The only exception to this rule is employees who retired on or before July 1, 1991.

Eligible Dependents

To enroll in a dental plan, a Dependent must be eligible and the Subscriber must follow the procedural requirements described in the “Enrollment” section of this Certificate of Coverage.

The PEBB Program or employing agency verifies the eligibility of all Dependents and requires documents from Subscribers that prove a Dependent’s eligibility. The following are eligible as Dependents:

1. Legal spouse.
2. State registered domestic partner, as defined in state statute and substantially equivalent legal unions from other jurisdictions as defined in state statute.

3. Children. Children are eligible through the last day of the month in which their 26th birthday occurred except as described in subsection (h) of this section. Children are defined as the Subscriber's:
- a. Children as defined in state statutes that establish a parent-child relationship, except when parental rights have been terminated;
 - b. Children of the subscriber's spouse, based on the spouse's establishment of a parent-child relationship, except when parental rights have been terminated. The stepchild's relationship to a Subscriber (and eligibility as a Dependent) ends on the same date the marriage with the spouse ends through divorce, annulment, dissolution, termination, or death;
 - c. Children for whom the subscriber has assumed legal obligation for total or partial support in anticipation of the child;
 - d. Children for whom the Subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of the child;
 - e. Children of the Subscriber's state-registered domestic partner, based on the state-registered domestic partner's establishment of a parent-child relationship, except when parental rights have been terminated. The child's relationship to the Subscriber (and eligibility as a Dependent) ends on the same date the Subscriber's legal relationship with the state-registered domestic partner ends through divorce, annulment, dissolution, termination, or death;
 - f. Children specified in a court order or divorce decree for whom the subscriber has a legal obligation to provide support or health care coverage;
 - g. Extended Dependent in the legal custody or legal guardianship of the Subscriber, the Subscriber's spouse, or Subscriber's state-registered domestic partner. The legal responsibility is demonstrated by a valid court order and the child's official residence with the custodian or guardian. Extended Dependent child does not include a foster child unless the Subscriber, the Subscriber's spouse, or the Subscriber's state-registered domestic partner has assumed a legal obligation for total or partial support in anticipation of adoption; and
 - h. Children of any age with a developmental or physical disability that renders the child incapable of self-sustaining employment and chiefly dependent upon the Subscriber for support and maintenance provided such condition occurs before the age of 26. The following requirements apply to Dependents with a disability:
 - The Subscriber must provide proof of the disability and dependency within 60 days of the child's attainment of age 26;
 - The Subscriber must agree to notify the PEBB Program in writing no later than 60 days after the date that the child is no longer eligible under this subsection;
 - A child with a developmental or physical disability who becomes self-supporting is not eligible under this subsection as of the last day of the month in which they become capable of self-support;
 - A child with a developmental or physical disability age 26 and older who becomes capable of self-support does not regain eligibility under (h) of this subsection if they later become incapable of self-support;
 - The PEBB Program (with input from the medical plan if enrolled in medical) will periodically verify the eligibility of a Dependent child with a disability, but no more frequently than annually after the two-year period following the child's 26th birthday, which may require renewed proof from the Subscriber.

4. Parents of the Subscriber.
 - a. Parents covered under PEBB medical before July 1, 1990, may continue enrollment on a self-pay basis as long as:
 - The parent maintains continuous enrollment in PEBB medical;
 - The parent qualifies under the Internal Revenue Code as a Dependent of the Subscriber;
 - The Subscriber continues enrollment in PEBB insurance coverage; and
 - The parent is not covered by any other group medical plan.
 - b. Parents eligible under this subsection may be enrolled with a different medical plan than that selected by the Subscriber. Parents may not enroll additional Dependents to their PEBB insurance coverage.

ALERT! Don't forget to notify your employing agency or the PEBB Program of changes in dependent status. You may be required to pay for services received by ineligible dependents.

ENROLLMENT

A PEBB Program Subscriber or Subscriber's Dependent is eligible to enroll in only one PEBB dental plan even if eligibility criteria is met under two or more Subscribers. For example, a Dependent child who is eligible for enrollment under two parents working for employers that participate in PEBB coverage may be enrolled as a Dependent under one parent, but not more than one.

Employees are required to enroll in a dental plan under their employing agency. Employees must submit an *Employee Enrollment/Change* form to their employing agency when they become newly eligible for PEBB benefits. The form must be received no later than 31 days after the date the employee becomes eligible. To enroll an eligible Dependent, the employee must include the Dependent's information on the form and provide the required document(s) as proof of the Dependent's eligibility. A Dependent must be enrolled in the same health plan coverage as the Subscriber. If the employee does not meet the 31-day requirement, the employee will be enrolled in the Uniform Dental Plan and any eligible Dependents cannot be enrolled until the PEBB Program's next annual open enrollment or when a qualifying event occurs that creates a special open enrollment.

Retirees and survivors may enroll in dental. If a retiree or survivor chooses to enroll in a dental plan under PEBB retiree insurance coverage, any Dependents enrolled on the Subscriber's account will be enrolled in dental in the same dental plan as the Subscriber. The retiree or survivor must stay enrolled in retiree dental coverage for at least two years before dental can be dropped unless they defer or terminate coverage according to PEBB Program rules.

Retiring employees and Dependents becoming eligible as a survivor must submit a *Retiree Coverage Election Form* along with any other required forms to the PEBB Program. The forms must be received within the required enrollment time limits listed under "When Dental Coverage Begins". Retiring employees and Dependents becoming eligible as a survivor who request to enroll an eligible Dependent must include the Dependent's information on the *Retiree Coverage Election Form* and provide any required document(s) as proof of the Dependent's eligibility.

A Subscriber or a Subscriber's Dependents may also be enrolled during the PEBB Program's annual open enrollment (see "Annual Open Enrollment" on page 22) or during a special open enrollment (see "Special Open Enrollment" on page 22). The Subscriber must provide proof of the event that created the special open enrollment.

ALERT! Failure to notify your employing agency or the PEBB Program of changes in status affecting eligibility may result in termination of coverage. You are responsible for the cost of any services received when you or your dependent(s) were ineligible.

Subscribers are required to remove Dependents within 60 days from the last day of the month when Dependents no longer meet the eligibility criteria described under “Eligible Dependents” on page 18. Consequences for not submitting notice within 60 days may include, but are not limited to:

- The Dependent losing eligibility to continue dental plan coverage under one of the continuation coverage options described on page 26 of this Certificate of Coverage;
- The Subscriber being billed for claims paid by the dental plan that were received after the Dependent lost eligibility;
- The Subscriber being unable to recover Subscriber-paid insurance premiums for Dependents that lost their eligibility; and
- The Subscriber being responsible for premiums paid by the state for the Dependent's dental plan coverage after the Dependent lost eligibility.

TIP: Keeping your address and other personal information up-to-date helps ensure that you receive important notices about your benefits. If your address or name changes:

- Employees should notify their personnel, payroll, or benefits office as soon as possible.
- Retirees, survivor, and continuation coverage subscribers should contact the PEBB Program at 1-800-200-1004.

When Dental Coverage Begins

For an employee and the employee's eligible Dependent, enrolling no later than 31 days after the date the employee becomes newly eligible, dental plan coverage will begin the first day of the month following the date the employee becomes eligible. If the employee becomes eligible on the first working day of the month, then coverage begins on that date.

For retiring employees and their Dependents enrolling in PEBB retiree insurance coverage no later than 60 days after the employee's employer-paid coverage, Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage, or continuation coverage ends, dental coverage begins on the first day of the month after the loss of employer-paid coverage, COBRA coverage, or continuation coverage.

For an eligible elected or full-time appointed official and their Dependents enrolling in PEBB retiree insurance coverage no later than 60 days after the official leaves public office, dental coverage begins the first day of the month following the date the official leaves public office.

For an eligible survivor of a retiree and their Dependents enrolling in PEBB retiree insurance coverage no later than 60 days after the death of the retiree, dental coverage will be continued without a gap subject to payment of premiums and any applicable premium surcharges.

For an eligible survivor of an employee (not including emergency service personnel killed in the line of duty) and their Dependents enrolling in PEBB retiree insurance coverage no later than 60 days after the later of the date of the employee's death or the date the survivor's PEBB, school district, educational service district, or charter school coverage ends, dental coverage begins the first day of the month following the later of the date of the employee's death or the date the survivor's PEBB, school district, educational service district, or charter school coverage ends.

For a retiree or a survivor who deferred enrollment and is enrolling in a PEBB health plan no later than 60 days after a loss of other qualifying coverage, dental coverage will begin the first day of the month after the loss of other qualifying coverage.

For a person enrolling during the PEBB Program's annual open enrollment, dental coverage will begin on January 1 of the following year.

For a person enrolling during a special open enrollment, dental coverage will begin the first of the month following the later of the event date or the date the form is received. If that day is the first of the month, the change in enrollment begins on that day.

Exceptions:

1. If the special enrollment is due to birth or adoption of a child, or when the Subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of a child, dental coverage begins as follows:
 - a. For the newly born child, dental coverage will begin the date of birth;
 - b. For a newly adopted child, dental coverage will begin on the date of placement or the date a legal obligation is assumed in anticipation of adoption, whichever is earlier;
 - c. For a spouse or state-registered domestic partner of a Subscriber, dental coverage will begin the first day of the month in which the event occurs.
2. If adding a child who becomes eligible as an extended Dependent through legal custody or legal guardianship, dental coverage begins on the first day of the month following eligibility certification.

Annual Open Enrollment

Employees may make the following changes to their enrollment during the PEBB Program's annual open enrollment:

- Enroll or remove eligible Dependents; or
- Change their dental plan.

Retirees or survivors may make the following changes to their enrollment during the PEBB Program's annual open enrollment:

- Enroll in or terminate enrollment in a dental plan;
- Enroll or remove eligible Dependents; or
- Change their dental plan.

If Subscribers make changes during the PEBB Program's annual open enrollment, employees must submit the required form to their employing agency. Retirees and survivors must submit the required forms to the PEBB Program. The forms must be received no later than the last day of the annual open enrollment (usually November 30). The enrollment change will become effective January 1 of the following year.

Special Open Enrollment

A Subscriber may make an enrollment change outside of the annual open enrollment if a special open enrollment event occurs. The change in enrollment must be allowable under Internal Revenue Code (IRC) and Treasury Regulations, and correspond to, and be consistent with, the event that creates the special open enrollment for the Subscriber, the Subscriber's Dependent, or both.

To make an enrollment change, the Subscriber must submit the required form(s). Form(s) must be received no later than 60 days after the event that creates the special open enrollment, with the following exceptions:

1. If a Subscriber wants to enroll a newborn or child whom the Subscriber has adopted or has assumed a legal obligation for total or partial support in anticipation of adoption, the Subscriber should notify their employing agency or the PEBB Program by submitting the required form as soon as possible to ensure timely payment of claims. If adding the child increases the premium, the required form must be received no later than twelve months after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption.
2. A retiree or a survivor may defer or terminate enrollment in a PEBB health plan or terminate a Dependent's enrollment at any time by providing written notice to the PEBB Program.

Employees must submit the required form to their employing agency. Retirees and survivors must submit the required forms to the PEBB Program. In addition to the required forms, the PEBB Program or employing agency will require the Subscriber to provide proof of the Dependent's eligibility, proof of the event that created the special open enrollment, or both.

When May a Subscriber Change Their Health Plan?

Any one of the following events may create a special open enrollment:

1. Subscriber gains a new Dependent due to:
 - a. Marriage or registering a domestic partnership;
 - b. Birth, adoption or when the Subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or
 - c. A child becoming eligible as an extended Dependent through legal custody or legal guardianship.
2. Subscriber, or a Subscriber's Dependent, loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);
3. Subscriber has a change in employment status that affects the Subscriber's eligibility for the employer contribution toward their employer-based group health plan;
4. The Subscriber's Dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group health plan;
5. Subscriber or a Subscriber's Dependent has a change in residence that affects health plan availability. If the Subscriber moves and their current health plan is not available in the new location the Subscriber must select a new health plan;
6. A court order requires the Subscriber or any other individual to provide insurance coverage for an eligible Dependent of the subscriber (a former spouse or former state-registered domestic partner is not an eligible Dependent);
7. Subscriber or a Subscriber's Dependent becomes entitled to coverage under Medicaid or a state Children's Health Insurance Program (CHIP), or the Subscriber or the Subscriber's Dependent loses eligibility for coverage under Medicaid or CHIP;
8. Subscriber or a Subscriber's Dependent becomes eligible for a state premium assistance subsidy for PEBB health plan coverage from Medicaid or a state CHIP;
9. Subscriber or a Subscriber's Dependent becomes entitled to coverage under Medicare, or the Subscriber or a Subscriber's Dependent loses eligibility for coverage under Medicare, or enrolls in or terminates enrollment in a Medicare Part D plan. If the Subscriber's current health plan becomes unavailable due to the Subscriber's or a Subscriber's Dependent's entitlement to Medicare, the Subscriber must select a new health plan;
10. Subscriber or a Subscriber's Dependent's current health plan becomes unavailable because the Subscriber or enrolled Dependent is no longer eligible for a health savings account (HSA); or

11. Subscriber or Subscriber's Dependent experiences a disruption of care that could function as a reduction in benefits for the Subscriber or the Subscriber's Dependent for a specific condition or ongoing course of treatment. The Subscriber may not change their health plan election if the Subscriber's or Dependent's physician stops participation with the Subscriber's health plan unless the PEBB Program determines that a continuity of care issue exists. The PEBB Program will consider but is not limited to considering the following:
- Active cancer treatment such as chemotherapy or radiation therapy for up to 90 days or until medically stable; or
 - Transplant within the last 12 months; or
 - Scheduled surgery within the next 60 days (elective procedures within the next 60 days do not qualify for continuity of care); or
 - Recent major surgery still within the postoperative period of up to 8 weeks; or
 - Third trimester of pregnancy.

NOTE: If an Enrollee's provider or dental care facility discontinues participation with the dental plan, the Enrollee may not change dental plans until the PEBB Program's next annual open enrollment or when another qualifying event occurs that creates a special open enrollment, unless the PEBB Program determines that a continuity of care issue exists. This plan cannot guarantee that any one Dentist, facility, or other provider will be available or remain under contract with us.

When May a Subscriber Enroll or Remove Eligible Dependents?

Any one of the following events may create a special open enrollment:

- Subscriber gains a new Dependent due to:
 - Marriage or registering a domestic partnership;
 - Birth, adoption or when a Subscriber has assumed a legal obligation for total or partial support in anticipation of adoption; or
 - A child becoming eligible as an extended Dependent through legal custody or legal guardianship.
- Subscriber or a Subscriber's Dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);
- Subscriber has a change in employment status that affects the Subscriber's eligibility for the employer contribution toward their employer-based group health plan;
- The Subscriber's Dependent has a change in their own employment status that affects their eligibility for the employer contribution under their employer-based group health plan;
- Subscriber or a Subscriber's Dependent has a change in enrollment under another employer-based group health insurance plan during its annual open enrollment that does not align with the PEBB Program's annual open enrollment;
- Subscriber's Dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States;
- A court order requires the Subscriber, or any other individual to provide insurance coverage for an eligible Dependent of the Subscriber (a former spouse or former state-registered domestic partner is not an eligible Dependent);
- Subscriber or a Subscriber's Dependent becomes entitled to coverage under Medicaid or a state Children's Health Insurance Program (CHIP), or the Subscriber or a Subscriber's Dependent loses eligibility for coverage under Medicaid or CHIP; or
- Subscriber or a Subscriber's Dependent becomes eligible for a state premium assistance subsidy for PEBB health plan coverage from Medicaid or a state CHIP.

When Dental Coverage Ends

Coverage ends on the following dates:

1. On the last day of the month when any Enrollee ceases to be eligible.
2. On the date a plan terminates. If that should occur, the Enrollee losing coverage will have the opportunity to enroll in another PEBB dental plan.
3. For an Enrollee who chooses not to continue enrollment or is ineligible to continue enrollment under one of the options described in the "Options for Continuing PEBB Dental Coverage" on page 26 of this Certificate of Coverage, coverage ends on the last day of the month in which they cease to be eligible.
4. The Subscriber is responsible for timely payment of premiums and applicable premium surcharges. If the monthly premium or applicable premium surcharge remains unpaid for 30 days, it will be considered delinquent. A Subscriber is allowed a grace period of 30 days from the date the monthly premium or applicable premium surcharge becomes delinquent to pay the unpaid premium balance or surcharge. If the Subscriber's premium balance or applicable premium surcharge remains unpaid for 60 days from the original due date, coverage will be terminated for the Subscriber and enrolled Dependents retroactive to the last day of the month for which the monthly premium and applicable premium surcharge was paid. A full month's premium is charged for each calendar month of coverage. Premium payments and applicable premium surcharges are not prorated during any month, even if an Enrollee dies or if the Subscriber requests to terminate their coverage before the end of the month.

The Subscriber is responsible for timely payment of premiums and applicable premium surcharges, and reporting changes in eligibility or address.

Failure to report changes can result in loss of premiums and loss of the Subscriber and Dependents' right to continue coverage under one of the continuation coverage options described in the "Options for Continuing PEBB Dental Coverage," on page 26. To report enrollment and address changes, employees should contact their personnel, payroll, or benefits office. Retirees and survivors should call the PEBB Program at 1-800-200-1004.

National Medical Support Notice (NMSN)

When a NMSN requires a Subscriber to provide health plan coverage for a Dependent child the following provisions apply:

1. The Subscriber may enroll their Dependent child and request changes to their health plan coverage as described under subsection (3) of this section. Employees submit the required forms to their employing agency. All other Subscribers submit the required forms to the PEBB Program.
2. If the Subscriber fails to request enrollment or health plan coverage changes as directed by the NMSN, the employing agency or the PEBB Program may make enrollment or health plan coverage changes according to subsection (3) of this section upon request of:
 - a. The child's other parent; or
 - b. Child support enforcement program.
3. Changes to health plan coverage or enrollment are allowed as directed by the NMSN:
 - a. The Dependent will be enrolled under the Subscriber's health plan coverage as directed by the NMSN;
 - b. An employee who has waived PEBB medical will be enrolled in medical as directed by the NMSN, in order to enroll the Dependent;
 - c. The Subscriber's selected health plan will be changed if directed by the NMSN;
 - d. If the Dependent is already enrolled under another PEBB Subscriber, the Dependent will be removed from the other health plan coverage and enrolled as directed by the NMSN;

- e. If the employee is eligible for and elects Consolidated Omnibus Budget Reconciliation Act (COBRA) or other continuation coverage, the NMSN will be enforced and the Dependent must be covered in accordance with the NMSN.
4. Changes to health plan coverage or enrollment described in subsection (3)(a) through (c) of this section will begin the first day of the month following receipt of the NMSN. If the NMSN is received on the first day of the month, the change to health plan coverage or enrollment begins on that day. A Dependent will be removed from the Subscriber's health plan coverage as described in subsection (3)(d) of this section the last day of the month the NMSN is received. If that day is the first of the month, the change in enrollment will be made the last day of the previous month.
5. The Subscriber may be eligible to make changes to their health plan enrollment and salary reduction elections related to the NMSN.

OPTIONS FOR CONTINUING PEBB DENTAL COVERAGE

Subscribers and their Dependents covered by this dental plan may be eligible to continue enrollment during temporary or permanent loss of eligibility. There are three continuation coverage options for PEBB dental plan Enrollees:

1. PEBB Continuation Coverage (COBRA)
2. PEBB Continuation Coverage (Unpaid Leave)
3. PEBB retiree insurance coverage

The first two options temporarily extend group insurance coverage when the Enrollee's PEBB dental plan coverage ends due to a qualifying event. PEBB Continuation Coverage (COBRA) includes eligibility and administrative requirements under federal law and regulation and also includes coverage for some enrollees who are not qualified beneficiaries under federal COBRA continuation coverage. PEBB Continuation Coverage (Unpaid Leave) is an alternative created by the PEBB Program with wider eligibility criteria and qualifying event types. Enrollees who qualify for both types of PEBB Continuation Coverage (COBRA and Unpaid Leave) may choose to enroll in only one of the options.

The third option, PEBB retiree insurance coverage, is only available to retiring employees, eligible elected or full-time appointed officials leaving public office, and Dependents becoming eligible as a survivor who meet eligibility and procedural requirements.

The PEBB Program administers all three continuation coverage options. Refer to the *PEBB Continuation Coverage Election Notice* booklet or the *Retiree Enrollment Guide* for details. Retirees and continuation coverage Subscribers may also call the PEBB Program at 1-800-200-1004.

Family and Medical Leave Act of 1993

An employee on approved leave under the federal Family and Medical Leave Act (FMLA) may continue to receive the employer contribution toward PEBB insurance coverage in accordance with the federal FMLA. The employing agency is responsible for determining if the employee is eligible for leave and the duration of the leave under FMLA. The employee must continue to pay the employee monthly premium contribution and applicable premium surcharge during this period to maintain eligibility. If the employee's monthly premium or applicable premium surcharge remains unpaid for 60 days from the original due date, insurance coverage will be terminated retroactive to the last day of the month for which the monthly premium and applicable premium surcharge was paid.

If an employee exhausts the period of leave approved under FMLA, they may continue insurance coverage by self-paying the monthly premium and applicable premium surcharge set by the Health Care Authority (HCA), with no contribution from the employer while on approved leave. For additional information on continuation coverage, see the section titled "Options for Continuing PEBB Dental Coverage."

Payment of Premium During a Labor Dispute

Any employee or Dependent whose monthly premiums are paid in full or in part by the employer may pay premiums directly to this dental plan or the HCA if the employee's compensation is suspended or terminated directly or indirectly as a result of a strike, lockout, or any other labor dispute for a period not to exceed six months.

While the employee's compensation is suspended or terminated, the employee shall be notified immediately by the HCA, in writing, by mail sent to the last address of record with the HCA, that the employee may pay premiums as they become due.

If coverage is no longer available to the employee under this Plan, then the employee may purchase an individual dental plan from Willamette Dental of Washington, Inc. at a premium rate consistent with premium rates filed with the Washington State Office of the Insurance Commissioner.

TERMINATION FOR JUST CAUSE

The purpose of this provision is to allow for a fair and consistent method to process the Participating Provider's request to terminate coverage from this Plan for Just Cause.

An Enrollee or an eligible Dependent may have coverage terminated by HCA for the following reasons:

1. Failure to comply with the PEBB program's procedural requirements, including failure to provide information or documentation requested by the due date in written requests from the PEBB program;
2. Knowingly providing false information;
3. Failure to pay the monthly premium and applicable premium surcharge when due; or
4. Misconduct. Examples of such termination include, but are not limited to the following:
 - a. Fraud, intentional misrepresentation or withholding of information the subscriber knew or should have known was material or necessary to accurately determine eligibility or the correct premium;
 - b. Abusive or threatening conduct directed to an HCA employee, a health plan, Participating Provider or other HCA contracted vendor providing PEBB insurance coverage on behalf of the HCA, its employees, or other persons.
 - c. Repeated failure to make timely payment of Copayments.

If a retiree's PEBB insurance coverage is terminated by HCA for the above reasons, PEBB insurance coverage for all of the retiree's eligible Dependents is also terminated. If a retiree's PEBB insurance coverage is terminated for misconduct, PEBB insurance coverage will not be reinstated at a later date.

The PEBB Program will enroll the employee and their eligible Dependents in another dental plan upon termination from this plan.

The Subscriber has a right to appeal the decision through the eligibility appeal process described on page 28.

APPEALING A DETERMINATION OF INELIGIBILITY FOR INSURANCE COVERAGE

Any current or former employee of a state agency or their Dependent may appeal a decision by the employing state agency regarding PEBB eligibility or enrollment to the employing agency.

Any current or former employee of an employer group or their Dependent may appeal a decision by an employer group regarding PEBB eligibility or enrollment to the employer group.

Any Enrollee may appeal a decision made by the PEBB Program regarding PEBB eligibility, enrollment, or premium payments to the PEBB Appeals Unit.

Any Enrollee may appeal a decision regarding the administration of a PEBB dental plan by following the appeal provisions of the plan, except when regarding eligibility, enrollment, and premium payment decisions.

SUBROGATION

Benefits may be available for an injury or disease, which is allegedly the liability of a third party. Such services provided by the Participating Provider are solely to assist the Enrollee. By incurring the Reasonable Cash Value of the benefits provided in the form of services, the Participating Provider is not acting as a volunteer and is not waiving any right to reimbursement or subrogation.

If the Participating Provider provides services for the treatment of an injury, whether or not caused by another party, it shall:

- a) Be subrogated to the right of the Enrollee or the Enrollee's representative to recover the Reasonable Cash Value of the services provided; and
- b) Have security interests in any damage recoveries to the extent of all payments made or the Reasonable Cash Value of the services provided, subject to the limitations below.

As a condition of receiving the benefits, the Enrollee or the Enrollee's representative shall:

- a) Provide the Participating Provider with the name and address of the parties liable, all facts known concerning the injury, and other information as reasonably requested;
- b) Hold in trust any damage recoveries until the final determination or settlement is made and to execute a trust agreement guaranteeing the Participating Provider's subrogation rights; and
- c) Take all necessary action to seek and obtain recovery to reimburse the Participating Provider.

This Plan does not provide benefits for services payable under any motor vehicle medical, motor vehicle no-fault, personal injury protection, homeowner's, commercial premises coverage, workers compensation or similar contract or insurance.

The Participating Provider shall be reimbursed with any amounts received from the third party or third party's insurer(s). The Participating Provider may recover only the excess, which the Enrollee has recovered from the responsible party remaining after the Enrollee is fully compensated for the Enrollee's loss as provided in the settlement or judgment. The amount shall not exceed the Reasonable Cash Value of the services provided for treatment of the injury or disease.

GRIEVANCE AND BENEFIT APPEAL PROCESS

First Step: The Grievance

Willamette Dental of Washington, Inc., will accept a Grievance made orally or in writing. The Enrollee should call the Member Services Department toll free at 1.855.4DENTAL (1.855.433.6825), or should send written Grievances to: Willamette Dental of Washington, Inc., Attn: Member Services, 6950 NE Campus Way, Hillsboro, OR 97124.

What the Enrollee must do: If an Enrollee has a Grievance against the Participating Provider or Willamette Dental of Washington, Inc., regarding a claim or request for services that has been denied, the Enrollee or the Enrollee's authorized representative may request a review of the denial by writing or calling the Member Services Department at Willamette Dental of Washington, Inc., within 180 days after the Enrollee has received the denial. The Enrollee must explain what he or she is dissatisfied with based on a previous decision or action made by Willamette Dental of Washington, Inc. The Enrollee may submit comments, documents, and other information to support his or her Grievance. The Enrollee or the Enrollee's authorized representative may review pertinent documents at Willamette Dental of Washington, Inc., regarding his or her denial.

What Willamette Dental of Washington, Inc., does: The Member Services Department accepts and logs the Grievance and will send an acknowledgement letter to the Enrollee within 5 business days of receiving the Grievance. The Member Services Representative, who was not involved in the initial decision, will work together, as needed, with a reviewing Dentist, Participating Provider and other departments to investigate the Grievance. The Member Services Representative gathers facts, and prepares a "Grievance package" of detailed information. Based upon that package, the Member Services Representative makes a decision, records it in writing and sends a decision to the Enrollee within 30 days of first receiving the Grievance, unless Willamette Dental of Washington, Inc., notifies the Enrollee that an extension is necessary to complete the decision for the Grievance; however, the extension cannot delay the decision beyond 30 days of the Grievance without the Enrollee's informed written consent. If the Member Services Representative does not receive all necessary documents from the Enrollee to make a decision, then the decision will be made on the information provided. If the Grievance involves services not yet provided for an alleged Dental Emergency, Willamette Dental of Washington, Inc., will provide a reply within 72 hours of the receipt of the Grievance and that period cannot be extended without the Enrollee's informed written consent. If the Grievance involves services deemed Experimental or Investigational Willamette Dental of Washington, Inc., will provide a written reply within 20 working days of the receipt of the Grievance and that period cannot be extended without the Enrollee's informed written consent.

After receiving this response, the Enrollee may ask Willamette Dental of Washington, Inc., to reconsider by submitting a request for a Benefit Appeal (see Second Step below).

Second Step: Benefit Appeal

Willamette Dental of Washington, Inc., will accept a Benefit Appeal request made orally or in writing. The Enrollee should call the Member Services Department toll free at 1.855.4DENTAL (1.855.433.6825), or should send written request for a Benefit Appeal to: Willamette Dental of Washington, Inc., Attn: Member Services, 6950 NE Campus Way, Hillsboro, OR 97124.

What the Enrollee must do: If the Enrollee does not agree with the decision reached in the first step of the Grievance process, the Enrollee or the Enrollee's representative may request a Benefit Appeal of the decision to Willamette Dental of Washington, Inc., in writing within 180 days of receiving the notification. The Enrollee may submit written materials supporting their request for a Benefit Appeal.

What Willamette Dental of Washington, Inc., does: The Member Services Department accepts and logs the Benefit Appeal request and notifies the Enrollee within 5 days that it was received. The Member Services Department investigates the Benefit Appeal, gathers facts, and prepares an “appeal package” of detailed information. The panel consisting of the reviewing Dentist and a Member Services Representative, using the appeal package and appropriate resources will make a decision on the Benefit Appeal, record it in writing, and will send it to the Enrollee by certified mail (or other similar type of parcel delivery) within 30 days of receiving the Enrollee’s Benefit Appeal unless Willamette Dental of Washington, Inc., notifies the Enrollee that an extension is necessary to complete the Benefit Appeal; however, the extension cannot delay the decision beyond 60 days of the request for Benefit Appeal without the Enrollee’s informed, written consent. If the Benefit Appeal involves services not yet provided for an alleged Dental Emergency, Willamette Dental of Washington, Inc., will provide a reply within 72 hours of the receipt of a written request for a Benefit Appeal. If the Benefit Appeal involves services deemed Experimental or Investigational, Willamette Dental of Washington, Inc., will provide a written reply within 20 working days of the receipt of a request for a Benefit Appeal and that period cannot be extended without the Enrollee’s informed written consent.

COORDINATION OF BENEFITS

This coordination of benefits (COB) provision applies when a person has dental coverage under more than one Plan. Plan is defined below.

The Order of Benefit Determination Rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits according to its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense.

Definitions

- a. A Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts. However, if COB rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate Plan.
 1. Plan includes: Group, individual or blanket disability insurance contracts, and group or individual contracts issued by health care service contractors or health maintenance organizations (HMO), Closed Panel Plans or other forms of group or individual coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental plan, as permitted by law.
 2. Plan does not include: Hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; Medicaid coverage; or coverage under other federal governmental plans, unless permitted by law.
 3. Each contract for coverage under 1. or 2. is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

- b. This Plan means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
- c. The Order of Benefit Determination Rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan.
When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and must make payment in an amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim equal 100% of the total Allowable Expense for that claim. This means that when This Plan is secondary, it must pay the amount which, when combined with what the Primary Plan paid, totals 100% of the highest Allowable Expense. In addition, if This Plan is secondary, it must calculate its savings (its amount paid subtracted from the amount it would have paid had it been the Primary Plan) and record these savings as a benefit reserve for the covered person. This reserve must be used to pay any expenses during that calendar year, whether or not they are an Allowable Expense under This Plan. If This Plan is secondary, it will not be required to pay an amount in excess of its maximum benefit plus any accrued savings.
- d. Allowable Expense is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. The Allowable Expense for the Secondary Plan is the amount it allows for the service in the absence of other coverage that is primary.
- e. The following are examples of expenses that are not Allowable Expense:
 - 1. The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable Expense, unless one of the plans provides coverage for private hospital room expenses.
 - 2. If a person is covered by two or more Plan that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement method or other similar reimbursement method, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
 - 3. If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
- f. Closed Panel Plan is a Plan that provides health care benefits to covered persons in the form of services through a panel of providers who are primarily employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.
- g. Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

Order of Benefit Determination Rules

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- a. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
- b. Except as provided in subsection c., a Plan that does not contain a coordination of benefits provision that is consistent with state regulation regarding coordination of benefits is always primary unless the provisions of both Plans state that the complying Plan is primary.

- c. Coverage that is obtained by virtue of membership in a group and designed to supplement a part of a basic package of benefits may provide that this supplementary coverage is excess to any other parts of the Plan provided by the contract holder. Examples include major medical coverages that are superimposed over hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
- d. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
- e. Each Plan determines its order of benefits using the first of the following rules that apply:
 - 1. Nondependent or dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent (e.g., a retired employee), then the order of benefits between the two Plan is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.
 - 2. Dependent child covered under more than one Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - (a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan
 - (b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - (i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to claim determination periods commencing after the Plan is given notice of the court decree;
 - (ii) If a court decree states one parent is to assume primary financial responsibility for the dependent child but does not mention responsibility for health care expenses, the Plan of the parent assuming financial responsibility is primary;
 - (iii) If a court decree states that both parents are responsible for the dependent child's healthcare expenses or health care coverage, the provisions of subparagraph (a) above determine the order of benefits;
 - (iv) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subsection (a) above determine the order of benefits; or
 - (v) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - The Plan covering the Custodial Parent, first;
 - The Plan covering the spouse of the Custodial Parent, second;
 - The Plan covering the noncustodial parent, third; and then
 - The Plan covering the spouse of the noncustodial parent, last.
 - (c) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of subsection (a) or (b) above determine the order of benefits as if those individuals were the parents of the child.

3. Active employee or retired or laid-off employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under section e.1. can determine the order of benefits.
4. COBRA or state continuation coverage. If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under section e.1. can determine the order of benefits.
5. Longer or shorter length of coverage. The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.
6. If the preceding rules do not determine the order of benefits, the Allowable Expenses must be shared equally between the Plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the Primary Plan.

Effect on the Benefits of This Plan

When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a claim determination period are not more than the total Allowable Expense. In determining the amount to be paid for any claim, the Secondary Plan must make payment in an amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim equal 100% of the total Allowable Expense for that claim. Total Allowable Expense is the highest Allowable Expense of the Primary Plan or the Secondary Plan. In addition, the Secondary Plan must credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

Right to Receive and Release Needed Information

Certain facts about dental care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. The Participating Provider may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. The Participating Provider need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Participating Provider any facts it needs to apply those rules and determine benefits payable.

Facility of Payment

If payments that should have been made under This Plan are made by another Plan, the issuer has the right, at its discretion, to remit to the other Plan the amount it determines appropriate to satisfy the intent of this provision. The amounts paid to the other Plan are considered benefits paid under This Plan. To the extent of such payments, the issuer is fully discharged from liability under This Plan.

Right of Recovery

The issuer has the right to recover excess payment whenever it has paid Allowable Expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. The issuer may recover excess payment from any person to whom or for whom payment was made or from any other issuers or Plans.

Notice to Enrollees

If an Enrollee is covered by more than one Plan, and the Enrollee does not know which is the Primary Plan, the Enrollee may contact any one of the plans to verify which plan is primary. The Plan the Enrollee contacts is responsible for working with the other plan to determine which is primary and will let the Enrollee know within 30 days. Plans may have timely claim filing requirements. If the Enrollee or provider fails to submit a claim to a Secondary Plan within that plan's claim filing time limit, the Plan can deny the claim. If the Enrollee experiences delays in the processing of a claim by the Primary Plan, the Enrollee or provider will need to submit a claim to the Secondary Plan within its claim filing time limit to prevent a denial of the claim. To avoid delays in claims processing, if an Enrollee is covered by more than one Plan, the Enrollee should promptly report to providers and Plans any changes in coverage.
