SUBJECT: Fiscal Year 2007 PEBB Program Rates - Composite

Starting July 1, 2006 (FY07), the monthly employer funding rate is \$744.00 per Health Care Super Coalition-represented employee and \$618.00 for employees who are not represented by the Health Care Super Coalition. These rates were established in the 2006 Supplemental Operating Budget (Chapter 372, 2006 Session Laws). These rates cover health benefits under the Public Employees Benefits Board (PEBB) program.

Employee contributions, COBRA, and self-pay rates will remain the same until January 1, 2007, when the new plan year begins. You will receive these revised rates before open enrollment this fall.

The employer funding rate does not represent the actual cost of providing benefits to employees during the calendar year. The amounts shown below are the breakout of the current funding rate, which may vary from the actual costs.

Benefit	Health Care Super Coalition Represented Funding Rate	Non-Represented Funding Rate (All others)
Medical	\$ 663.85	\$ 537.85
Dental	\$ 71.73	\$ 71.73
Life	\$ 5.72	\$ 5.72
LTD	\$ 2.70	\$ 2.70
Total Funding Rate	\$ 744.00	\$ 618.00
